48 PREĖER.

1 **THE** wurdz ov de Preġer, de sun ov David, cin ov Jeruzalem. (2) Vaniti ov vanitiz, set de Preġer, vaniti ov vanitiz; ol [iz] vaniti.

3 **I** hwot profit hat a man ov ol hiz labor 4 hwig he tacet under de sun. [Wun] jenerafun paset awá, and [anúder] jenerafun 5 cumet: but de ert abidet for ever. De sun olso arizet, and de sun goet dsn, and hastet 6 tu hiz plas hwar he aróz. De wind goet tord de sst, and turnet abst untu de nort; it hwerlet abst continúa, and de wind re- 7 túrnet agén acórdin tu hiz sereits. Ol de riverz run intú de se; yet de se [iz] not ful; untu de plas from hwens de riverz 8 eum, dider da retúrn agén. Ol tinz [qr] ful ov labor; man camot uter [it]: de i iz not satisfid wid seig, nor de er fild wid herip.

9 De tin dat hat ben, it [iz dát] hwig fal be: and dát hwig iz dun [iz] dát hwig fal be dun: and [dar iz] no nū [tin] under de 10 sun. **I**z dar [eni] tin hwarof it ma be sed, Se, dis [iz] nū; it hat ben olrédi ov old 11 tin, hwig woz befór us. [Dar iz] no remémbrans ov former [tinz]; neder fal dar be [eni] remémbrans ov [tinz] dat qr tu eum wid [doz] dat fal eum after.

12 **I** de Preġer, woz cin over 'Israel in Jeru- 13 zalem. And i gav mj hart tu sec and serg st bi wízdum consérnig ol [tinz] dat qr dun under hev'n:—dis sor travel hat God giv'n tu de sunz ov man tu be eesersjz darwít.

14 **I** hav sen ol de wures dat qr dun under de sun; and, behóld, ol [iz] vaniti and 15 veesafun ov spirit. [Dát hwig iz] cruced camot be mad strat: and dát hwig iz wontip 16 camot be numberd. **I** comínd wid mjin on hart, saig, Lo, i am eum tu grat estát, and hav got'n mor wízdum dan ol [dá] dat hav ben befór me in Jeruzalem: ya, mj hart had grat eesperiens ov wízdum and nolej. 17 And i gav mj hart tu no wízdum, and tu no madnes and foli: i persévd dat dis olso 18 iz veesafun ov spirit. For in muc wízdum [iz] muc gref: and hé dat increset nolej increset soro.

2 **I** sed in mjin hart, Go tu ns, i wil pruuv dé wid mert, darfor enjé pleuzr: and, be- 2 hóld, dis olso [iz] vaniti. **I** sed ov kfter, [It iz] mad: and ov mert, **I** hwot dmet it.

3 **I** sot in mjin hart tu giv misélf untu wjn, yet acwantip mju hart wid wízdum; and tu la hold on foli, til i mjt se hwot [woz] dát gud for de sunz ov men, hwig da fud du under de hev'n ol de daz ov dar lijf.

4 **I** mad me grat wures; i bilt me hszez;

2 i planted me vinyerdz: (5) i mad me gard'nz and orġerdz, and i planted trez in dem ov 6 ol [cind ov] fruts: i mad me pulz ov weter, tu weter darwít de wad dat bripet fort 7 trez: i got [me] servants and mad'nz, and had servants born in mj hss; olso i had grat pozefunz ov grat and smel cat'l abáv 8 ol dat wer in Jeruzalem befór me: i gadard me olso silver and gold, and de peculier tregur ov cinz and ov de provinsez: i gat me men sizerz and wimen sizerz, and de deljts ov de sunz ov men, [az] muzical in- 9 struments, and dát ov ol sorts. So i woz grat, and incrést mor dan ol dat wer befór me in Jeruzalem: olso mj wízdum remánd 10 wid me. And hwotsoéver mjin iz dezjrd i cept not from dem, i widhéld not mj hart from eni jor; for mj hart rejóst in ol mj labor: and dis woz mj perfun ov ol mj la- 11 bur. **I**en i luet on ol de wures dat mj handz had rot, and on de labor dat i had laburd tu du: and, behóld, ol [woz] vaniti and veesafun ov spirit, and [dar woz] no profit under de sun.

12 And i turnd misélf tu behóld wízdum, and madnes, and foli: for **I** hwot [can] de man [du] dat cumet after de cin; [ev'n] 13 dát hwig hat ben olrédi dun. **I**en i se dat wízdum cesélet foli, az far az lijf cesélet 14 dārenes. De wjz manz iz [qr] in hiz hed; but de ful wéet in dārenes: and i misélf persévd olso dat wun évént hapnet tu dem ol.

15 **I**en sed i in mj hart, Az it hapnet tu de ful, so it hapnet ev'n tu me; and **I**hwí woz i den mor wjz. **I**en i sed in mj hart, 16 dat dis olso [iz] vaniti. For [dar iz] no remémbrans ov de wjz mor dan ov de ful for ever; seig dát hwig ns [iz] in de daz tu eum fal ol be fergót'n. And **I**hs djet 17 de wjz man. Az de ful. Darfor i hated lijf; becóz de wure dat iz rot under de sun [iz] grevus untu me: fer ol [iz] vaniti and 18 veesafun ov spirit. Ya, i hated ol mj labor hwig i had taen under de sun; becóz i fud lev it untu de man dat fal be after me. 19 And **I**luá noet hweder he fal be a wjz [man] or a ful; yet fal he hav rul over ol mj labor hwarin i hav laburd, and hwarin i hav sod misélf wjz under de sun:—dis [iz] olso vaniti.

20 Darfor i went abst tu coz mj hart tu despár ov ol de labor hwig i tue under de 21 sun. For dar iz a man huz labor [iz] in wízdum, and in nolej, and in ecwiti; yet tu a man dat hat not laburd darin fal he lev it [for] hiz perfun:—dis olso [iz] vaniti 22 and a grat ev'l. For **I** hwot hat man ov ol

I no ðat [ðar iz] no gud in ðem, but fer [a man] tui rejós, and tui du gud in hiz lîf. And elso ðat everi man fud et and drige, and enjô ðe gud ov ol hiz labur, it [iz] ðe gift ov God. I no ðat, hwotsoéver God duet, it fal be fer ever: nutig ean be put tui it, nor eni tig tac'n from it: and God duet [it], ðat [men] fud fer befór him. ðát hwig hat ben iz ns; and ðát hwig iz tui be hat elrédi ben; and God reewjret ðát hwig iz pqst.

6 **A**nd morover i so under ðe sun ðe plas ov jument, [ðat] wicednes [woz] ðar; and ðe plas ov rityusnes, [ðat] micwiti [woz] ðar. I sed in mîh hqrt, God fal juj ðe rityus and ðe wiced: for [ðar iz] a tîm ðar fer everi purpus and fer everi wure.

13 BEHÓLD, mj servant fal del prudentli,

3 He iz despízd and rejécted ov men;

4 Súarli he hat born sr grefs,

5 But he [woz] wounded for sr transgrefunz,

6 Ol we hje sep hav gen astrá;

and de LóRD hat lad on him de iniewiti ov

7 He woz oprést, and he woz afflicted, [us el.

so he opnet not hiz mst.

8 He woz tac'n from priz'n and from jument:

9 And he mad hiz grav wid de wiced,

10 Yet it plezd de LóRD tu bruuz him;

12 Darfor wil i divjd him [a perfun] wid de grat,

54 SIJ, o baren, ds [dat] didst not bar;

5 For di Macer [iz] dín huzbund;

6 For ðe LÖRD hat cold ðé az a wuman for-sac'n and grevd in spirit, and a wif ov ȳt, hwen ðs wost refúzd, set ði God.

7 For a smel mōment hav i fersac'n ðé; but wid grat mersiz wil i gader ðé.

8 In a lit'l ret i hid mī fas from ðé for a mōment;

ðat i wud not be ret wið ðé, nōr rebīe ðé.

10 For ðe mōntenz fal dep'rt, and ðe hīlz be remūvd;

11 O ðs afflicted, test wið tempest, [and] not cumfured,

6 Behöld, i hav created ðe smit ðat bloet ðe colz in ðe fīr,

12 For ye fal gō st wið jō,

Did Hezeccja eig ov Jyda and ol Jyda pat him at ol tu det; ? did he not fer de LÖRD, and besót de LÖRD, and de LÖRD repented him ov de ev'l hwig he had pronst agénst dem. ðus mjt we proeīr grat ev'l agénst sr solz.

20 And dar woz also a man dat profesjd in de nam ov de LÖRD, Urijja de sun ov Zemaja ov Cerjat-jearim, hu profesjd agénst dis siti and agénst dis land acording tu ol 21 de wurdz ov Jeremja: and hwen Jehoacim de eig, wid ol hiz mjt men, and ol de prinsez, herd hiz wurdz, de eig sot tu put him tu det: but hwen Urijja herd it, he woz afrád, and fled, and went intu Egipt; 22 and Jehoacim de eig sent men intu Egipt, [namli,] Elnatan de sun ov Abcor, and 23 [serten] men wid him intu Egipt. And da feg fort Urijja st ov Egipt, and brot him untu Jehoacim de eig; hu slui him wid de sord, and eqst hiz ded bodi intu de gravz 24 ov de comu pep'l. Neverdelés de hand ov Ahicam de sun ov Safan woz wid Jeremja, dat da sud not giv him intu de hand ov de pep'l tu pat him tu det.

27 IN de beginij ov de ran ov Jehoacim de sun ov Josja eig ov Jyda cam dis wurd untu Jeremja from de LÖRD, saig,

27 [qr] upón de grnd, bi mj grat pser and bi mj ststret grm, and hav giv'n 6 it untu hūm it semd met untu me. And ns hav i giv'n ol dez landz intu de hand ov Nebqadnézer de eig ov Babilun, mj servant; and de bests ov de feld hav i giv'n 7 him also tu serv him. And ol nafunz sal serv him, and hiz sun, and hiz sunz sun, untíl de veri tīm ov hiz land cum: and den meni nafunz and grat eigz sal serv dem: 8 sélvz ov him. And it sal cum tu pqs, [dat] de nafun and eigdum hwig wil not serv de sam Nebqadnézer de eig ov Babilun, and dat wil not put dar nec under de yoe ov de eig ov Babilun, dát nafun wil i punif, set de LÖRD, wid de sord, and wid de famin, and wid de pestilens, untíl i hav consjmd dem bi hiz hand.

9 Æarfor hqr'en not ye tu yr profets, nor tu yr divjnerz, nor tu yr dremerz, nor tu yr engiterz, nor tu yr sorscerz, hwig spec untu y, saig, Ye sal not serv de eig 10 ov Babilun: for da profesj a lī untu y, tu remúv y fqr from yr land; and dat i sud 11 driv y st, and ye sud perif. But de nafunz dat brig dar nec under de yoe ov de eig ov Babilun, and serv him, doz vil i let remán stíl in dar on land, set de LÖRD; and da sal til it, and dwel darín.

12 I spae also tu Zedeccja eig ov Jyda acording tu ol dez wurdz, saig, Brig yr nees under de yoe ov de eig ov Babilun, and 13 serv him and hiz pep'l, and liv. ? Hwī wil ye dī, ds and dī pep'l, bi de sord, bi de famin, and bi de pestilens, az de LÖRD hat spoen agénst de nafun dat wil not serv de 14 eig ov Babilun. Æarfor hqr'en not untu de wurdz ov de profets dat spec untu y, saig, Ye sal not serv de eig ov Babilun: for 15 da profesj a lī untu y. For i hav not sent dem, set de LÖRD, yet da profesj a lī in mj nam; dat i mjt driv y st, and dat ye mjt perif, ye, and de profets dat profesj untu y. 16 Olso i spae tu de prests and tu ol dis pep'l, saig, ðus set de LÖRD; Hqr'en not tu de wurdz ov yr profets dat profesj untu y, saig, Behóld, de veselz ov de LÖRDz hss sal ns fortli be brot agén from Babilun: 17 for da profesj a lī untu y. Hqr'en not untu dem; serv de eig ov Babilun, and liv: 18 ? hwarfor sud dis siti be lad wast. But if da [be] profets, and if de wurd ov de LÖRD be wid dem, let dem ns mac intersefun tu de LÖRD ov hosts, dat de veselz hwig qrlft in de hss ov de LÖRD, and [in] de hss ov de eig ov Jyda, and at Jeruzalem, go not tu Babilun.

19 For ðus set de LÖRD ov hosts consérnj de pilerz, and consérnj de se, and consérnj de basez, and consérnj de rezidn ov de 20 veselz dat remán in dis siti, hwig Nebqadnézer eig ov Babilun tue not, hwen he carid awá captiv Jecconja de sun ov Jehoacim eig ov Jyda from Jeruzalem tu Babilun, and ol de nob'lz ov Jyda and 21 Jeruzalem; ya, ðus set de LÖRD ov hosts, de God ov Izrael, consérnj de veselz dat remán [in] de hss ov de LÖRD, and [in] de

28 AND it cam tu pqs de ſam yer, in de beginiy ov de ran ov Zedecea eij ov Juda, in de fort yer, [and] in de fiſt munt, [dat] Hananja de ſun ov Azur de profet, hwig [woz] ov Gibiun, ſpac untu me in de hss ov de LORD, in de prezens ov de preſts and ov 2 ol de pep'l, ſaig, 'Aſus ſpeet de LORD ov hoſts, de God ov 'Iſrael, ſaig, 'I hav brœ'n 3 de yoe ov de eij ov Babilun. Widin tû ſul yerz wil i briy agén intu diſ plas ol de veſelz ov de LORDz hss, dat Nebucadnézer eij ov Babilun tue awá from diſ plas, and 4 carid dem tu Babilun: and i wil briy agén tu diſ plas Jeconja de ſun ov Jehoacin eij ov Juda, wið ol de captivz ov Juda, dat went intu Babilun, ſet de LORD: for i wil bræc de yoe ov de eij ov Babilun.

5 Den de profet Jeremja ſed untu de profet Hananja in de prezens ov de preſts, and in de prezens ov ol de pep'l dat ſtud in de hss 6 ov de LORD, ev'n de profet Jeremja ſed, 'Amén: de LORD du ſo: de LORD perſórn dî wurdz hwig dſ haſt profesjd, tu briy agén de veſelz ov de LORDz hss, and ol dat iz carid awá captiv, from Babilun intu diſ 7 plas. Neverdelés her dſ ns diſ wurd dat i ſpec in dju erz, and in de erz ov ol de pep'l; 8 'Ie profets dat hav ben befór me and befór dé ov old profesjd bot agénſt meni cumtriz, and agénſt grat eijduuz, ov wor, and ov 9 ev'l, and ov peſtilens. 'Ie profet hwig próſesjet ov pes, hwen de wurd ov de profet ſal cum tu pqs, [den] ſal de profet be non, dat de LORD hat truli ſent him.

10 Den Hananja de profet tue de yoe from 11 of de profet Jeremjaz nec, and bræc it. And Hananja ſpac in de prezens ov ol de pep'l, ſaig, 'Aſus ſet de LORD; Ev'n ſo wil i bræc de yoe ov Nebucadnézer eij ov Babilun from de nec ov ol naſunz widin de ſpas ov tû ſul yerz. And de profet Jeremja went hiz wa.

12 Den de wurd ov de LORD cam untu Jeremja [de profet], qfter dat Hananja de profet had brœ'n de yoe from of de nec ov de profet Jeremja, ſaig, 'Go and tel Hananja, ſaig, 'Aſus ſet de LORD; 'Aſ haſt brœ'n de yoes ov wad; but dſ ſalt mæc fêr 13 dem yoes ov jurn. 15 Den ſed de profet Jeremja untu Hananja de profet, Her ns, Hananja; 'Ie LORD hat not ſent dé; but dſ mæeſt diſ pep'l tu 16 truſt in a lj. 'Harfor dus ſet de LORD; Behóld, i wil eqſt dé from of de ſas ov de ert: diſ yer dſ ſalt dî, becôz dſ haſt têt 17 rebelyun agénſt de LORD. So Hananja de profet djd de ſam yer in de ſev'nt munt.

8 [TIS iz] de wurd dat cam untu Jeremia
from de LORD, qfter dat de ciy Zedecia
had mad a cuvenant wid ol de pep'l hwiç
[wer] at Jeruza'lem, tu proclãm liberti
9 untu dem; dat evri man sud let hiz

34 man-servant, and everi man hiz mad-servant, [beig] an Hebruu or an Hebruues, go fre; dat nun sud serv himsclf ov dem, [tui wit,] ov a Ju hiz bruder. Ns hwen ol de prinsez, and ol de pep'l, hwiq had enterd intui de cuvenant, herd dat everi wun sud let hiz man-servant, and everi wun hiz mad-servant, go fre, dat nun sud serv demselvz ov dem eni mor, den da obad, and let [dem] go. But qfterwerd da turnd, and cozd de servants and de handmadz, hum da had let go fre, tui return, and brot dem intui subjecfun fer servants and fer handmadz.

2 Darfor de wurd ov de LORD cam tui Jeremja from de LORD, saig, „Ius set de LORD, de God ov 'Israel; I mad a cuvenant wid ur fqderz in de da dat i brot dem fort st ov de land ov Egipt, st ov de hss ov bondmen, saig, „At de end ov sev'n yerz let ye go everi man hiz bruder an Hebruu, hwiq hat ben sold untui de; and hwen he hat servd de sics yerz, ds falt let him go fre from de; but ur fqderz hqre'nd not untui me, neder inclnd dar er. And ye wer ns turnd, and had dun rjt in mj sjt, in proclamig liberti everi man tui hiz nabur; and ye had mad a cuvenant beför me in de hss hwiq iz cöld bi mj nam: but ye turnd and polhted mj nam, and cozd everi man hiz servant, and everi man hiz handmad, hum he had set at liberti at dar plezur, tui return, and brot dem intui subjecfun, tui be untui q fer servants and fer handmadz.

7 Darfor dus set de LORD; Ye hav not hqre'nd untui me, in proclamig liberti, everi wun tui hiz bruder, and everi man tui hiz nabur: behöld, i proclam a liberti fer q, set de LORD, tui de sord, tui de pestilens, and tui de famin; and i wil mac q tui be remávd intui ol de cingdumz ov de ert.

8 And i wil giv de men dat hav transgrést mj cuvenant, hwiq hav not perförmd de wurdz ov de cuvenant hwiq da had mad beför me, hwen da cut de cqt in twan, and pqt betwén de pqrts daróf, de prinsez ov Juda, and de prinsez ov Jeruzalem, de unucs, and de prests, and ol de pep'l ov de land, hwiq pqt betwén de pqrts ov de cqt; i wil ev'n giv dem intui de hand ov dar enemiz, and intui de hand ov dem dat sec dar lijf: and dar ded bodiz sal be fer met untui de fsz ov de hev'n, and tui de bests ov de ert.

1 And Zedecea eig ov Juda and hiz prinsez wil i giv intui de hand ov dar enemiz, and intui de hand ov dem dat sec dar lijf, and intui de hand ov de eig ov Babilunz qrmi,

2 hwiq qr gen up from q. Behöld, i wil comqnd, set de LORD, and coz dem tui return tui dis siti; and da sal fjt agénst it, and tae it, and burn it wid fir: and i wil mac de sitiz ov Juda a desolafun widst an inhabitant.

35 HE wurd hwiq cam untui Jeremja from de LORD in de daz ov Jehoaicm de sun ov Josja eig ov Juda, saig, „Go untui de hss ov de Recabjts, and spee untui dem, and

35 brig dem intui de hss ov de LORD, intui wun ov de gamberz, and giv dem win tui drige.

3 Den i tae Jaazanja de sun ov Jeremja, de sun ov Habazinja, and hiz bredren, and ol hiz sunz, and de hól hss ov de Recabjts; and i brot dem intui de hss ov de LORD, intui de gamber ov de sunz ov Hanan, de sun ov Igdaia, a man ov God, hwiq [woz] bi de gamber ov de prinsez, hwiq [woz] abáv de gamber ov Maasja de sun ov Salum, de ceper ov de dor: and i set beför de sunz ov de hss ov de Recabjts pots ful ov win, and cups, and i sed untui dem, Drige ye win.

6 But da sed, We wil drige no win: fer Jonadab de sun ov Recab sr fqder comqnded us, saig, Ye sal drige no win, [neder] ye, ner ur sunz fer ever: neder sal ye bild hss, ner so sed, ner plqnt vinyerd, ner hav [en] but ol ur daz ye sal dwel in tents; dat ye ma liv meni daz in de land hwar ye [be] stranjerz. Ius hav we obád de vos ov Jonadab de sun ov Recab sr fqder in ol dat he hat qarjd us, tui drige no win ol sr daz, we, sr wjvz, sr sunz, nor sr dotez; nor tu bild hsscz fer us tui dwel in: neder hav we vinyerd, ner feld, ner sed: but we hav dwelt in tents, and hav obád, and dun acerdig tui ol dat Jonadab sr fqder comqnded us. But it cam tui pqs, hwen Nebucadrézer eig ov Babilun cam up intui de land, dat we sed, Cum, and let us go tui Jeruzalem fer fer ov de qrmi ov de Caldeanz, and fer fer ov de qrmi ov de Sirianz: so we dwel at Jeruzalem.

12 Den cam de wurd ov de LORD untui 13 Jeremja, saig, „Ius set de LORD ov hosts, de God ov 'Israel; Go and tel de men ov Juda and de inhabitants ov Jeruzalem, I wil ye not resév instruefun tui hqre'n tui mj wurdz, set de LORD. De wurdz ov Jonadab de sun ov Recab, dat he comqnded hiz sunz not tui drige win qr perförmd; fer untui dis da da drige nun, but obá dar fqderz comqndment: notwidstándig i hav spo'e'n untui q, rjizig erli and specig; but ye hqre'nd not untui me. I hav sent also untui q ol mj servants de profets, rjizig ur erli and sendig [dem], saig, Retörn ye ns everi man from hiz ev'l wa, and aménd ur duijiz, and go not qfter uder godz tui serv dem, and ye sal dwel in de land hwiq i hav giv'n tui q and tui ur fqderz: but ye hav not inelnd ur er, ner hqre'nd untui me. Becóz de sunz ov Jonadab de sun ov Recab hav perförmd de comqndment ov dar fqder, hwiq he comqnded dem; but dis pep'l hat not hqre'nd untui me: darfor dus set de LORD God ov hosts, de God ov 'Israel; Behöld, i wil brig upón Juda and upón ol de inhabitants ov Jeruzalem ol de ev'l dat i hav pronst agénst dem: becóz i hav spo'e'n untui dem, but da hav not herd; and i hav cöld untui dem, but da hav not qnsrd.

18 And Jeremja sed untui de hss ov de Recabjts, „Ius set de LORD ov hosts, de God ov 'Israel; Becóz ye hav obád de

35 commandment ov Jonadab ur fader, and cept ol hiz precepts, and dun acordin untu ol dat he hat comanded u: darfor dus set de LORD ov hosts, de God ov 'Israel; Jonadab de sun ov Recab sal not wont a man tu stand beför me for ever.

36 AND it cam tu pqs in de fort yer ov Jehocaim de sun ov Josja ein ov Jyda, [dat] dis wurd cam untu Jeremja from de LORD, saig,

2 Tac dé a rol ov a buac, and ryt darin ol de wurdz dat i hav spoe'n untu dé agénst 'Israel, and agénst Jyda, and agénst ol de nasunz, from de da i spae untu dé, from de daz ov 3 Josja, ev'n untu dé da. It ma be dat de hss ov Jyda wil her ol de ev'l hwig i purpus tu du untu dem; dat da ma retürn everi man from hiz ev'l wa; dat i ma forgiv dar inewiti and dar sin.

4 Æen Jeremja celd Baruc de sun ov Nerja: and Baruc rot from de mst ov Jeremja ol de wurdz ov de LORD, hwig he had spoe'n 5 untu him, upón a rol ov a buac. And Jeremja comanded Baruc, saig, ¶ [am] fut up; i canot go intu de hss ov de LORD: 6 darfor go ds, and red in de rol, hwig ds hast rit'n from mj mst, de wurdz ov de LORD in de erz ov de pep'l in de LORDz hss upón de fástig da: and also ds falt red dem in de erz ov ol Jyda dat eum st ov 7 dar sitiz. It ma be da wil prezént dar suplicaun beför de LORD, and wil retürn everi wun from hiz ev'l wa: for grat [iz] de anger and de furi dat de LORD hat pronst agénst dis pep'l.

8 And Baruc de sun ov Nerja did acordin tu ol dat Jeremja de profet comanded him, redin in de buac de wurdz ov de LORD in de 9 LORDz hss. And it cam tu pqs in de fift yer ov Jehocaim de sun ov Josja ein ov Jyda, in de nint munt, [dat] da proclámd a fást beför de LORD tu ol de pep'l in Jeruzalem, and tu ol de pep'l dat cam from de sitiz ov Jyda untu Jeruzalem.

10 Æen red Baruc in de buac de wurdz ov Jeremja in de hss ov de LORD, in de çamber ov Gemarja de sun ov Safan de scrij, in de hjer cört, at de entri ov de ny gat ov de LORDz hss, in de erz ov ol de pep'l.

11 Hwen Mjcaja de sun ov Gemarja, de sun ov Safan, had herd st ov de buac ol de wurdz 12 ov de LORD, den he went dsn intu de einz hss, intu de scrijz çamber: and, lo, ol de prinsez sut dar, [ev'n] Elifama de scrij, and Delaja de sun ov Zemaia, and Elnatan de sun ov Achor, and Gemarja de sun ov Safan, and Zedeja de sun ov Hananja,

13 and ol de prinsez. Æen Mjcaja declárd untu dem ol de wurdz dat he had herd, hwen Baruc red de buac in de erz ov de pep'l.

14 Darfor ol de prinsez sent Jehúdj de sun ov Netanja, de sun ov Zelemja, de sun ov Cufi, untu Baruc, saig, Tac in dín hand de rol hwarin ds hast red in de erz ov de pep'l, and eum. So Baruc de sun ov Nerja tue de rol in hiz hand, and cam untu dem.

15 And da sed untu him, Sit dsen nx, and red

36 it in sr erz. So Baruc red [it] in dar erz. (16) Ns it cam tu pqs, hwen da had herd ol de wurdz, da wer afrád bot wun and uder, and sed untu Baruc, We 17 wil furli tel de ein ov ol dez wurdz. And da qset Baruc, saig, Tel us nx, ¶ Hs didst 18 ds ryt ol dez wurdz at hiz mst. Æen Baruc qnsrd dem, He pronst ol dez wurdz untu me wid hiz mst, and i rot [dem] wid 19 ine in de buac. Æen sed de prinsez untu Baruc, Go, hid dé, ds and Jeremja; and let no man no hwar ye be.

20 And da went in tu de ein untu de cört, but da lad up de rol in de çamber ov Elifama de scrij, and told ol de wurdz in de erz ov 21 de ein. So de ein sent Jehúdj tu seç de rol: and he tue it st ov Elifama de scrijz çamber. And Jehúdj red it in de erz ov de ein, and in de erz ov ol de prinsez hwig stud 22 besjd de ein. Ns de ein sat in de winterhss in de nint munt: and [dar woz a fir] on de 23 hart burnin beför him. And it cam tu pqs, [dat] hwen Jehúdj had red tre or for levz, he cut it wid de pennij, and cást [it] intu de fir dat [woz] on de hart, until ol de rol woz 24 consjmd in de fir dat woz on de hart. Yet da wer not afrád, nor rent dar garments, [neder] de ein, nor eni ov hiz servants dat herd ol 25 dez wurdz. Neverdelcs Elnatan and Delaja and Gemarja had mad intersefun tu de ein dat he wud not burn de rol: but he wud 26 not her dem. But de ein comanded Jeramiel de sun ov Hamelec, and Seraja de sun ov Azriel, and Zelemja de sun ov Abdiel, tu tae Baruc de scrij and Jeremja de profet: but de LORD hid dem.

27 Æen de wurd ov de LORD cam tu Jeremja, qfter dat de ein had burnt de rol, and de wurdz hwig Baruc rot at de mst ov Jeremja, 28 saig, Tac dé agén anúder rol, and ryt in it ol de former wurdz dat wer in de first rol, hwig Jehocaim de ein ov Jyda hat burnt. 29 And ds falt sa tu Jehocaim ein ov Jyda, dus set de LORD; ds hast burnt dis rol, saig, ¶ Hwi hast ds ryt'n darín, saig, De ein ov Babilun sal sertenli eum and destré dis land, and fal coz tu ses from dens man 30 and best. Darfor dus set de LORD ov Jehocaim ein ov Jyda;

He fal hav nun tu sit upón de tron ov David:

and hiz ded bodi fal be cást st in de da tu de het, and in de nit tu de frest.

31 And i wil punij him and hiz sed and hiz servants for dar inewiti; and i wil brij up dem, and upón de inhabitants ov Jeruzalem, and upón de men ov Jyda, ol de ev'l dat i hav pronst agénst dem; but da hqre'nd not.

32 Æen tue Jeremja anúder rol, and gav it tu Baruc de scrij, de sun ov Nerja; hu rot darín from de mst ov Jeremja ol de wurdz ov de buac hwig Jehocaim ein ov Jyda had burnt in de fir: and dar wer add besjd untu dem meni lje wurdz.

37 AND CIW ZEDECJA de sun ov Josia rand instéd ov Conja de sun ov Jehoaçim, hum Nebucadrézer ein ov Babilun mad ein in de land ov Jyda.

2. But neder he, nor hiz servants, nor de pep'l ov de land, did hqre'n untu de wurdz ov de LORD, hwig he spae bi de profet Jeremja.

3 And Zedecja de ein sent Jehucal de sun Selemja and Zefanja de sun ov Maasja de prest tu de profet Jeremja, saig, Pra ns untu de LORD sr God fer us. Ns Jeremja cam in and went st amúy, de pep'l: for da

4 had not put him intui priz'n. Æen Faroz qmri woz cum fort st ov Ejipt: and hwen de Caldeanz dat beséjð Jeruzalem herd tjdinz ov dem, da departed from Jeruzalem.

5 Æen cam de wurd ov de LORD untu de profet Jeremja, saig, Æus set de LORD, de God ov 'Izrael, Æus sal ye sa tu de ein ov Jyda, dat sent u untu me tu inewfr ov me;

6 Behóld, Faroz qmri, hwig iz cum fort tu help u, sal retúrñ tu Ejipt intui dar on land. And de Caldeanz sal cum agén, and

7 fjt agénst dis siti, and tac it, and burn it wid fjr. Æus set de LORD; Desév not yrsélvz, saig, Æe Caldeanz sal furli depárt

8 from us: for da sal not depárt. For do ye had smit'n de hól qmri ov de Caldeanz dat fjt agénst u, and dar remánd [but] wounded men amúy dem, [yet] jud da riz up everi

9 man in hiz tent, and burn dis siti wid fjr.

10 AND it cam tu pqs, dat hwen de qmri ov de Caldeanz woz broc'n up from Jeruz-

11 alem fer fer ov Faroz qmri, den Jeremja went fort st ov Jeruzalem tu go intui de land ov Benjamin, tu separat himself dens

12 in de midst ov de pep'l. And hwen he woz in de gat ov Benjamin, a capten ov de word [woz] dar, huz nam [woz] Irija, de sun ov Selemja, de sun ov Hananja; and he tuc

13 Jeremja de profet, saig, Æs folest awá tu de Caldeanz. Æen sed Jeremja, [It iz] fols; i fól not awá tu de Caldeanz. But

14 he hqre'nd not tu him: so Irija tuc Jeremja, and brot him tu de prinsez.

15 Hwarfor de prinsez wer rot wid Jeremja, and smót him, and put him in priz'n in de hss ov Jonatan de scrib: for da had mad

16 dat de priz'n.

17 Hwen Jeremja woz enterd intui de dunjun, and intui de cabinz, and Jeremja had

18 remánd dar meni daz; den Zedecja de ein sent, and tuc him st: and de ein qset him

19 wurd from de LORD. And Jeremja sed, Æar iz: fer, sed he, Æs falt be deliverd

20 intui de hand ov de ein ov Babilun. Mor-

21 over Jeremja sed untui ein Zedecja, Æ hwot hav i ofénded agénst dé, or agénst di serv-

22 ants, or agénst dis pep'l, dat ye hav put

23 me in priz'n. Æ Hwar [qr] ns ur profets

24 hwig profesid untui u, saig, Æe ein ov Babilun sal not cum agénst u, nor agénst dis

25 land. Æarfor her ns, i pra dé, o mj lord de ein; let mj suplicafun, i pra dé, be acsépted

26 befór dé; dat ds coz me not tu retúrñ tu

37 de hss ov Jonatan de scrib, lest i di dar.

(21) Æen Zedecja de ein comqnded dat da jud comit Jeremja intui de cort ov de priz'n, and dat da jud giv him dali a pes ov bred st ov de bacerz stret, untíl ol de bred in de siti wer spent. Æus Jeremja remánd in de cort ov de priz'n.

38 ÆEN Zefatja de sun ov Matan, and Gedalja de sun ov Pafur, and Jucal de sun ov Selemja, and Pafur de sun ov Maleja, herd de wurdz dat Jeremja had spoc'n untui ol de pep'l, saig,

2 Æus set de LORD, HÉ dat remanet in dis siti sal di bi de sord, bi de famin, and bi de pestilens: but hé dat goet fort tu de Caldeanz sal liv; for he sal hav hiz ljf fer a

3 pra, and sal liv. Æus set de LORD, Æis siti sal furli be giv'n intui de hand ov de

4 ein ov Babilunz qmri, hwig sal tac it. Æarfor de prinsez sed untui de ein, We beséq

5 dé, let dis man be put tu det: for dus he weenet de handz ov de men ov wer dat remán in dis siti, and de handz ov ol de

6 pep'l, in speciij suq wurdz untui dem: for dis man sece't not de welfar ov dis pep'l,

7 but de hurt. Æen Zedecja de ein sed, Behóld, he [iz] in ur hand; for de ein [iz]

8 not [hé dat] can du [eni] tij agénst u.

9 Æen tuc da Jeremja, and eqst him intui de dunjun ov Maleja de sun ov Hamelec, dat

10 [woz] in de cort ov de priz'n: and da let ds'n Jeremja wid cordz. And in de dunjun

11 [dar woz] no woter, but mjr: so Jeremja suqe in de mjr.

12 Ns hwen Ebed-melec de E'tiopian, wun

13 ov de unqes hwig woz in de einz hss, herd dat da had put Jeremja in de dunjun; de ein

14 den sitiij in de gat ov Benjamin; Ebed-melec went fort st ov de einz hss, and spae tu

15 de ein, saig, Æj lord de ein, dez men hav

16 dun ev'l in ol dat da hav dun tu Jeremja de profet, hum da hav eqst intui de dunjun;

17 and he iz lij tu di fer hunger in de plas

18 hwar he iz: fer [dar iz] no mor bred in de

19 siti. Æen de ein comqnded Ebed-melec de

20 E'tiopian, saig, Tac from hens terti men

21 wid dé, and tac up Jeremja de profet st ov

22 de dunjun, befór he di. So Ebed-melec tuc

23 de men wid him, and went intui de hss ov

24 de ein under de trezuri, and tuc dens old

25 eqst elsts and old rot'n ragz, and let dem ds'n

26 bi cordz intui de dunjun tu Jeremja. And

27 Ebed-melec de E'tiopian sed untui Jeremja,

28 Put ns [dez] old eqst cists and rot'n ragz

29 under ðin qrnholz, under de cordz. And

30 Jeremja did so. So da dru up Jeremja

31 wid cordz, and tuc him up st ov de dunjun;

32 and Jeremja remánd in de cort ov de priz'n.

33 Æen Zedecja de ein sent, and tuc Jeremja

34 de profet untui him intui de terd entri dat

35 [iz] in de hss ov de LORD: and de ein sed

36 untui Jeremja, I wil qse dé a tij: hijd nutij

37 from me.

38 Æen Jeremja sed untui Zedecja, If i de-

39 clár [it] untui dé, Æ wilt ds not furli put

40 me tu det: and if i giv dé esn'al, Æ wilt ds

41 not hqre'n untui me.

38 16 So Zedecja de ein swar secretli untu Jeremja, saig, [Az] de LORD livet, dat mad us dis sol, i wil not put dé tu det, neder wil i giv dé intu de hand ov dez men dat sec di lîf.

17 Æn sed Jeremja untu Zedecja, Æus set de LORD, de God ov hosts, de God ov 'Israel; If ds wilt asuredli go fort untu de ein ov Babilunz prinsez, den di sol fal liv, and dis siti fal not be burnt wid fir; and ds falt liv, and dîn hss: but if ds wilt not go fort tu de ein ov Babilunz priusez, den fal dis siti be giv'n intu de hand ov de Caldeanz, and da sed burn it wid fir, and ds falt not escáp st ov dar hand.

19 And Zedecja de ein sed untu Jeremja, F am afrád ov de Jyz dat qr fol'n tu de Caldeanz, lest da deliver me intu dar hand, and da moe me.

20 But Jeremja sed, Da fal not deliver [dé]. Obá, i beség dé, de vos ov de LORD, hwiç i spec untu dé: so it fal be wel untu dé,

21 and di sol fal liv. But if ds refúz tu go fort, dis [iz] de wurd dat de LORD hat sod

22 me: and, behóld, ol de wimen dat qr left in de ein ov Jydaz hss [fal be] brot fort tu de ein ov Babilunz prinsez, and doz [wimen] fal sa, di frendz hav set dé on,

23 and hav preváld agénst dé: di fet qr suçe in de mîr, [and] da qr turnd awá bac. So da fal briç st ol di wîvz and di gildren tu de Caldeanz: and ds falt not escáp st ov dar hand, but falt be tac'n bi de hand ov de ein ov Babilun: and ds falt eez dis siti tu be burnt wid fir.

24 Æn sed Zedecja untu Jeremja, Let no man no ov dez wurdz, and ds falt not di.

25 But if de prinsez her dat i hav teet wid dé, and da eum untu dé, and sa untu dé, Declár untu us ns hwot ds hast sed untu de ein, hîd it not from us, and we wil not put dé tu det; also hwot de ein sed untu

26 dé: den ds falt sa untu dem, F prezénted mî supplicafun befór de ein, dat he wud not eoz me tu retúrn tu Jonatanz hss, tu di dar.

27 Æn cam ol de prinsez untu Jeremja, and qset him: and he told dem acórdiç tu ol dez wurdz dat de ein had comqnded. So da left of speciç wid him; for de mater woz

28 not persévd. So Jeremja abód in de eort ov de priz'n untîl de da dat Jeruzalem woz tac'n: and he woz [dar] hwen Jeruzalem woz tac'n.

39 IN de njnt yer ov Zedecja ein ov Juda, in de tent munt, cam Nebucadrézer ein ov Babilun and ol hiz qrmî agénst Jeruzalem, and da beséjd it. [And] in de elév'nt yer ov Zedecja, in de fort munt, de njnt [da] ov de munt, de siti woz broc'n up.

3 And ol de prinsez ov de ein ov Babilun cam in, and sat in de mid'l gat, [ev'n] Nergal-jarezzer, Sungar-nebo, Sqrseim, Rabсарis, Nergal-jarezzer, Rabmag, wid ol de rezidû ov de prinsez ov de ein ov Babilun.

4 And it cam tu pqs, [dat] hwen Zedecja de ein ov Juda so dem, and ol de men ov

39 wor, den da fled, and went fort st ov de siti bi njt, bi de wa ov de einz gard'n, bi de gat betwiest de tú wolz: and he

5 went st de wa ov de plan. But de Caldeanz qrmî pursîd qfter dem, and overtúc Zedecja in de planz ov Jerico: and hwen da had tac'n him, da brot him up tu Nebucadrézer ein ov Babilun tu Ribla in de land ov Hamat, hwar he gav jument upón

6 him. Æn de ein ov Babilun slui de sunz ov Zedecja in Ribla befór hiz jz: also de ein ov Babilun slui ol de nob'lz ov Juda.

7 Moreover he put st Zedecjaz jz, and bsnd him wid ganz, tu cari him tu Babilun.

8 And de Caldeanz burnt de einz hss, and de hszez ov de pep'l, wid fir, and brae dsn de wolz ov Jeruzalem.

9 Æn Nebuzqr-adan de capten ov de gard carid awá captiv intu Babilun de remnant ov de pep'l dat remáid in de siti, and doz dat fel awá, dat fel tu him, wid de rest ov

10 de pep'l dat remáid. But Nebuzqr-adan de capten ov de gard left ov de pur ov de pep'l, hwiç had nutin in de land ov Juda, and gav dem vinyerdz and feldz at de sam tijm.

11 Ns Nebucadrézer ein ov Babilun gav qarç consérniç Jeremja tu Nebuzqr-adan

12 de capten ov de gard, saig, Tac him, and lue wel tu him, and du him no hqrm; but du nntu him ev'n az he fal sa untu

13 dé. So Nebuzqr-adan de capten ov de gard sent, and Nebuzában, Rabсарis, and Nergal-jarezzer, Rabmag, and ol de ein ov

14 Babilunz prinsez; ev'n da sent, and tue Jeremja st ov de eort ov de priz'n, and comited him untu Gedalja de sun ov Ahicam de sun ov Xafan, dat he jad cari him hom: so he dwelt amúç de pep'l.

15 Ns de wurd ov de LORD cam untu Jeremja, hwiç he woz fut up in de eort ov

16 de priz'n, saig, Go and spec tu Ebed-melec de Ethiopian, saig,

Thusset de LORD ov hosts, de God ov 'Israel; Behóld, i wil briç mî wurdz upón dis siti for ev'l, and not for gad;

and da fal be [acómplish] in dát da befór dé.

17 But i wil deliver dé in dát da, set de LORD: and ds falt not be giv'n intu de hand ov de men ov hum ds [qrt] afrád.

18 For i wil furli deliver dé, and ds falt not fel bi de sord, but di lîf fal be for a pra untu dé: becóz ds hast put di trust in me, set de LORD.

40 ÆE wurd dat cam tu Jeremja from de LORD, qfter dat Nebuzqr-adan de capten ov de gard had let him go from Rana, hwen he had tac'n him bein bsnd in ganz amúç ol dat wr carid awá captiv ov Jeruzalem and Juda, hwiç wer carid awá captiv untu Babilun.

2 AND de capten ov de gard tue Jeremja, and sed untu him, ÆE LORD di [God] hat

3 pronúst dis ev'l upón dis plas. Ns de LORD hat brot [it], and dun acórdiç az he hat sed: becóz ye hav sind agénst de LORD, and hav not obád hiz vos, darfor dis tij

40 iz cum upón u. (4) And ns, behóld, i
lús dé dis da from de ganz hwig [wer]
upón dín hand. If it sem glad untú dé
tú cum wíð mé intú Babilun, cum; and i
wil lue wel untú dé; but if it sem il
untú dé tú cum wíð mé intú Babilun,
ferbár: behóld, ol de land [iz] befór dé:
hwider it semet gud and convenient for dé
5 tú go, dídér go. Ns hwíl he woz not yet
gon bac, [he sed,] Gó bac elso tú Gedálja
de sun ov Ahjeam de sun ov Sáfón, hum
de cíp ov Babilun hat mad guverner over
de sitiz ov Jyda, and dwel wíð him amúy
de pep'l: or go hwarsoéver it semet con-
venient untú dé tú go.

So de capten ov de gárd gav him vit'iz
6 and a rewórd, and let him go. Den went
Jeremja untú Gedálja de sun ov Ahjeam
tú Mizpa; and dwelt wíð him amúy de
pep'l dat wer left in de land.

7 Ns hwen ol de captenz ov de forsez hwig
[wer] in de feldz, [ev'n] da and dar men,
herd dat de cíp ov Babilun had mad Gedálja
de sun ov Ahjeam guverner in de land, and
had comited untú him men, and wimen,
and gildren, and ov de pur ov de land, ov
dém dat wer not carid awá captiv tú
8 Babilun; den da cam tú Gedálja tú Mizpa,
ev'n 'Ismael de sun ov Netanja, and Joha-
nan and Jonatan de sunz ov Carea, and
Seraja de sun ov Tanhymet, and de sunz ov
'Efaí de Netofatjt, and Jezanja de sun ov a
Maacatjt, da and dar men.

9 And Gedálja de sun ov Ahjeam de sun ov
Sáfón swar untú dem and tú dar men,
sain, Fer not tú serv de Caldeanz: dwel in
de land, and serv de cíp ov Babilun, and it
10 sal be wel wíð u. Az fer me, behóld, i wil
dwl at Mizpa, tú serv de Caldeanz, hwig
wil cum untú us: but ye, gader ye wín,
and sumer fruits, and ol, and pat [dem]
in úr veselz, and dwel in úr sitiz dat ye hav
tae'n.

11 Licwiz hwen ol de Jyz dat [wer] in
Moab, and amúy de Amunjs, and in Edum,
and dat [wer] in ol de euntriz, herd dat de
cíp ov Babilun had left a remnant ov Jyda,
and dat he had set over dem Gedálja de
2 sun ov Ahjeam de sun ov Sáfón; ev'n ol
de Jyz retúrnd st ov ol plasez hwider da
wer driv'n, and cam tú de land ov Jyda,
tú Gedálja, untú Mizpa, and gaderd wín
and sumer fruits veri mug.

3 Möröver Johanan de sun ov Carea, and
ol de captenz ov de forsez dat [wer] in de
4 feldz, cam tú Gedálja tú Mizpa, and sed
untú him, †Dust ds sertenli no dat Baalis
de cíp ov de Amunjs hat sent 'Ismael de
sun ov Netanja tú sla dé. But Gedálja
5 de sun ov Ahjeam belévd dem not. Den
Johanan de sun ov Carea spae tú Gedálja
in Mizpa secretli, sain, Let me go, i pra dé,
and i wil sla 'Ismael de sun ov Netanja,
and no man sal no [it]: †hwarfor sud he
sla dé, dat ol de Jyz hwig q'r gaderd untú
dé sud be seaterd, and de remnant in Jyda
6 perij. But Gedálja de sun ov Ahjeam
sed untú Johanan de sun ov Carea, †s

falt not dú dis tíg: for ds specest folsli ov
'Ismael.

41 Ns it cam tú pqs in de sev'nt munt,
[dat] 'Ismael de sun ov Netanja de sun
ov Elijama, ov de sed réal, and de prinsez
ov de cíp, ev'n teu men wíð him, cam
untú Gedálja de sun ov Ahjeam tú Mizpa;
and dar da did et bred tugóder in Mizpa.
2 Den aróz 'Ismael de sun ov Netanja, and
de ten men dat wer wíð him, and smót
Gedálja de sun ov Ahjeam de sun ov Sáfón
wíð de sord, and slui him, hum de cíp ov
Babilun had mad guverner over de land.
3 'Ismael elso slu ol de Jyz dat wer wíð
him, [ev'n] wíð Gedálja at Mizpa, and de
Caldeanz dat wer fsnd dar, [and] de men
ov wer.

4 And it cam tú pqs de secund da qfter he
he had slan Gedálja, and no man nu [it],
5 dat dar cam serten from Secem, from Sjölo,
and from Samaria, [ev'n] forseor men,
havin dar berdz fav'n, and dar elodz rent,
and havin cut demsélvz, wíð oferigz and
insens in dar hand, tú brig [dem] tú de
6 hss ov de LORD. And 'Ismael de sun ov
Netanja went fort from Mizpa tú met
dem, wepín ol alóg az he went: and it cam
tú pqs, az he met dem, he sed untú dem,
7 Cum tú Gedálja de sun ov Ahjeam. And
it woz [so], hwen da cam intú de midst ov
de siti, dat 'Ismael de sun ov Netanja slu
dem, [and eqst dem] intú de midst ov de
pit, he, and de men dat [wer] wíð him.
8 But ten men wer fsnd amúy dem dat sed
untú 'Ismael, Sla us not: fer we hav
trezurz in de feld, ov hwet, and ov bqrli,
and ov ol, and ov huni. So he ferbár, and
slu dem not amúy dar broðren.

9 Ns de pit hwarin 'Ismael had eqst ol de
ded bodiz ov de men, hum he had slan
beóoz ov Gedálja, [woz] it hwig Asa de cíp
had mad fer fer ov Baafa cíp ov 'Israel:
[and] 'Ismael de sun ov Netanja fild it wíð
[dem dat wer] slan.

10 Den 'Ismael carid awá captiv ol de rezidh
ov de pep'l dat [wer] in Mizpa, [ev'n] de
cípz deterz, and ol de pep'l dat remánd in
Mizpa, hum Nebuzqz-adan de capten ov
de gárd had comited tú Gedálja de sun ov
Ahjeam: and 'Ismael de sun ov Netanja
carid dem awá captiv, and departed tú go
over tú de Amunjs.

11 But hwen Johanan de sun ov Carea,
and ol de captenz ov de forsez dat [wer]
wíð him, herd ov ol de ev'l dat 'Ismael de
12 sun ov Netanja had dun, den da tue ol de
men, and went tú fjt wíð 'Ismael de sun ov
Netanja, and fsnd him bj de grat weterz
13 dat [qr] in Gibiun. Ns it cam tú pqs,
[dat] hwen ol de pep'l hwig [wer] wíð
'Ismael so Johanan de sun ov Carea, and
ol de captenz ov de forsez dat [wer] wíð
14 him, den da wer glad. So ol de pep'l dat
'Ismael had carid awá captiv from Mizpa
eqst abót and retúrnd, and went untú
15 Johanan de sun ov Carea. But 'Ismael de
sun ov Netanja escápt from Johanan wíð
at men, and went tú de Amunjs.

41 16 Æn tæc Jôhanan ðe sun ov Carea, and el ðe captenz ov ðe forsez ðat [wer] wid him, ol ðe remnant ov ðe pep'l hum he had recûverd from 'Ismael ðe sun ov Netanja, from Mizpa, æfter [ðat] he had slan Ged-olja ðe sun ov Ahicam, [ev'n] mîti men ov wer, and ðe wînen, and ðe gîldren, and ðe quæcs, hum he had brot agén from
 17 Gibiun: and ða departed, and dwelt in ðe habitafun ov Cinham, hwiç iz bi Bêtlehem,
 18 tu go tu enter intui 'Ëjipt, becóz ov ðe Caldeanz: for ða wer afrád ov dem, becóz 'Ismael ðe sun ov Netanja had slan Gedolja ðe sun ov Ahicam, hum ðe cinç ov Babilun mad gûverner in ðe land.

42 ÆN ol ðe captenz ov ðe forsez, and Jôhanan ðe sun ov Carea, and Jezanja ðe sun ov Hofaja, and ol ðe pep'l from ðe
 2 lest ev'n untui ðe gratest, cam ner, and sed untui Jeremja ðe profet, Let, we beség ðé, sr suplicafun he æcepted befór ðé, and pra for us untui ðe LÖRD ði God, [ev'n] for ol ðis remnant; (for we qr left [but] a fý ov

4 Æn Jeremja ðe profet sed untui ðem, F hav herd [u]; behóld, i wil pra untui ðe LÖRD qr God acording tu qr wurdz; and it fal cum tu pqs, [ðat] hwotsoéver tîj ðe LÖRD fal qnsr u, i wil declár [it] untui u; i wil cep nutîj bæc from u.

5 Æn ða sed tu Jeremja, Æ LÖRD be a tru and faful wîtnes betwén us, if we ðu not ev'n acording tu ol tîjz for ðe hwiç ðe

7 And it cam tu pqs æfter ten daz, ðat ðe wurd ov ðe LÖRD cam untui Jeremja.
 8 Æn eold he Jôhanan ðe sun ov Carea, and ol ðe captenz ov ðe forsez hwiç [wer] wid him, and ol ðe pep'l from ðe lest ev'n tu ðe

10 If ye wil stil abîd in ðis land, ðen wil i bild u, and not pul [u] dsn, and i wil plânt u, and not pluc [u] up: for i repént me ov ðe ev'l ðat i hav ðun untui

11 Be not afrád ov ðe cinç ov Babilun, [u] ov hum ye qr afrád; be not afrád ov him, set ðe LÖRD: for i [am] wid u tu sav u, and tu deliver u from hiz hand.

12 And i wil fo mersiz untui u, ðat he ma hav mersi upón u, and coz u tu retúrn tu qr on land.

13 But if ye sa,

33 AGEN de wurd ov de LORD cam untu me, saig, (2) Sun ov man, spec tuu de gildren ov di pep'l, and sa untu dem,
 Hwen i bring de sord upon a land, if de pep'l ov de land tac a man ov dar costs, and set him for dar woqman:
 3 if hwen he set de sord cum upon de land, he blo de trumpet, and wern de pep'l;

 but dat de wiced turn from hiz wa and liv: turn ye, turn ye from yr ev'l waz;
 for i hwi wil ye di, o hss ov 'Izrael.
 12 Darfor, ds sun ov man, sa untu de gildren ov di pep'l,
 De rityusnes ov de rityus fal not deliver him in de da ov hiz transgrejun:
 az for de wicednes ov de wiced, he fal not fol darbi

ol hiȳ riȳusnes fal not be remémberd;

but fer hiȳ inewiti dat he hat comited, he fal diȳ fer it.

4 Agén, hwen i sa untuu de wiced, [is] falt ſurli diȳ;

if he turn from hiȳ ſin, and duu dát hwiȳ iz leſul and riȳ;

3 Den went he inward, and mezurd de post ov de dör, tú cubits; and de dör, sies cubits; and de bredt ov de dör, sev'n cubits.

4 So he mezurd de leyt daróf, twenti cubits; and de bredt, twenti cubits, befór de temp'l: and he sed untu me, dis [iz] de most holi [plas].

5 After he mezurd de wol ov de hss, sies cubits; and de bredt ov [everi] sjd gamber, for cubits, rsnd abót de hss on everi sjd.

6 And de sjd gamberz [wer] tre, wun over anúder, and tertí in order; and da enterd intui de wol hwig [woz] ov de hss for de sjd gamberz rsnd abót, dat da mjt hav hold, but da had not hold in de wol ov de hss.

41 hundred cubits long; (14) also de bredt ov de fas ov de hss, and ov de seperet plas tord de est, an hundred cubits.

15 And he mezurd de leyt ov de bildij over agénst de seperet plas hwig [woz] behind it, and de galeriz daróf on de wun sjd and on de uder sjd, an hundred cubits, wid de

6 For da [wer] in tre [storiz], but had not pilerz az de pilerz ov de corts: darfor [de bildij] woz strat'nd mor dan de loest and de mid'møst from de grsnd.

7 And de wol dat [woz] widst over agénst de gamberz, tord de uter cort on de forpart

42 ov de gamberz, de lejt daróf [woz] fifti cubits. (s) Før de lejt ov de gamberz dat [wer] in de utercort [woz] fifti cubits: and, lo, befór de temp'l [wer] an hundred cubits.

9 And from under dez gamberz [woz] de entri on de est sjd, az wun goet intui dem from de uter cort. De gamberz [wer] in de tines ov de wel ov de cort tord de est, over agénst de seperet plas, and over agénst de bildij. DE BUC OV DANYEL.

1 IN de terd yer ov de ran ov Jehoaaim ein ov Juda cam Nebucadnézer ein ov Babilun untu Jeruzalem, and beséjd it. 2 And de LORD gav Jehoaaim ein ov Juda intui hiz hand, wid pprt ov de veselz ov de hss ov God; hwiġ he carid intui de land ov Synqr tu de hss ov hiz god; and he brét de veselz intui de trezur hss ov hiz god. 3 And de ein spac untu Aspenaz de mqster ov hiz unnes dat he sud brin [serten] ov de gildren ov Izrael, and ov de einz sed, and 4 ov de prinsez; gildren in hum [woz] nò blemis, but wel favurd, and scilful in el wizdum, and cunin in nolej, and understándin sjens, and sug az [had] abiliti in dem tu stand in de einz pales, and hum 5 da mjt teg de lernin and de tuj ov de Caldeanz. And de ein aponted dem a dali provizon ov de einz met, and ov de wjn hwiġ he drage: so nûrisin dem tre yerz, dat at de end daróf da mjt stand befór de 6 ein. Ns amúg dez wer ov de cildren ov Juda, Danyel, Hananja, Mijael and Azarja: untui hum de prins ov de unnes gav namz: for he gav untui Danyel [de nam] ov Beltesázar; and tu Hananja, ov Sadrac; and tu Mijael, ov Mesac; and tu Azarja, ov Abednego. 8 But Danyel purpust in hiz hqrt dat he wad not dejsil himsélf wid de porfun ov de einz met, nor wid de wjn hwiġ he drage: darfor he recwésted ov de prins ov de unnes 9 dat he mjt not dejsil himsélf. Ns God had brét Danyel intui favur and tender luv wid 10 de prins ov de unnes. And de prins ov de unnes sed untui Danyel, F fer mġ lerd de ein, hui hat aponted up met and up drige: for hwiġ sud he se up fasez wurs lġin dan 11 de gildren hwiġ [ar] ov up sort; den sal ye mae [me] endanjer mġ hed tu de ein. Den sed Danyel tu Melzqr, hum de prins ov de unnes had set over Danyel, Hananja, 12 Mijael, and Azarja, Pruv dġ servants, i beség dé, ten daz; and let dem giv us puls 13 tu et, and weter tu drige. Den let sr cñtenansez be luct upón befór dé, and de esntenans ov de gildren dat et ov de porfun 14 ov de einz met: and az ds seest, del wid dġ servants. So he consented tu dem in dis 15 mater, and pruvd dem ten daz. And at de end ov ten daz dar cñtenansez upérd

1 farer and fater in fles dan el de gildren hwiġ did et de porfun ov de einz met. 16 Den Melzqr tue awá de porfun ov dar met, and de wjn dat da sud drige; and gav dem puls. 17 Az for dez for gildren, God gav dem nolej and seil in el lernin and wizdum; and Danyel had understándin in el vizunz 18 and dremz. Ns at de end ov de daz dat de ein had sed he sud brin dem in, den de prins ov de unnes brét dem in befór Nebucadnézer. And de ein comúnd wid dem; and amúg dem el woz fsnd nun lġe Danyel, Hananja, Mijael, and Azarja: darfor stud 20 da befór de ein. And in el materz ov wizdum [and] understándin, dat de ein inewjrd ov dem, he fsnd dem ten tġmz beter dan el de majisanz [and] astrolojerz dat [wer] 21 in el hiz relm. And Danyel continyd [ev'n] untui de fers yer ov ein Sġrus. 2 AND in de secund yer ov de ran ov Nebucadnézer, Nebucadnézer dremt dremz, hwarwít hiz spirit woz trub'ld, and hiz 2 slep brac from him. Den de ein comúnded tu cel de majisanz, and de astrolojerz, and de sersererz, and de Caldeanz, for tu so de ein hiz dremz. So da cam and stud befór de ein. 3 And de ein sed untui dem, F hav dremt a drem, and mġ spirit woz trub'ld tu nò de 4 drem. Den spac de Caldeanz tu de ein in Siriac, O ein, liv for ever: tel dġ servants de drem, and we wil so de interpretafun. 5 De ein qnsrd and sed tu de Caldeanz, de tġj iz gon from me: if ye wil not mae non untui me de drem, wið de interpretafun daróf, ye sal be cut in pesez, and up hsez 6 sal be mad a dughil. But if ye so de drem, and de interpretafun daróf, ye sal resév ov me gifts and rewérdz and grat onur: darfor so me de drem, and de interpretafun daróf. 7 Na qnsrd agén and sed, Let de ein tel hiz servants de drem, and we wil so de interpretafun ov it. 8 De ein qnsrd and sed, F nò ov serteniti dat ye wud gan de tġm, becóz ye se de tġj 9 iz gon from me. But if ye wil not mae non untui me de drem, [dar iz but] wun decré for u: for ye hav prepárd lġin and corúpt wurdz tu spee befór me, til de tġm be ganjd: darfor tel me de drem, and i sal nò dat ye

can so me de interpretafun daróf. (10) ðe Caldeanz qnserd befór de ein, and sed, ðar iz not a man upón ðe ert dat can so de einz mater: ðarfor [ðar iz] nō ein, lord, nor ruler, [dat] qset sug tinz at eni mojisfan, or astrolojer, or Caldean. And [it iz] a rar tinj dat de einz reewjret, and ðar iz nur uder dat can so it befór de ein, eesépt de godz, huwz dwelin iz not wid fleš.

Fer ðis coz de einz woz angri and veri furius, and comqnded twu destró el de wjz [men] ov Babilun. And de decré went fort dat de wjz [men] šud be slan; and ða set Danyel and hiz feloz twu be slan.

Æn Danyel qnserd wid cnsel and wizdum twu Arioc de capten ov de einz gard, hwic woz gen fort twu sla ðe wjz [men] ov Babilun: he qnserd and sed twu Arioc de einz capten, & Hwī [iz] de decré [so] hasti from de ein. ðen Arioc mad ðe tinj non twu Danyel. ðen Danyel went in, and dežrd ov de ein dat he wud giv him tinj, and dat he wud so de ein de interpretafun. ðen Danyel went twu hiz hss, and mad ðe tinj non twu Hananja, Mīšael, and Azarija, hiz companyunz: dat ða wud dežr mersiz ov de God ov hev'n consérnin ðis seeret; dat Danyel and hiz feloz šud not perif wid ðe rest ov de wjz [men] ov Babilun.

Æn woz de seeret revéld untu Danyel in a njt vizun. ðen Danyel blest de God ov hev'n. Danyel qnserd and sed,

Blesd be ðe nam ov God fer ever and ever: fer wizdum and mjt qr hiz; and he canjet ðe tinz and de sez'nz: he remuwet einz, and setet up einz: he givet wizdum untu de wjz, and nolej twu dém dat nō understāding: he revelet ðe dep and seeret tinz: he noet hwot [iz] in ðe dqrnes, and ðe ljt dwelet wid him. & tane dé, and praz dé, o ðs God ov mī fqlerz, huw hast giv'n me wizdum and mjt, and hast mad non untu me nš hwot we dežrd ov dé: fer ðs hast [nš] mad non untu us ðe einz mater.

ðarfor Danyel went in untu Arioc, hum de ein had ordánd twu destró ðe wjz [men] ov Babilun: he went and sed dus untu him; Destró not ðe wjz [men] ov Babilun: brij me in befór de ein, and i wil so untu ðe ein de interpretafun. ðen Arioc brēt in Danyel befór de ein in hast, and sed dus untu him, & hav fnd a man ov ðe captivz ov Jyda, dat wil mac non untu ðe ein ðe interpretafun. ðe ein qnserd and sed twu Danyel, huwz nam [woz] Beltesázer, & Art ðs ab'l twu mac non untu me ðe drem hwic i hav sen, and ðe interpretafun daróf.

Danyel qnserd in ðe prezens ov de ein, and sed, ðe seeret hwic ðe ein hat demqnded canot ðe wjz [men], ðe astrolojerz, ðe mojisfan, ðe sūtsaerz, so untu de ein; .but ðar iz a God in hev'n dat revelet secrets, and maeet non twu ðe ein Nebqadnézer

 31 de eīn ov de Caldeanz slān. And Darius de

Median tac de cindum, [bein] abst trescor and tui yerz old.

6 IT plezd Darius tu set over de cindum an hundred and twenti prinsez, hwiç fud be over de hol cindum; and over dez tre prezidents; ov hum Danyel [woz] ferst: dat de prinsez miç giv acõnts untu dem, and de ciç fud hav nò damej. Æen dis Danyel woz preférð abúv de prezidents and prinsez, becòz an eceslent spirit [woz] in him; and de ciç tot tu set him over de hol relm.

4 Æen de prezidents and prinsez sot tu fiñd ocazum agénst Danyel consérniç de cindum; but da ead fiñd nun ocazum nør folt; forazinúç az he [woz] fatful, neder woz dar eni erur or folt fñsd in him. Æen sed dez men, We sal not fiñd eni ocazum agénst ðis Danyel, cesépt we fiñd [it] agénst him consérniç de lo ov hiz God.

6 Æen dez prezidents and prinsez asémb'ld tugéder tu de ciç, and sed ds untu him, 7 Ciç Darius, liv for ever. Ol de prezidents ov de cindum, de guvernerz, and de prinsez, de esnsclerz, and de captenz, hav consúlted tugéder tu estáblis a roal statút, and tu mae a ferm deeré, dat huscòver sal qse a petifum ov eni god or man for terti daz, sav ov dé, o ciç, he sal be eqst intui de den ov 8 ljunz. Ns, o ciç, estáblis de deeré, and sijn de riçtig, dat it be not ganjd, acordij tu de lo ov de Medz and Perjanz, hwiç olteret 9 not. Hwarfor ciç Darius sijn de riçtig and de deeré.

10 Ns hwen Danyel nu dat de riçtig woz sijn, he went intui hiz hys; and hiz windoz bein op'n in hiz çamber tord Jeruzalem, he nelt upón hiz nez tre tijnz adá, and prad, and gav tages befór hiz God, az he did afortijn.

11 Æen dez men asémb'ld, and fñsd Danyel praign and maeiç suplicaçun befór hiz God.

12 Æen da cam ner, and spae befór de ciç consérniç de ciçz deeré; 7 Hast ds not sijn a deeré, dat everi man dat sal qse [a petifum] ov eni God or man wiðin terti daz, sav ov dé, o ciç, sal be eqst intui de den ov ljunz. Æe ciç qnsrd and sed, Æe tiç [iz] tru, acordij tu de lo ov de Medz and Perjanz,

13 hwiç olteret not. Æen qnsrd da and sed befór de ciç, Æat Danyel, hwiç [iz] ov de çildren ov de captiviti ov Jyda, regarðet not dé, o ciç, ner de deeré dat ds hast sijn, but maeet hiz petifun tre tijnz adá.

14 Æen de ciç, hwen he herd [dez] wurdz, woz sor displézd wið himsélf, and set [hiz] hqrt on Danyel tu deliver him: and he laburd til de goiç dsu ov de sun tu deliver him.

15 Æen dez men asémb'ld untu de ciç, and sed untu de ciç, No, o ciç, dat de lo ov de Medz and Perjanz [iz], Æat nò deeré nør statút hwiç de ciç estábliset ma be ganjd.

16 Æen de ciç comqded, and Æa brot Danyel, and eqst [him] intui de den ov ljunz. [Ns] de ciç spae and sed untu Danyel, Ai God hum ds servest continuali, he wil deliver

6 dé. (17) And a ston woz brot, and lad upón de mst ov de den; and de ciç seld it wid hiz on signet, and wid de signet ov hiz lordz; dat de purpus miç not be ganjd consérniç Danyel. Æen de ciç went tu hiz pales, and pqt de niç fastiç: neder wer instruments ov muzie brot befór him: and hiz slep went from him.

19 Æen de ciç aróz veri erli in de morniç, and went in hast untu de den ov ljunz.

20 And hwen he cam tu de den, he crið wid a lámentabl vòs untu Danyel: [and] de ciç spae and sed tu Danyel, O Danyel, servat ov de liviç God, 7 iz ði God, hum ds servest continuali, ab'l tu deliver dé

21 from de ljunz. Æen sed Danyel untu de

22 ciç, O ciç liv for ever. Mi God hat sent hiz anjel, and hat fut de ljunz mysdz, dat Æa hav not hurt me: forazmúç az befór him inosensi woz fñsd in me; and also

23 befór dé, o ciç, hav i dun no hurt. Æen de ciç woz cesedij glad for him, and comqded dat Æa fud tac Danyel up st ov de den. So Danyel woz tac'n up st ov de den, and nò maner ov hurt woz fñsd upón him, becòz he belévd in hiz God.

24 And de ciç comqded, and Æa brot doz men hwiç had acúçd Danyel, and Æa eqst [dem] intui de den ov ljunz, dem, dar çildren, and dar wjvz; and de ljunz had de mqsteri ov dem, and brae ol dar bonz in pesez or ever Æa cam at de botum ov de den.

25 Æen ciç Darius rot untu ol pep'l, najunz, and langwejez, dat dwel in ol de ert; Pes

28 So dis Danyel prosperd in de ran ov Darius, and in de ran ov Sirus de Perjan.

7 IN de ferst yer ov Belsázér ciç ov Babilun Danyel had a drem and viçunz ov hiz hed upón hiz bed: Æen he rot de drem, [and] told de sun ov de materz.

2 Danyel spae and sed, 7 so in mi viçun bi niç, and, behóld, de for windz ov de hev'n 3 strov upón de grat se. And for grat bests cam up from de se, divers wun from anúder.

4 Æe ferst [woz] lie a ljun, and had eg'lz wiçz: i behóld til de wiçz daróf wer pluet, and it woz lifted up from de ert, and mad stand upón de fet az a man, and a manz

6 After dis i behóld, and lo, anúder, lie a leperd, hwiç had upón de bæc ov it for wiçz ov a fsl; de best had also for hedz; and do-

7 de nîz vizunz, and, behôld, a fôrt best, dreful and terib'l, and strop eesedîgli; and it had grat jurn tet: it devêrd and brac in pesez, and stampt de rezidû wid de fet ov it: and it [woz] divers from ol de bests dat [wer] befôr it; and it had ten
8 hornz. I considerd de hornz, and, behôld, dar cam up amûd dem anûder lit'l horn, befôr hum dar wer tre ov de fêrst hornz pluçt up bj de ruuts; and, behôld, in dis horn [wer] iz lîc de iz ov man, and a mst specin grat tînz.
9 I behôld til de tronz wer eqst dsn, and de Ansent ov daz did sit, huiz garment [woz] hwît az sno, and de har ov hiz hed lîc de pur wul: hiz tron [woz lîc] de fjri
10 flam, [and] hiz hwelz [az] burnîj fjr. A fjri strein îfud and cam fôrt from befôr him: tszend tszendz ministerd untu him, and ten tszend tînz ten tszend stad befôr him: de jujment woz set, and de bues wer
11 op'nd. I behôld den becôz ov de vos ov de grat wurdz hwîc de horn spac: i behôld [ev'n] til de best woz slan, and hiz bodi
12 destrôd, and giv'n tu de burnîj flam. Az consêrnîj de rest ov de bests, da had dar dominyun tac'n awá: yet dar lîvz wer prôlôjd for a sez'n and tîm.
13 I so in de nîz vizunz, and, behôld, [wun] lîc de Sun ov man cam wîd de elsdz ov hev'n, and cam tu de Ansent ov daz, and
14 da brôt him ner befôr him. And dar woz giv'n him dominyun, and glôri, and a cîjdum, dat ol pep'l, nasunz, and langwejez, sud serv him: hiz dominyun [iz] an everlqstîj dominyun, hwîc sal not pqz awá, and hiz cîjdum [dat] hwîc sal not be destrôd.
15 I Danyel woz grevd in mj spirit in de midst ov [mj] bodi, and de vizunz ov mj
16 hed trub'ld me. I cam ner untu wun ov dém dat stud bj, and qset him de trut ov el dis. So he told me, and mad me no de

19 Den i wud no de trut ov de fôrt best, hwîc woz divers from ol de uderz, eesedîj dreful, huiz tet [wer ov] jurn, and hiz nalz [ov] brqs; [hwîc] devêrd, brac in pesez, and stampt de rezidû wid hiz fet;
20 and ov de ten hornz dat [wer] in hiz hed, and [ov] de uder hwîc cam up, and befôr hum tre fel; ev'n [ov] dat horn dat had iz, and a mst dat spac veri grat tînz, huiz

22 and prevâld agênst dem; untîl de Ansent ov daz cam, and jujment woz giv'n tu de sants ov de Most Hîj; and de tîm cam dat
23 de sants pozést de cîjdum. Ius he sed, De fôrt best sal be de fôrt cîjdum upôn ert, hwîc sal be divers from ol cîjdumz, and sal devêr de hol ert, and sal tred it dsn, and
24 brace it in pesez. And de ten hornz st ov dis cîjdum [qr] ten cîpz [dat] sal arîz: and anûder sal rîz qfter dem; and he [sal

26 ov tîm. But de jujment sal sit, and da sal tac awá hiz dominyun, tu consûm and tu
27 destrô [it] untu de end. And de cîjdum and dominyun, and de gratnes ov de cîjdum under de hol hev'n, sal be giv'n tu de pep'l ov de sants ov de Most Hîj, huiz cîjdum [iz] an everlqstîj cîjdum, and ol dominyunz sal serv and obá him.
28 Hidertu [iz] de end ov de mater. Az for me Danyel, mj cojitasunz mug trub'ld me, and mj esatenans çanjîd in buis: but i cept de mater in mj hqrt.

8 IN de terd yer ov de ran ov cîj Bel-fázer a vizun apêrd untu me, [ev'n untu] me Danyel, qfter dat hwîc apêrd untu me at de fêrst.

2 And i so in a vizun; and it cam tu pqz, hwen i so, dat i [woz] at Surfan [in] de pales, hwîc [iz] in de provins ov Elam; and i so in a vizun, and i woz bj de river ov Ulaj.
3 Den i lifted up mjn iz, and so, and, behôld, dar stad befôr de river a ram hwîc had [tú] hornz: and de [tú] hornz [wer] hj; but wun [woz] hîer dan de uder, and de

5 And az i woz considerîj, behôld, an he got cam from de west on de fas ov de hol ert, and tuçt not de grsnd: and de got
6 [had] a notab'l horn betwén hiz iz. And he cam tu de ran dat had [tú] hornz, hwîc i had sen standîj befôr de river, and
7 ran untu him in de furi ov hiz pser. And i so him cum clos untu de ram, and he woz muvrd wîd coler agênst him, and smôt de ram, and brac hiz tú hornz: and dar woz no pser in de ram tu stand befôr him, but he eqst him dsn tu de grsnd, and stampt upôn him: and dar woz nun dat cud deliver de ram st ov hiz hand.
8 Darfor de he got waest veri grat: and hwen he woz strop, de grat horn woz broc'n; and for it cam up for notab'l

11 dem. Ya, he magnîfîd [himsêlf] ev'n tu de prins ov de host, and bj him de dali [sacrîfîz] woz tac'n awá, and de plas ov hiz
12 sâqetçeri woz eqst dsn. And an host woz giv'n [him] agênst de dali [sacrîfîz] bj rez'n ov transgrefun, and it eqst dsn de trut tu de grsnd; and it practist, and

prosperd. (13) Æn i herd wun sant specij, and anúder sant sed untu dát sorten [sant] hwig spac, ⁊ Hs loŋ [fal be] de vizun [consérnig] de dali [sacrifz], and de transgrefun ov desolafun, tu giv bot de sánetŋeri and de host tu be trod'n under fúat. And he sed untu me, Untu tú tszend and tre hundred daz; den fal de sánetŋeri be clenzd.

And it cam tu pqs, hwen i, [(ev'n] i Danyel) had sen de vizun, and set fer de menig, den, behóld, dar stad befór me az de operans ov a man. And i herd a manz vos betwén [de bages ov] 'Ula, hwig celd, and sed, Gabriel, mac dis [man] tu understánd de vizun. So he cam ner hwar i stad: and liwen he cam, i woz afrád, and fel upón mī fas; but he sed untu me, Understánd, o sun ov man: fer at de tīm ov de end [fal be] de vizun. Ns az he woz specij wid me, i woz in a dep slep on mī fas tord de grsúd: but he tuŋt me, and set me uprjt. And he sed, Behóld, i wil mac dé nō hwot fal be in de lqst end ov de indignafun: fer at de tīm aponted de end [fal be].

De ram hwig ds soest havin [tú] hernz [qr] de einz ov Media and Persa. And de ruf got [iz] de einz ov Gresia; and de grat horn dat [iz] betwén hiz iz [iz] de ferst einz. Ns dát bein broe'n, hwarós fer stad up fer it, for einjundz fal stand up st ov de nafun, but not in hiz psér. And in de later tīm ov dar einjund, hwen de transgrésér qr cum tu de ful, a einz ov fers cntenans, and understándin dpre sentenze, fal stand up. And hiz psér fal be mjt, but not bi hiz on psér: and he fal destró wúnderfúli, and fal prosper, and practis, and fal destró de mjt and de holi pep'l. And tru hiz polisi also he fal eoz craft tu prosper in hiz hand; and he fal magnifj [himsélf] in hiz hqrt, and bi pes fal destró meni: he fal also stand up agénst de Prins ov prinsez; but he fal be broe'n widst hand. And de vizun ov de evnig and de mernig hwig woz told [iz] tru: hwarfor fut ds up de vizun; fer it [fal be] fer meni daz.

And i Danyel fanted, and woz sie [ser-ten] daz; qfterwerd i roz up, and did de einz biznes; and i woz astónijt at de vizun, but nun understúad [it].

IN de ferst yer ov Darjus de sun ov Ahazqerus, ov de sed ov de Medz, hwig woz mad einz over de relm ov de Caldeanz; in de ferst yer ov hiz ran, i Danyel understúad bi bucs de number ov de yérz, hwaróf de wurd ov de Lord cam tu Jeremja de profet, dat he wud acómplis sev'nti yerz in de desolafun ov Jeruzalem.

And i set mī fas untu de Lord God, tu sec bi prar and suplicafunz, wid fástin, and saeclet, and afez: and i prad untu de Lord mī God, and mad mī confesun, and sed, O Lord, de grat and dredful God, eepin de cuvenant and mersi tu déu dat

- 20 ðen ſed he, Nœſt ðs hwarfor i cum untu ðé; and nſ wil i retárn tu fîþ wið ðe prins ov Perſa: and hwen i am gon fœrt,
21 lo, ðe prins ov Greſia ſal cum. But i wil ſo ðé dát hwiþ iz noted in ðe ſcriptur ov truít: and [ðar iz] nun dat holdet wið me in ðez tîþz, but Mîcel qr prins.
- 11 Olſo i in ðe feſt yer ov Darîus ðe Med, [ev'n] i ſtud tu conférme and tu ſtreþt'n him.

- 3 And a mîti eîþ ſal ſtand up, dat ſal rul wið grat domînyun, and ðu acórdîþ tu hiz wil.
- 4 And hwen he ſal ſtand up, hiz eîþdum ſal be broe'n, and ſal be ðivîd tord ðe for wîndz ov hev'n; and not tu hiz poſterítî, nor acórdîþ tu hiz domînyun hwiþ he ruld: for hiz eîþdum ſal be pluet up, ev'n for nderz beſîð ðoð.
- 5 And ðe eîþ ov ðe ſſt ſal be ſtrog, and [wun] ov hiz prinſez; and he ſal be ſtrog abúv him, and hav domînyun; hiz domînyun [ſal be] a grat domînyun. And in ðe end ov yerz ða ſal jon demſelvz tu géder; for ðe eîþz ðoter ov ðe ſſt ſal cum tu ðe eîþ ov ðe nœrt tu mac an agrement: but ſe ſal not retán ðe pſer ov ðe qrm; neder ſal he ſtand, nor hiz qrm: but ſe ſal be giv'n up, and dá ðat brot her, and

11 hé dat begát her, and hé dat strept'nd her in [dez] tíjmz.

7 But st ov a brqnc ov her ruuts fal [wun] stand up in hiz estát, hwiq fal cum wid an qrmí, and fal enter intú de fortres ov de eij ov de nort, and fal del agénst dem, and

9 ov de nort. So de eij ov de sst fal cum intú [hiz] eijdum, and fal retúrn intú hiz on land.

10 But hiz sunz fal be sterd up, and fal asémb'l a multitú ov grat forse: and [wun] fal sertenli cum, and overfló, and pqs trui: den fal he retúrn, and be sterd
11 up, [ev'n] tu hiz fortres. And de eij ov de sst fal be muivd wid coler, and fal cum fort and fjt wid him, [ev'n] wid de eij ov de nort: and he fal set fort a grat multitú; but de multitú fal be giv'n intú
12 hiz hand. [And] hwen he hat tac'n awá de multitú, hiz hqrt fal be lifted up; and he fal eqst dsn [meni] ten tszendz: but he
13 fal not be strept'nd [bj it]. For de eij ov de nort fal retúrn, and fal set fort a multitú grater dan de former, and fal sertenli cum qfter serten yerz wid a grat qrmí and wid muq rize.

14 And in doz tíjmz dar fal meni stand up agénst de eij ov de sst: also de roberz ov dñ pep'l fal egzólt demselvz tu estáblif de

16 [fal dar be eni] strejt tu wistánd. But hé dat cumet agénst him fal du acórdij tu hiz on wíl, and nun fal stand befór him: and he fal stand in de glórius land, hwiq bj hiz hand fal be consúmd.

17 He fal also set hiz fas tu enter wid de strejt ov hiz hol eijdum, and uprjt wunz wid him; dus fal he du: and he fal giv him de doter ov wimen, corúptij her: but
18 se fal not stand [on hiz sjd], neder be for him. After dis fal he turn hiz fas untú de jlz, and fal tac meni: but a prins for hiz

21 Ten fal stand up in hiz estát a razer ov taseez [in] de glóri ov de eijdum: but widín fú daz he fal be destród, neder in ager, nor in bat'l.

22 And in doz estát fal stand up a vjl per sun, tu hum da fal not giv de onur ov de eijdum: but he fal cum in pesabli, and
23 obtán de eijdum bj flateriz. And wid de qrmz ov a flud fal da be overflón from befór him, and fal be broe'n; ya, also de
24 prins ov de cuvenant. And qfter de leg [mad] wid him he fal wure desettali: for he fal cum up, and fal becúm stroj wid a
25 smol pep'l. He fal enter pesabli ev'n upón

11 de fatest plasez ov de provins; and he fal du [dat] hwiq hiz fqderz hav not dun, nor hiz fqderz fqderz; he fal seater amúq dem de pra, and spol, and rize; [ya,] and he fal foreqst hiz devizez agénst
25 de stroj holdz, ev'n for a tíjm. And he fal ster up hiz pser and hiz curej agénst de eij ov de sst wid a grat qrmí; and de eij ov de sst fal be sterd up tu bat'l wid a veri grat and mjtí qrmí; but he fal not stand:
26 for da fal foreqst devizez agénst him. Ya, dá dat fed ov de porfun ov hiz met fal destró him, and hiz qrmí fal overfló: and
27 meni fal fol dsn slan. And bot dez eijz hqrts [fal be] tu du misgef, and da fal spee liz at wun tab'l; but it fal not prosper: for yet de end [fal be] at de tíjm aponted.
28 Ten fal he retúrn intú hiz land wid grat rize; and hiz hqrt [fal be] agénst de holi cuvenant; and he fal du [eesplóts], and retúrn tu hiz on land.

29 At de tíjm aponted he fal retúrn, and cum tord de sst; but it fal not be az de
30 former, er az de later. For de fips ov Citim fal cum agénst him: darfor he fal be grevd, and retúrn, and hav indignafun agénst de holi cuvenant: so fal he du; he
31 fal ev'n retúrn, and hav inteliens wid dñm dat forsác de holi cuvenant. And qrmz fal stand on hiz part, and da fal polqt de sánetijeri ov strejt, and fal tac awá de dali [sacrifjz], and da fal plas de abominafun
32 dat mact désolet. And suq az du wicedli agénst de cuvenant fal he corápt bj flateriz: but de pep'l dat du no dar God fal be
33 stroj, and du [eesplóts]. And dá dat understánd amúq de pep'l fal instríct meni: yet da fal fol bj de sord, and bj flam, bj captiviti, and bj spol, [meni] daz.
34 Ns hwen da fal fol, da fal be holp'n wid a lit'l help: but meni fal elev tu dem wid

36 And de eij fal du acórdij tu hiz wíl; and he fal egzólt himsélf, and magnifj himsélf abúv everi god, and fal spee marvelus tínz agénst de God ov godz, and fal prosper til de indignafun be acómplift: for
37 dát dat iz detérmind fal be dun. Neder fal he regárd de God ov hiz fqderz, nor de dezjr ov wimen, nor regárd eni god: for he
38 fal magnifj himsélf abúv ol. But in hiz estát fal he onur de god ov forse: and a god hum hiz fqderz nu not fal he onur wid gold, and silver, and wid presus stonz, and plezant tínz. Dus fal he du in de
39 most stroj holdz wid a stranj god, hum he fal aenólej [and] inerés wid glóri: and he fal coz dem tu rul over meni, and fal divjd de land for gan.

40 And at de tíjm ov de end fal de eij ov de sst puf at him: and de eij ov de nort fal cum agénst him lje a hwerlwind, wid qariuts, and wid hersmen, and wid meni fips; and he fal enter intú de cuntriz, and fal

 42 He sal streġ fort hiz hand also upón de

 43 But he sal hav pser över de trezurz ov

- 12 And at dát tijn sal Mjeel stand up,

- 8 And i herd, but i understúad not: Æn
 sed i, O mi Lord, hwot [sal be] de end ov

 for de wurdz [qr] elozd up and seld til de

1 **N**S de wurd ov de LORD cam untu Jona de sun ov Amítaj, saij, (2) Aríj, go tu Nineva, dát grat siti, and erj agénst it; for 3 dar wicednes iz cum up befór me. But Jona roz up tu fle untu Tqríj from de prezens ov de LORD, and went dsu tu Jopa; and he fsnd a sip goij tu Tqríj: so he pad de far daróf, and went dsu intui it, tu go wid dem untu Tqríj from de prezens ov de LORD.

4 But de LORD sent st a grat wind intui de se, and dar woz a miji tempest in de se, so 5 dat de sip woz lje tu be broc'n. Æen de marinerz wer afrád, and erjd everi man untu hiz god, and eqst fót de warz dat [wer] in de sip intui de se, tu ljt'n [it] ov dem. But Jona woz gon dsu intui de sjdz ov de sip; and he la, and woz fqt aslép.

6 So de sip-mqster cam tu him, and sed untu him, †Hwot menest ds, o sleper; aríj, cel upón dj God, if so be dat God wil 7 tñc upón us, dat we perif not. And da sed everi wun tu hiz felo, Cum, and let us eqst lots, dat we ma no for huuz eoz dis ev'l [iz] upón us. So da eqst lots, and de lot fel upón Jona.

8 Æen sed da untu him, Tel us, we pra dé, for huuz eoz dis ev'l [iz] upón us: †Hwot [iz] djn occupafun, and †hwens eumest ds; †hwot [iz] dj euntri, and †ov hwot pep'l 9 [qrt] ds. And he sed untu dem, †[am] an Hebræu; and i fer de LORD, de God ov hev'n, hwiç hat mad de se and de dri [land].

10 Æen wer de men cesedijli afrád, and sed untu him, †Hwi hast ds dun dis. For de men nq dat he fled from de prezens ov de

11 LORD, becóz he had told dem. Æen sed da untu him, †Hwot fal we du untu dé, dat de se ma be eqm untu us; for de se rot,

12 and woz tempestus. And he sed untu dem, Tac me up, and eqst me fót intui de se; so fal de se be eqm untu u; for i no dat for mij sac dis grat tempest [iz] upón u.

13 Neverdelés de men rod hqd tu brñ [it] tu de land; but da ead not: for de se rot,

16 Æen de men ferd de LORD cesedijli; and oferd a sacrificz untu de LORD, and mad vsz.

17 **N**S de LORD had prepárd a grat fif tu swolo up Jona. And Jona woz in de beli

st ov de beli ov hel erjd i, [and] ds herdest mij vos.

3 For ds hadst eqst me intui de dep, in de midst ov de sez;

and de fludz cumpast me abót: ol dj biloz and dj wavz pqst over me.

4 Æen i sed, †an eqst st ov dj sjt; yet i wil lue agén tord dj holi temp'l.

6 †Went dsu tu de botumz ov de msntenz; de erf wid her bqz [woz] abót me for ever: yet hast ds brot up mij lif from corrupfun,

o LORD mij God.

7 Hwen mij sol fanted widín me i remémberd de LORD:

and mij prar cam in untu dé, intui djn holi temp'l.

8 Já dat obzérv lñj vanitiz forsác dar on mersi.

9 But i wil sacrificz untu dé wid de vos ov tagesgiviñ;

i wil pa [dát] dat i hav vsd. Salvafun [iz] ov de LORD.

10 And de LORD spae untu de fif, and it vomited st Jona upón de dri [land].

3 **A**ND de wurd ov de LORD cam untu Jona de secund tñm, saij, (2) Aríj, go untu Nineva, dát grat siti, and preç untu

4 cesedij grat siti, ov tre daz jurni. And Jona begán tu enter intui de siti a daz jurni, and he erjd, and sed, Yet ferti daz, and Nineva fal be overtrón.

5 So de pep'l ov Nineva belévd God, and proclámd a fqt, and put on saeclof, from de gratest ov dem ev'n tu de lest ov dem.

6 For wurd cam untu de eij ov Nineva, and he aróz from hiz tron, and he lad hiz rob from him, and cuverd [him] wid saeclof,

8 but let man and best be cuverd wid saeclof, and erj mñtli untu God: ya, let dem turn everi wun from hiz ev'l wa, and from

9 de violens dat [iz] in dar handz. †Huá can tel [if] God wil turn and repént, and turn awá from hiz fers anger, dat we perif

10 not. And God so dar wures, dat da turnd from dar ev'l wa; and God repénted ov de ev'l, dat he had sed dat he wud du untu dem; and he did [it] not.

4 But it displézd Jona cessedigly, and he woz veri aggri. (2) And he prad untu de LÖRD, and sed, ¶ pra dé, o LÖRD, ¿ [woz] not dis mj sain, hwen i woz yet in mj euntri. THE GOSPEL ACCORDING TO S. MATTHEW.

THE buce ov de jenerafun ov Jezus Crist, de sun ov David, de sun ov Abraham.

And David de ciy begát Solomun ov hér [dat had ben de wif] ov Urjas; and Solomun begát Roboam; and Roboam begát Abja; and Abja begát Asa; and Asa begát Josafat; and Josafat begát Joram; and Joram begát Ozjas; and Ozjas begát Joatam; and Joatam begát Acaz; and Acaz begát Ezeccjas; and Ezeccjas begát Manásez; and Manásez begát Amon; and Amon begát Josjas; and Josjas begát Jecconjas and hiz bredren, abst de tijn da wer carid awá tu Babilun:

And after da wer brot tu Babilun, Jecconjas begát Salatiel; and Salatiel begát Zorobabel; and Zorobabel begát Abjud; and Abjud begát Eljacim; and Eljacim begát Azor; and Azor begát Sadoc; and Sadoc begát Acim; and Acim begát Eljud; and Eljud begát Eliazer; and Eliazer begát Matan; and Matan begát Jacob; and Jacob begát Jozef de huzbund ov Mari, ov huun woz bern Jezus, hu iz celd Crist. So ol de jenerafunz from Abraham tu David [qr] fortén jenerafunz; and from David until de cariij awá intui Babilun [qr] fortén jenerafunz; and from de cariij awá intui Babilun untui Crist [qr] fortén jenerafunz.

Ns de bert ov Jezus Crist woz on dis wiz: Hwen az hiz muder Mari woz espézd tu Jozef, befór da cam tugéder, fe woz ísynd wid gild ov de Holi Gost. Áen Jozef her huzbund, beij a just [man], and not wiliij tu mac her a public egzamp'l, woz mjnded tu put her awá privilí. But hwíl he tot on dez tinz, behóld, de anjel ov de Lord apérd untui him in a drem, saij, Jozef, ds sun ov David, fer not tu tac untui dé Mari díj wif: fer dát hwíg iz consévd in her iz ov de Holi Gost. And je fal briij fort a sun, and ds falt cel hiz nam JEZUS: fer he fal sav hiz pep'l from dar sinz. Ns ol dis woz dun, dát it mjt be fullfild hwíg woz spo'e'n ov de Lord bj de profet, saij, 'Behóld, a verjin fal be wid gild, and fal briij fort a sun, and da fal cel hiz nam Emanqel, hwíg beij interpreted iz, God wid us. Áen

1 Jozef beij razd from slep did az de anjel ov de Lord had bid'n him, and tue untui him hiz wif: and nu her not til fe had brot fort her fersbern sun: and he celd hiz nam JEZUS.

2 Ns hwen Jezus woz bern in Bétlehem ov Judea in de daz ov Herud de ciy, behóld, dar cam wiz men from de est tu Jeruzalem, saij, 'Hwar iz hé dat iz bern Ciij ov de Jyz; fer we hav sen hiz stqr in de est, and qr cum tu wurfip him. Hwen Herud de ciy had herd [dez tinz], he woz trub'ld, and ol Jeruzalem wid him. And hwen he had gaderd ol de cef prests and scrijz ov de pep'l tugéder, he demáded ov dem hwar Crist sud be born. And da sed untui him, In Bétlehem ov Judea: fer ds it iz rit'n bj de profet, 'And ds, Bétlehem, [in] de land ov Jyda, qrt not de lest amúj de prinscz ov Jyda: fer st ov dé fal cum a Guverner, dat fal rul mj pep'l 'Israel.

7 Áen Herud, hwen he had privilí celd de wiz men, inewírd ov dem díljentli hwot st tijn de stqr apérd. And he sent dem tu Bétlehem, and sed, Go and serc díljentli fer de yun gild; and hwen ye hav fnd [him], briij me wurd agén, dát i ma cum and wurfip him also. Hwen da had herd de ciy, da depqrd; and lo, de stqr, hwíg da so in de est, went beíór dem, til it cam and stud over hwar de yun gild woz. 10 Áen da so de stqr, da rejóst wid eesedij 11 grat jó. And hwen da wer cum intui de hss, da so de yun gild wid Mari hiz muder, and fel ds'n, and wurfip him: and hwen da had op'nd dar trezurz, da prezénted untui him gifts; gold, and frapcinsens, 12 and mer. And beij wornd ov God in a drem dat da sud not retúrn tu Herud, da depqrded intui dar on cuntri anúder wa.

13 And hwen da wer depqrded, behóld, de anjel ov de Lord aperet tu Jozef in a drem, saij, Aríz, and tac de yun gild and hiz muder, and fle intui Ejipt, and be ds dar until i briij dé wurd: fer Herud wil sec 14 de yun gild tu destró him. Hwen he aróz, he tac de yun gild and hiz muder bj njt, 15 and depqrded intui Ejipt: and woz dar until de det ov Herud: dát it mjt be fullfild hwíg woz spo'e'n ov de Lord bj de profet, saij, 'St ov Ejipt hav i celd mj sum. 16 Áen Herud, hwen he so dat he woz moct ov de wiz men, woz eesedij ret, and sent fort, and slú ol de gildren dat wer in Bétlehem, and in ol de castz daróf, from tú yezs old and under, acórdij tu de tijn hwíg he had díljentli inewírd ov de wiz 17 men. Áen woz fullfild dát hwíg woz spo'e'n 18 bj Jeremi de profet, saij, 'In Rama woz dar a vcs herd, lamentafun, and wepij,

2 and grat mornin, Rachel wepyn [for her] gildren, and wud not be cumfured, becōz ſhe q̄r not.

19 But hwen Herud woz ded, behōld, an anjel ov de Lord aperet in a drem tu Jozef
20 in Egipt, ſain, Ariz, and tae de yun gild and hiz muder, and go intue de land ov
21 Izrael: for dā q̄r ded hwiq̄ sot de yun gildz lif. And he arōz, and tae de yun
22 gild and hiz muder, and cam intue de land ov Izrael. But hwen he herd dat Areclaus
did ran in Judea in de ruun ov hiz fq̄der Herud, he woz afrād tu go dīder: notwid-
ſtānding, beiy wornd ov God in a drem, he
23 turnd aſjd intue de parts ov Gadile: and he cam and dwelt in a ſiti cōld Nazaret: dat it mjt be fullfid hwiq̄ woz ſpōe'n bj de Profets, He ſal be cōld a Nazare'n.

3 IN dōz daz cam Jon de Baptist, preçin in de wildernes ov Judea, (2) and ſain, Repēt ye: for de cindum ov hev'n iz at
3 hand. For dis iz hē dat woz ſpōe'n ov bj de profet Ezaas, ſain, De vōs ov wun erij in de wildernes, Prepār ye de wa ov de
4 Lord, mae hiz p̄q̄dz strat. And de ſam Jon had hiz rament ov camelz har, and a leðern gerd'l abst̄ hiz loſz; and hiz met woz locuſts and wīd hūn.

5 Æn went st̄ tu him Jeruſalem, and ol Judea, and ol de rejun rēnd abst̄ Jordan, and wer baptīzd ov him in Jordan, con-
7 fēſij dar ſinz. But hwen he ſo menī ov de farisez and ſadūgez cum tu hiz baptiz'm, he ſed untu dem, O jeneraſun ov vjperz, i hū hat wornd y tu fle from de rof tu
8 cum. Briy fort darfor fruts met for re-
9 pētens; and tije not tu ſa widin ūſelvz, We hav Abraham tu [sr] fq̄der; for i ſa untu y, dat God iz ab'l ov dez ſtonz tu
10 raz up gildren untu Abraham. And ns olso de aēs iz lad untu de rut ov de trez: darfor everi tre hwiq̄ brijet not fort gad
11 frut iz hūn dsn, and cōst intue de fjr. F indēd baptiz y wid woter untu repētens: but hē dat cumet q̄fter me iz mjt̄er dan i, hūz ſuiz i an not wurdī tu bar: he ſal baptiz y wid de Holi Goſt, and [wid] fjr: hūz fan [iz] in hiz hand, and he wil truūli purj hiz flōr, and gader hiz hwet intue de gārner; but he wil burn up de q̄q̄ wid ūwenq̄ab'l fjr.

13 Æn cumet Jezus from Galile tu Jordan untu Jon, tu be baptīzd ov him. But Jon forbād him, ſain, I hav ned tu be baptīzd
15 ov dē, and i cumet d̄s tu me. And Jezus q̄nserij ſed untu him, Sufer [it tu be so] ns: for d̄us it becūmē us tu fullfil ol
16 rjtyusnes. Æn he suferd him. And Jezus, hwen he woz baptīzd, went up stratwa st̄ ov de woter: and, lo, de hev'nz wer op'nd untu him, and he ſo de Spirit ov God deſēding lje a dūv, and ljtij upōn him:
17 and lo, a vōs from hev'n, ſain, Dis iz mī belōved Sun, in hūm i am wel plezd.

4. ÆN woz Jezus led up ov de Spirit intue de wildernes tu be temtēd ov de
2 dev'l. And hwen he had faſted forti daz and forti njs, he woz q̄fterwerd an hungerd.

4 (3) And hwen de temter cam tu him, he ſed, If d̄s be de Sun ov God, comēd dat dez ſtonz be mad bred. But he q̄nserd and ſed, It iz rit'n, Man ſal not liv bj bred alōn, but bj everi wurd dat proſedet st̄ ov de mxt ov God.

5 Æn de dev'l tacet him up intue de holi ſiti, and ſetet him on a pinac'l ov de
6 temp'l, and ſet untu him, If d̄s be de Sun ov God, cōst d̄ſelf d̄sn; for it iz rit'n, He ſal giv hiz anjelz q̄rj conſernij d̄s: and in [dar] handz dā ſal bar d̄s up, leſt at eni tīm d̄s dāſ d̄j ſut agēnt a ſton.
7 Jezus ſed untu him, It iz rit'n agēn, d̄s ſalt not temt de Lord d̄j God.

8 Agēn, de dev'l tacet him up intue an eceſedij h̄j m̄ntēn, and ſet him ol de cindumz ov de world, and de glori ov dem:
9 and ſet untu him, Ol dez tīgz wil i giv d̄s, if d̄s wilt fol d̄sn and wurſip me. Æn ſet Jezus untu him, Get d̄s hens, Satan: for it iz rit'n, d̄s ſalt wurſip de Lord d̄j God,
11 and hūn onli ſalt d̄s ſerv. Æn de dev'l levet him, and, behōld, anjelz cam and miniſter untu him.

12 N̄s hwen Jezus had herd dat Jon woz cōst intue priz'n, he departed intue Galile;
13 and levij Nazaret, he cam and dwelt in Capernaum, hwiq̄ iz upōn de ſe coſt, in de
14 berdej ov Zabuſun and Neſtālim: dat it mjt be fullfid hwiq̄ woz ſpōe'n bj Ezaas de
15 profet, ſain, d̄e land ov Zabuſun, and d̄e land ov Neſtālim, [bj] d̄e wa ov de ſe,
16 beyōnd Jordan, Galile ov de Jentīlz; d̄e pep'l hwiq̄ ſat in d̄q̄renes ſo grat ljt; and tu dēm hwiq̄ ſat in de rejun and ſado ov
17 det ljt iz ſpruy up. From dāt tīm Jezus begān tu preç, and tu ſa, Repēt: for de cindum ov hev'n iz at hand.

18 AND Jezus, wocij bj de ſe ov Galile, ſo tū bredren, Simun cōld Peter, and Andrm hiz bruder, cāſtij a net intue de ſe;
19 for da wer fiſerz. And he ſet untu dem, Folō me, and i wil mae y fiſerz ov men.
20 And da stratwa leſt [dar] nets, and folod
21 him. And goin ov from dens, he ſo uder tū bredren, Jamz [de sun] ov Zebede, and Jon hiz bruder, in a ſip wid Zebede dar fq̄der, mēndij dar nets; and he cōld dem.
22 And da inedyetli leſt de ſip and dar fq̄der, and folod him.

23 AND Jezus went abst̄ ol Galile, teçin in dar ſinagogz, and preçin de Gospel ov de cindum, and helij ol maner ov ſienes and ol maner ov dīzēz amūn de pep'l.
24 And hiz ſam went truſt ol Siria: and da brot untu him ol ſie pep'l dat wer taēn wid d̄verz dīzezez and tormentz, and dōz hwiq̄ wer pozēst wid dev'lz, and dōz hwiq̄ wer līnatic, and dōz dat had de pelzi:
25 and he held dem. And dar folod him grat multitudz ov pep'l from Galile, and [from] Decapolis, and [from] Jeruſalem, and [from] Judea, and [from] beyōnd Jordan.

5 AND ſeij de multitudz, he went up intue a m̄ntēn: and hwen he woz ſet, 2 hiz diſjpl̄z cam untu him: and he op'nd hiz mxt; and tot dem, ſain,

3 Blesed [qr] de pur in spirit: for darz iz de cindum ov hev'n. (4) Blesed [qr] dá dat morn: for da sal be cumfured. Blesed [qr] de meo: for da sal inhérit de ert. Blesed [qr] dá hwig dz hunger and tirst after rityusnes: for da sal be fild. Blesed [qr] de mersiful: for da sal obtán mersi. Blesed [qr] de pur in hart: for da sal se God. Blesed [qr] de pes-macerz: for da sal be cold de gildren ov God. Blesed [qr] dá hwig qr persecutet for rityusnes sac: for darz iz de cindum ov hev'n. Blesed qr ye, hwen [men] sal revl q, and persecut [u], and sal sa ol maner ov ev'l agénst q folsli, for mj sac: rejós, and be ecesding glad: for grat [iz] qr rewórd in hev'n: for so persecutet da de profets hwig wer befór q.

Ye qr de sold ov de ert; but if de sold hav lost hiz savur, q hwarwit sal it be sold: it iz densfort gud for nutij, but tu be eqst st, and tu be trod'n under fust ov men. Ye qr de lit ol de wurd. A siti dat iz set on an hil canot be hid. Neder du men lit a cand'l, and put it under a busel, but on a cand'lstic; and it givet lit untu ol dat qr in de hss. Let yr lit so fin befór men, dat da ma se yr gud wures, and glorifi yr Fqder hwig iz in hev'n.

Tipe not dat i am cum tu destró de Lo, or de Profets: i am not cum tu destré, but tu fulfil. For verili i sa untu q, lit hev'n and ert pqs, wun jot er wun tit'l sal in no wjz pqs from de lo, til ol be fulfild. Husoóever darfor sal brae wun ov dez lest comqndments, and sal teg men so, he sal be cold de lest in de cindum ov hev'n: but husoóever sal du and teg [dem], de sam sal be cold grat in de cindum ov hev'n. For i sa untu q, dat cesépt yr rityusnes sal ceséd [de rityusnes] ov de scrijz and farisez, ye sal in no cas enter intu de cindum ov hev'n.

Ye hav herd dat it woz sed bi dém ov old tijn, ds salt not eil; and husoóever sal eil sal be in danjer ov de jujment: but i sa untu q, dat husoóever iz angri wid hiz bruder widst a coz sal be in danjer ov de jujment: and husoóever sal sa tu hiz bruder, Raca! sal be in danjer ov de esn-sil: but husoóever sal sa, ds fiul! sal be in danjer ov hel fir. Darfor if ds briij di gift tu de olter, and dar rememberest dat di bruder hat et agénst dé; lev dar di gift befór de olter, and go di wa; fers be reconsild tu di bruder, and den cum and ofer di gift. Agré wid tijn ádverseri eweli, hwilz ds qrt in de va wid him; lest at eni tijn de ádverseri deliver dé tu de juj, and de juj deliver dé tu de ofiser, and ds be eqst intu priz'n. Verili i sa untu dé, ds salt bi no menz cum st dens, til ds hast pad de utermost fardij.

Ye hav herd dat it woz sed bi dém ov old tijn, ds salt not comit adulteri: but i sa untu q, dat husoóever lueet on a waman tu lust after her hat comited adulteri wid her elrédi in hiz hqrt. And

5 if di rit i ofénd dé, pluc it st, and eqst [it] from dé: for it iz prófitabl for dé dat wun ov di memberz sud perif, and not [dat] di hol bodi sud be eqst intu hel.

30 And if di rit hand ofénd dé, cut it of, and eqst [it] from dé: for it iz prófitabl for dé dat wun ov di memberz sud perif, and not [dat] di hol bodi sud be eqst intu hel.

31 It hat ben sed, Husoóever sal put awá hiz wif, let him giv her a rityj ov divors-
32 ment: but i sa untu q, dat husoóever sal put awá hiz wif, saviij for de coz ov feni-casun, cozet her tu comit adulteri: and husoóever sal mari hér dat iz divórst, com-itet adulteri.

33 Agén, ye hav herd dat it hat ben sed bi dém ov old tijn, ds salt not forswar djsélf, but salt perfórm untu de Lórd dín

34 oáz: but i sa untu q, Swar not at ol;
35 neder bi hev'n; for it iz Godz tron: ner bi de ert; for it iz hiz fusttut: neder bi Jeruzdem; for it iz de siti ov de grat Cij.

36 Neder salt ds swar bi di hed, becóz ds
37 canst not mae wun har hwit or blae. But let yr comunicasun be, Ya, ya; Na, na: for hwotsoóever iz mor dan dez cumet ov ev'l.

38 Ye hav herd dat it hat ben sed, An i for
39 an j, and a tust for a tust: but i sa untu q, dat ye rezist not ev'l: but husoóever sal smit dé on di rit qec, turn tu him de uder
40 olso. And if eni man wil sy dé at de le, and tae awá di cot, let him hav [di] eloe
41 olso. And husoóever sal compél dé tu go
42 a mij, go wid him twan. Giv tu him dat qseet dé, and from him dat wúd boro ov dé turn not ds awá.

43 Ye hav herd dat it hat ben sed, ds salt
44 luv di nabur, and hat dín enemi. But i sa untu q, Luv yr enemiz, bles dém dat curs q, du gud tu déu dat hat q, and pra for dém hwig despitu qz q, and persecut q;
45 dat ye ma be de gildren ov yr Fqder hwig iz in hev'n: for he macet hiz sun tu riz on de ev'l and on de gud, and sendet ran on
46 de just and de unjust. For if ye luv dém hwig luv q, q hwot rewórd hav ye; q du not

15 But hwen Jezus nu [it], he widruú him-

de Sun ov man, it fal be forgív'n him: but
husoéver speect agénst de Holi Gost, it
fal not be forgív'n him, neder in dis wurld,
33 neder in de wurld tui eum. Eder mae de

gud trezuv ov de hqrt bringet fort gud tinz:
and an ev'l man st ov de ev'l trezuv bringet
36 fort ev'l tinz. But i sa untu y, dat everi

dj wurdz ds falt be justifið, and bi dj

38 Den serten ov de scribz and ov de farisez

40 for az Jonas woz tre daz and tre nits in
de hwalz beli; so fal de Sun ov man be
tre daz and tre nits in de hqrt ov de ert.
41 Ae men ov Nineva fal riz in jujment wid

43 Hwen de unclén spirit iz gen st ov a

and de lqst [stat] ov dát man iz wurs dan

46 Hwi! he yet toet tui de pep'l, behóld,

he qnserd and sed untu him dat told him,
'Hú iz mñ muðer; and 'hú qr mñ

13 Ae sam da went Jezus st ov de hss,
and sat bi de se sjd. (2) And grat mul-
titydz wer gaderd tugóder untu him, so
dat he went intui a sip, and sat; and
3 de hol multityd stad on de for. And
he spae meni tinz untu dem in parablz,
saiy,

4 Behóld, a soer went fort tui so; and
hwen he soð, sum [sedz] fel bi de wa sjd,
5 and de fsiz eam and dev'rd dem up: sum
fel upón steni plasez, hwar da had not muq

6 had no depnes ov ert: and hwen de sun
woz up, da wer seort; and becós da had
7 no ruit, da widerd awá. And sum fel

8 goet dem: but uder fel intui gud grsnd,
and brot fort fruit, sum an hundredfold,

3 sum siestifold, sum tertifold. (9) Hú hat erz tu her, let him her.

1 And de disjpl'z cam, and sed untu him, 1 Hwi specest d's untu dem in parabl'z. 1 He qnserd and sed untu dem, Becóz it iz giv'n untu u tu no de misteriz ov de ejndum ov hev'n, but tu dem it iz not giv'n. Fer husoéver hat, tu him sal be giv'n, and he sal hav mór abúndans: but husoéver hat not, from him sal be tac'n awá lev'n dát he hat. Darfor spec i tu dem in parabl'z: becóz da seij se not; and herij ía her not, neder du da understánd. And in dem iz fullfild de profesi ov Ezaas, hwi set, Bì herij ye sal her, and sal not understánd; and seij ye sal se, and sal not persév: fer dis pep'lz hqrt iz waest gros, and [dar] erz qr dul ov herij, and dar iz ía hav clozd; lest at eni tijn da fjad se wid [dar] iz, and her wid [dar] erz, and fjad understánd wid [dar] hqrt, and fjad be onvérted, and i fjad hel dem. But blessed [qr] ur iz, fer da se: and ur erz, fer da her. Fer verili i sa untu u, dát meni profets and rityus [men] hav dezjrd tu se [doz tijnz] hwi ye se, and hav not sen [dem]; and tu her [doz tijnz] hwi ye her, and hav not herd [dem].

1 Her ye darfor de parabl' ov de soer. 1 Hwen eni wun heret de wurd ov de ejndum, and understándet [it] not, den cumet de wiced [wun], and caeet awá dát hwi woz son in hiz hqrt. Dis iz hé hwi resévd sed bj de wa sid. But hé dát resévd de sed untu stoni plasez, de sam iz hé dat heret de wurd, and anón wid jø resevet it; yet dat he not ruut in himsélf, but dpret fer a hwil: fer hwen tribulasun or persecusun arizet becóz ov de wurd, bj and bj he iz ofénded. Hé also dát resévd sed amún de ternz iz hé dat heret de wurd; and de ear ov dis wurd, and de deseefalnes ov rizez, goe de wurd, and he becúmet unfruital. But hé dát resévd sed intu de gad grsnd iz hé dat heret de wurd, and understándet [it]; hwi also baret fruit, and brijet fort, sum an hundredfold, sum siesti, sum terti.

2 Anúder parabl' put he fort untu dem, saip, De ejndum ov hev'n iz lje'nd untu a man hwi sod gad sed in hiz feld: but awil men slept, hiz enemi cam and sod araz amún de hwet, and went hiz wa. But hwen de blad woz sprug up, and bret fort ruut, den apérd de tarz also. So de servants ov de h'sholder cam and sed untu him, Ser, ¿didst not d's so gad sed in di feld; ¿from hwens den hat it tarz. He sed untu dem, An enemi hat dun dis. De servants sed untu him, ¿Wilt d's den dat we go and gader dem up. But he sed, Na; lest hwil ye gader up de tarz, ye ruut sap also de hwet wid dem. Let bot gro wugéder untíl de harvest: and in de tijn ov harvest i wil sa tu de reperz, Gader ye wugéder ferst de tarz, and bjnd dem in bund'lz tu burn dem: but gader de hwet intu maj barn.

13 31 Anúder parabl' put he fort untu dem, saip, De ejndum ov hev'n iz lje tu a gran ov musterd sed, hwi a man tuc, and sod 32 in hiz feld: hwi indéd iz de lest ov ol sedz: but hwen it iz gron, it iz de gratest amún herbz, and becúmet a tre, so dat de berdz ov de ar cum and loj in de brqnez daróf.

33 Anúder parabl' spae he untu dem; De ejndum ov hev'n iz lje untu lev'n, hwi a wuman tuc, and hid in tre mezurz ov mel, til de hol woz lev'nd.

34 Ol dez tijnz spae Jezus untu de multityd in parabl'z; and widst a parabl' spae he 35 not untu dem: dat it mjt be fullfild hwi woz spoc'n bj de profet, saip, F wil op'n mi mst in parabl'z; i wil uter tijnz hwi hav ben cept secret from de f'snda[sun] ov de wurd.

36 Den Jezus sent de multityd awá, and went intu de hss: and hiz disjpl'z cam untu him, saip, Declár untu us de parabl' 37 ov de tarz ov de feld. He qnserd and sed untu dem, Hé dat soet de gud sed iz de 38 Sun ov man; de feld iz de wurd; de gud sed qr de gildren ov de ejndum; but de 39 tarz qr de gildren ov de wiced [wun]; de enemi dat sod dem iz de dev'l; de harvest iz de end ov de wurd; and de reperz qr 40 de anjelz. Az darfor de tarz qr gaderd and burnt in de fir; so sal it be in de end 41 ov dis wurd. De Sun ov man sal send fort hiz anjelz, and da sal gader st ov hiz ejndum ol tijnz dat ofénd, and dém hwi 42 dui inewiti; and sal eqst dem intu a furnes ov fir: dar sal be waliq and na[sin] 43 ov tet. Den sal de rityus sijn fort az de sun in de ejndum ov dar Fqder. Hú hat erz tu her, let him her.

44 Agén, de ejndum ov hev'n iz lje untu trezur hid in a feld: de hwi hwen a man hat f'snd, he hjdet, and fer jø daróf goet and selet ol dat he hat, and bjét dát feld.

45 Agén, de ejndum ov hev'n iz lje untu a 46 mercant man, secij gudli perlz: hu, hwen he had f'snd wun perl ov grat pris, went and sold ol dat he had, and bot it.

47 Agén, de ejndum ov hev'n iz lje untu a net, dat woz eqst intu de se, and gaderd 48 ov everi ejnd: hwi, hwen it woz ful, da dru tu fjer, and sat dsu, and gaderd de 49 gad intu veselz, but eqst de bad awá. So sal it be at de end ov de wurd; de anjelz sal cum fort, and sever de wiced from amún de just, and sal eqst dem intu de 50 furnes ov fir: dar sal be waliq and na[sin] ov tet.

51 Jezus set untu dem, ¿Hav ye understúdt ol dez tijnz. Ía sa untu him, Ya, Lerd. 52 Den sed he untu dem, Darfor everi scrij [hwi iz] instructed untu de ejndum ov hev'n iz lje untu a man [dat iz] an h'sholder, hwi brijet fort st ov hiz trezur [tijnz] nu and old.

53 AND it cam tu pqs, [dat] hwen Jezus had finift dez parabl'z, he departed dens.

54 And hwen he woz cum intu hiz on cuntri, he tet dem in dar sinagog, inso-múq dat da wer astónift, and sed, ¿Hwens hat dis [man] dis wizdum, and [dez] mjt i

But Jezus sed untu dem, A profet iz not widst onur, sav in hiz on cuntri, and in hiz on hys. 58 And he did not meni mġti wures dar becėz ov dar unbelėf.

14 AT dāt tġm Herud de tetrarc herd ov de fam ov Jezus, (2) and sed untu hiz servants, Dis iz Jon de Baptist; he iz riz'n from de ded; and darfor mġti wures du so fėrt demselvz in him.

3 Fer Herud had lad hold on Jon, and bsnd him, and put [him] in priz'n fer 4 Herodias sac, hiz bruder Philips wġf. For Jon sed untu him, It iz not lefal fer 5 dē tu hav her. And hwen he wud hav put him tu det, he ferd de multituđ, 6 becėz da exnted him az a profet. But hwen Herudz bertda woz cept, de doter ov Herodias dānst befór dem, and plezd 7 Herud. Hwarupón he promist wiđ an 8 tu giv her hwotsėver se wud qsc. And se, beġ befór instructed ov her muđer, sed, Giv me her Jon Baptists hed in a 9 qarjer. And de cġp woz sori: neverdelės fer de 6ts sac, and dēm hwġ sat wiđ him at met, he comqnded [it] tu be giv'n 10 [her]. And he sent, and behėded Jon in 11 de priz'n. And hiz hed woz brot in a qarjer, and giv'n tu de damzel: and se 12 brot [it] tu her muđer. And hiz disp'lz cam, and tue up de bodi, and berid it, and went and told Jezus.

13 Hwen Jezus herd [ov it], he departed đens bġ sip intu a dezert plas apárt: and hwen de pep'l had herd [daróf], da folod him on fut st ov de sitiz.

14 AND Jezus went fėrt, and so a grat multituđ, and woz muvđ wiđ compasun tord dem, and he held dar sie.

15 And hwen it woz evniġ, hiz disp'lz cam tu him, saġ, Dis iz a dezert plas, and de tġm iz n's pqt; send dē multituđ awá, đat đa ma go intu de vilejez, and bġ dem-selvz vit'lz. But Jezus sed untu dem, Đa 17 ned not depárt; giv ye dem tu et. And đa sa untu him, We hav her but fġv lėvz, 18 and tú fġvez. He sed, Briġ dem hider 19 tu me. And he comqnded dē multituđ tu sit dsn on de grqs, and tue de fġv lėvz, and de tú fġvez, and hēcġ up tu hev'n, he blest, and brae, and gav de lėvz tu [hiz] disp'lz, and de disp'lz tu de 20 multituđ. And đa did el et, and wer fild: and đa tue up ov de fragments đat remánd 21 twelv bqseets ful. And đa đat had et'n wer abšt fġv tszend men, besġd wimen and gildren.

22 And stratwa Jezus constránd hiz disp'lz tu get intu a sip, and tu go befór him untu de nder sġd, hwġl he sent de multituđz awá. And hwen he had sent de multituđz awá, he went up intu a msnten apárt tu pra: and hwen de evniġ woz cum,

14 he woz dar alón. (24) But de sip woz n's in de midst ov de se, test wid wavz: fer 25 de wind woz contreri. And in de fėrt woz ov de nġt Jezus went untu dem, weġin ov 26 de se. And hwen de disp'lz se him weġin on de se, da wer trub'ld, saġ, It iz a 27 spirit; and đa erġd st fer fer. But stratwa Jezus spae untu dem, saġ, Be ov gad qer; 28 it iz ġ; be not afrád. And Peter qnsrd him and sed, Lord, if it be đs, bid me 29 cum untu đē on de weter. And he sed, Cum. And hwen Peter woz cum dsn st ov de sip, he weet on de weter, tu go tu 30 Jezus. But hwen he se de wind bėstus, he woz afrád; and begġnġ tu sine, he 31 erġd, saġ, Lord, sav me. And imedyeth Jezus streġ fėrt [hiz] hand, and eot him, and sed untu him, O đs ov lit'l fat, 32 † hwarfor didst đs dāt. And hwen đa 33 wer cum intu de sip, de wind sest. Đen đá đat wer in de sip cam and wurfġt him, saġ, Ov a trut đs qrt de Sun ov God.

34 And hwen đa wer gon 6ver, đa cam 35 intu de land ov Genesaret. And hwen de men ov dāt plas had nolėġ ov him, đa sent st intu el dāt cuntri rsnd abšt, 36 and brot untu him el đat wer dizėzd; and besót him đat da mġt onli tuġ de hem ov hiz qarment: and az meni az tuġt wer mad perfectli hol.

15 ĐEN cam tu Jezus scrijbz and fari-sez, hwġ wer ov Jeruzalem, saġ, 2 † Hwġ du đġ disp'lz transġrės de tradisun ov de elderz; fer da wof not dar handz 3 hwen đa et bred. But he qnsrd and sed untu dem, † Hwġ du ye also transġrės de 4 comqndment ov God bġ ȳr tradisun. For God comqnded, saġ, Onur đġ fėder and muđer: and, Hē đat curset fėder or 5 muđer, let him đġ de det. But ye sa, Hwotsėver [sal sa tu [hiz] fėder or [hiz] muđer, [It iz] a ġift, bġ hwotsėver đs 6 mġtest be profited bġ me; and onur not hiz fėder or hiz muđer, [he sal be fre]. Đus hav ye mad de comqndment ov God 7 ov nun efėct bġ ȳr tradisun. But in van đa du wurfġp me, teġġ [for] doctrinz de comqndments ov men.

10 And he cold de multituđ, and sed untu 11 dem, Her, and understand: not dāt hwġ goet intu de mst defġlet a man; but dāt hwġ cumet st ov de mst, đis defġlet a man.

12 Đen cam hiz disp'lz, and sed untu him † Noest đs đat de farisez wer ofėnded, 13 qfter đa herd dis saġ. But he qnsrd and sed, Everġ plant, hwġ mġ hev'nli Fėder 14 hat not planted, sal be ruted up. Let dem alón: đa be blind lederz ov de blind. And if de blind led de blind, bot sal tel 15 intu de dig. Đen qnsrd Peter and sed untu him, Declār untu us dis parabl'. 16 And Jezus sed, † Ar ye also yet wiđst un- 17 derstándġ. † Du not ye yet understánd,

15 HEN Jezus went dens, and departed intui de costs ov Tjr and Sidun. And, behóld, a wuman ov Cánaan cam st ov de sam costs, and erjd untui him, saij, Hav mersi on me, o Lord, [ds] sun ov David; mj deter iz grevushi veest wid a dev'l. But he qnserd her not a wurd. And hiz disjip'lz cam and besét him, saij, Send her awá; fer se erjet after us. But he qnserd and sed, F am not sent but untui de lóst sep ov de hss ov 'Israel. Den cam se and wurjsipt him, saij, Lord, help me! But he qnserd and sed, It iz not met tu tac de gildrenz bred, and tu eqst [it] tu dogz. And se sed, Truft, Lord: yet de dogz et ov de crumz hwiq fól from dar mqsterz tab'l. Den Jezus qnserd and sed untui her, O wuman, grat [iz] dj fat: be it untui dé ev'n az ds wilt. And her deter woz mad hol from dát veri sr.

AND Jezus departed from dens, and cam nj untui de se ov Galile; and went up intui a msnten, and sat dsn dar. And grat multitydz cam untui him, havij wid dem [doz dat wer] lam, blnd, dum, mamd, and meni uderz, and eqst dem dsn at Jezus fet; and he held dem: insomúq dat de multityd wunderd, hwen da so de dum tu spec, de mamd tu be hól, de lam tu woe, and de blnd tu se: and da gloriifd de God ov 'Israel.

Den Jezus cold hiz disjip'lz [untui him], and sed, F hav compafun wid de multityd, becóz da continú wid me ns tre daz, and hav nutij tu et: and j wil not send dem awá fqstin, lest da fant in de wa. And hiz disjip'lz sa untui him, F Hwens fud we hav so muq bred in de wildernes, az tu fil so grat a multityd. And Jezus set untui dem, F Hs meni lovz hav ye. And da sed, Sev'n, and a fú lit'l fizez. And he com-qnded de multityd tu sit dsn on de grsnd. And he tue de sev'n lovz and de fizez, and gav tapcs, and brac [dem], and gav tu hiz disjip'lz, and de disjip'lz tu de multityd. And da did el et, and wer fild: and da tue up ov de bróc'n [met] dat woz left sev'n bqscets ful. And dá dat did et wer for tszend men, besjd wimen and children.

9 And he sent awá de multityd, and tue jip, and cam intui de costs ov Magdala.

16 DE farisez also wid de sadusez cam, and temtij dezjrd him dat he wiad fo dem a sijn from hev'n. He qnserd and sed untui dem, Hwen it iz evnij, ye sa, [It wil be] far weder: fer de sej iz red.

3 And in de mornij, [It wil be] fsl weder

16 tudá: fer de sej iz red and lsrj. O [ye] hipocrits, ye can dizérn de fas ov de sej; but F can ye not [dizérn] de sijn ov de tinz. A wiced and adulterus jener-

4 afun seet after a sijn; and dar fal no sijn be giv'n untui it, but de sijn ov de profet Jonas. And he left dem, and departed.

5 AND hwen hiz disjip'lz wer cum tu de uder sjd, da had fergót'n tu tac bred.

6 Den Jezus sed untui dem, Tac hed and bewár ov de lev'n ov de farisez and ov de

7 sadusez. And da rez'nd amúq demsélvz, saij, [It iz] becóz we hav tac'n no bred.

8 [Hwiq] hwen Jezus perséyd, he sed untui dem, O ye ov lit'l fat, F hwi rez'n ye amúq

9 qrsélvz, becóz ye hav bret no bred. F Du ye not yet understánd, F neder remémber

de fiv lovz ov de fiv tszend, and h's meni bqscets ye tue up. F Neder de sev'n lovz

ov de for tszend, and h's meni bqscets ye tue up. F Hs iz it dat ye du not under-

stánd dat j spac [it] not tu y consérnij bred, dat ye fud bewár ov de lev'n ov

12 de farisez and ov de sadusez. Den understúd da h's dat he bad [dem] not bewár ov de lev'n ov bred, but ov de doctrim ov de

farisez and ov de sadusez.

13 HWEN Jezus cam intui de costs ov Sezarea Filípi, he qset hiz disjip'lz, saij,

F Húum du men sa dat j de Sun ov man

14 am. And da sed, Sum [sa dat ds qrt] Jon de Baptist: sum, Eljas; and uderz,

15 Jeremjas, er wun ov de profets. He set untui dem, But F húum sa ye dat j am.

16 And Sijmun Peter qnserd and sed, F's qrt

17 de Crjst, de Sun ov de livij God. And Jezus qnserd and sed untui him, Blessed

qrt ds, Sijmun Bar-jona: fer flef and blud hat not revéld [it] untui dé, but mj Fqder

18 hwiq iz in hev'n. And j sa also untui dé, [dat ds qrt Peter, and upón dis roc j wil

bild mj qurg; and de gats ov hel fal not

19 prevál agénst it. And j wil giv untui dé de cez ov de cjdum ov hev'n: and hwot-

soéver ds falt bjnd on ert fal be bsnd in hev'n: and hwotsoéver ds falt lus on

20 ert fal be lust in hev'n. Den qarjd he hiz disjip'lz dat da fud tel no man dat he

woz Jezus de Crjst.

21 FROM dát tijn fórt begán Jezus tu jo untui hiz disjip'lz, h's dat he must go

untui Jeruzalem, and sufer meni tinz ov de elderz and qef prests and scrijz, and

22 be cild, and be razd agén de terd da. Den Peter tue him, and begáu tu rebje him,

saij, Be it fqr from dé, Lord: dis fal not

23 be untui dé. But he turnd, and sed untui Peter, Get dé behjnd me, Satan: ds qrt

an oféns untui me: fer ds savurest not de tinz dat be ov God, but doz dat be ov

24 men. Den sed Jezus untui hiz disjip'lz, If eni [man] wil cum after me, let him

denj himsélf, and tue up hiz eros, and folo

25 me. Fer husoéver wil sav hiz lij fal luz it: and husoéver wil luz hiz lij fer mj

26 sae fal fjnd it. Fer F hwot iz a man profited, if he fal gan de hol wurld, and luz hiz on sol: er F hwot fal a man giv in

16 eesjánj fer hiz sol. (27) Fer de Sun ov man fal cum in de glóri ov hiz Fqder wid hiz anjelz; and den he fal rewórd everi man 28 acording tui hiz wures. Verili i sa untui u, dar be sum standin her, hwiç fal not tast ov det, til da se de Sun ov man cumin in hiz cindum.

17 AND qfter sies daz Jezus tacet Peter, Jamz, and Jon hiz bruder, and brijet 2 dem up intui an hj mænten apórt, and woz transfigurd befór dem: and hiz fas did fin az de sun, and hiz rament woz hwijt az 3 de lit. And, behóld, dar apérd untui dem 4 Mózez and Eljas toeiñ wid him. Den qnserd Peter, and sed untui Jezus, Lord, it iz gud fer us tui be her: if d's wilt, let us mae her tre tábernae'lz; wun fer 5 d's, and wun fer Mózez, and wun fer Eljas. 6 Hwij he yet spae, behóld, a brijt elsd overfádod dem: and behóld a vos st ov de elsd, hwiç sed, [Iis iz m] belúved Sun, 7 in hum i am welplez; her ye him. And hwen de disp'lz herd [it], da fel on dar 8 fas, and wer sor afrád. And Jezus cam and tugt dem, and sed, Arjz, and be not 9 afrád. And hwen da had lifted up dar iz, da so no man, sav Jezus onli.

9 And az da cam dsn from de mænten, Jezus eqrjd dem, saij, Tel de vizun tui no man, untíl de Sun ov man be riz'n 10 agén from de ded. And hiz disp'lz qset him, saij, i Hwij den sa de scrijz dat Eljas 11 must ferst cum. And Jezus qnserd and sed untui dem, Eljas truli fal ferst cum, 12 and restór ol tiñz. But i sa untui u, dat Eljas iz cum elródi, and da nu him not, but hav dun untui him hwotsoéver da listed. Ljcwjz fal also de Sun ov man 13 sufer ov dem. Den de disp'lz understúd dat he spae untui dem ov Jon de Baptist.

14 And hwen da wer cum tui de multityd, dar cam tui him a [serten] man, neliñ 15 dsn tui him, and saij, Lord, hav mersi on m] sun: fer he iz lznatic, and sor veest: fer oftijmz he folet intui de fjr, 16 and oft intui de weter. And i brot him tui d] disp'lz, and da cud not eyr him. 17 Den Jezus qnserd oud sed, O faties and pervers jenerafun, hs loy fal i be wid u! 18 he loy fal i sufer u! brig him lüder tui me. And Jezus rebúet de dev'l; and he 19 departed st ov him: and de gjld woz eyrd from dát veri sr. Den cam de disp'lz tui Jezus apórt, and sed, i Hwij cud not we 20 eqst him st. And Jezus sed untui dem, Becóz ov ur unbeléf: fer verili i sa untui u, If ye hav fat az a gran ov musterd 21 sed, ye fal sa untui dis mænten, Remúv hens tui yonder plas; and it fal remúv; 22 and nutin fal be imposib'l untui u. Hsheit this ejnd goet not st but bi prar and fqstijñ.

23 AND hwij da abód in Galile, Jezus sed untui dem, Ae Sun ov man fal be betrád 24 intui de handz ov men: and da fal eil him, and de terd da he fal be razd agén. And da wer eesediñ sori.

24 AND hwen da wer eum tui Capérnaum, dá

17 dat resévd tribut [muni] cam tui Peter, and sed, i Dut not ur mæster pa tribut. 25 He set, Yes. And hwen he woz cum intui de hss, Jezus prevénted him, saij, i Hwot tijeest d's, Sijmun; i ov húm du de cijnz ov de ert tac custum or tribut; i ov dar 26 on gildren, or ov stranjerz. Peter set untui him, Ov stranjerz. Jezus set untui 27 him, Den qr de gildren fre. Notwidstándin, lest we sud ofénd dem, go d's tui de se, and eqst an huc, and tac up de fij dat ferst cumet up; and hwen d's hast op'nd hiz mst, d's falt find a pes ov muni: dát tae, and giv untui dem for me and dé.

18 At de sam tñm cam de disp'lz untui Jezus, saij, i Húu iz de gratest in de 2 cindum ov hev'n. And Jezus celd a lit'l gjld untui him, and set him in de midst 3 ov dem, and sed, Verili i sa untui u, Ecsépt ye be convérted, and becúm az 4 lit'l gildren, ye fal not enter intui de cijn- dum ov hev'n. Hwusoéver darfor fal umb'l himsélf az dis lit'l gjld, de sam iz gratest 5 in de cindum ov hev'n. And hwusó fal resév wun sug lit'l gjld in m] nam resevet 6 me. But hwusó fal ofénd wun ov dez lit'l wunz hwiç belév in me, it wer beter fer him dat a milston wer hayd abót hiz 7 nec, and [dat] he wer drénd in de dept ov de se.

7 Wo untui de wurd becóz ov ofénsez! for it must nedz be dat ofénsez cum; but wo tui dát man bi hum de oféns cumet! 8 Hwarfor if d] hand or d] fut ofénd dé, cut dem of, and eqst [dem] from dé: it iz beter fer dé tui enter intui lif helt or mamd, rqder dan havij tui handz or tui 9 fet tui be eqst intui everlqstijñ fjr. And if d]n i ofénd dé, pluc it st, and eqst [it] 10 from dé: it iz beter fer dé tui enter intui lif wid wun i, rqder dan havij tui iz tui be eqst intui hel fjr.

10 Tac hed dat ye despijz not wun ov dez lit'l wunz; for i sa untui u, dat in hev'n dar anjelz du olwaz behóld de fas ov m] 11 Fqder hwiç iz in hev'n. Fer de Sun ov man iz cum tui sav dát hwiç woz lost. 12 i Hs tije ye; if a man hav an hundred sep, and wun ov dem be gon astrá, i dut he not lev de nñti and nñn, and goet 13 intui de mæntenz, and seet dát hwiç iz gon astrá. And if so be dat he find it, verili i sa untui u, he rejóset mor ov dát [sep], dan ov de nñti and nñn hwiç went 14 not astrá. Ev'n so it iz not de wil ov ur Fqder hwiç iz in hev'n, dat wun ov dez lit'l wunz sud perij.

15 Morover if d] bruder fal trespas agénst dé, go and tel him hiz felt betwén dé and him alón: if he fal her dé, d's host 16 gand d] bruder. But if he wil not her [dé, den] tac wid dé wun or tui mor, dat in de mst ov tui or tre witnessz everi wurd 17 ma be estáblift. And if he fal negléet tui her dem, tel [it] untui de gurg: but if he negléet tui her de gurg, let him be untui dé az an hed'n man and a publican.

18 Verili i sa untu u, Hwotsoéver ye fal
bünd on ert fal be bünd in hev'n : and
hwotsoéver ye fal lus on ert fal be lust
in hev'n. Agén i sa untu u, [dat if tú
ov u fal agré on ert, az tuchén eni tñj dat
fal qsc, it fal be dun for dem ov m]j
Fqder hwiç iz in hev'n. For hwar tú er
re qr gader tugéder in m]j nam, dar am i
n de midst ov dem.

19 Den cam Peter tu him, and sed, Lord,
[hs oft fal m]j bruder sin agénst me, and
2 fergiv him; i til sev'n tñmz. Jezus set
untu him, i sa not untu dé, Until sev'n
2 tñmz : but, Until sev'nti tñmz sev'n. Dar-
for iz de cñdum ov hev'n liç'nd untu a
serten cñj, hwiç wud tac acént ov hiz
servants. And hwen he had begún tu
rec'n, wun woz brét untu him, hwiç od
2 him ten tæzend talents. But ferazmúç az
he had not tu pa, hiz lord comqnded him
tu be sold, and hiz wif, and gildren, and
ol dat he had, and pament tu be mad.
2 De servant darfor fel dsn, and wurfipt
him, sañj, Lord, hav pafens wid me, and
3 wil pa dé ol. Den de lord ov dát servant
woz muvvd wid compafun, and lust him,
2 and fergáv him de det. But de sam ser-
vant went st, and fsnd wun ov hiz felo-
servants, hwiç od him an hundred pens :
and he lad handz on him, and tue [him]
2 of de trot, sañj, Pa me dát ds oest. And
hiz felo-servant fel dsn at hiz fet, and
besót him, sañj, Hav pafens wid me, and
3 wil pa dé ol. And he wud not : but
went and eqst him intu priz'n, til he sud
3 pa de det. So hwen hiz felo-servants se
hwot woz dun, da wer veri sori, and eam
and told untu dar lord ol dat woz dun.
3 Den hiz lord, qfter dat he had cold him,
sed untu him, O ds wiced servant, i fergáv
té ol dát det, becóz ds dezjredst me :
3 i sudst not ds also hav had compafun
on dñ felo-servant, ev'n az i had piti on
3 té. And hiz lord woz ret, and deliverd
him tu de torménterz, til he sud pa ol
3 dat woz dñ untu him. So liçwiz fal m]j
hev'nli Fqder du also untu u, if ye from
qr harts fergiv not everi wun hiz bruder
tar trespasez.

20 AND it cam tu pqs, [dat] hwen
Jezus had finift dez sañjz, he departed
from Galile, and cam intu de costs ov
Judea beyónd Jordan; and grat multitudz
folod him; and he held dem dar.

21 De farisez also cam untu him, temthj
him, and sañj untu him, i Iz it lofal for
a man tu put awá hiz wif for everi coz.
And he qnsred and sed untu dem, i Hav
ye not red, dat Hé hwiç mad [dem] at
de begínj mad dem mal and femal, and
sed, For dis coz fal a man lev fqder and
muder, and fal elev tu hiz wif : and da
twan fal be wun flef. Hwarfor da qr no
mor twan, but wun flef. Hwot darfor God
hat jend tugéder, let not man put asúnder.

22 Da sa untu him, i Hwiç did Mózez den
comqnd tu giv a rñjñ ov divorsment, and
tu put her awá. He set untu dem,

19 Mózez becóz ov de hardnes ov qr harts
suferd u tu put awá qr wjvz : but from
9 de begínj it woz not so. And i sa untu
u, Hwotsoéver fal put awá hiz wif, ecesépt
[it be] for fornicafun, and fal mari anóder,
comité adulteri : and hwaso mariet hér
hwiç iz put awá dut comit adulteri.

10 Hiz disip'lz sa untu him, If de cas ov
de man be so wid [hiz] wif, it iz not gud
11 tu mari. But he sed untu dem, Ol [men]
canot resév dis sañj, sav [dá] tu hum it
12 iz giv'n. For dar qr sum qñues, hwiç wer
so born from [dar] muderz wum : and
dar qr sum qñues, hwiç wer mad qñues
ov men : and dar be qñues, hwiç hav mad
demsélvz qñues for de cñdum ov hev'n
sac. Hé dat iz ab'l tu resév [it], let him
resév [it].

13 Den wer dar brét untu him lit'l gildren,
dat he sud put [hiz] handz on dem, and
14 pra : and de disip'lz rebúet dem. But
Jezus sed, Sufer lit'l gildren, and forbid
dem not, tu cum untu me : for ov sug
15 iz de cñdum ov hev'n. And he lad [hiz]
handz on dem, and departed dens.

16 AND, behóld, wun eam and sed untu
him, Gud Mqster, i hwot gud tñj fal i
17 du, dat i ma hav éternál lif. And he
sed untu him, i Hwiç celest ds me gud ;
[dar iz] nun gud but wun, [dát iz,] God :
but if ds wilt enter intu lif, eep de com-
18 qndments. He set untu him, i Hwiç.
Jezus sed, Ds falt du no murder, Ds falt
not comit adulteri, Ds falt not stel, Ds
19 falt not bar fols witnes, Onur dñ fqder and
[dñ] muder : and, Ds falt lu dñ nabur az
20 dñsél. De yuy man set untu him, Ol dez
tñjz hav i cept from m]j ut up : i hwot lac
21 i yet. Jezus sed untu him, If ds wilt be
perfect, go [and] sel dát ds hast, and giv
tu de pur, and ds falt hav trezur in
22 hev'n : and cum [and] folo me. But hwen
de yuy man herd dát sañj, he went awá
sórafal : for he had grat pozesunz.

23 Den sed Jezus untu hiz disip'lz, Verili
i sa untu u, [dat a rig man fal hqrdli
24 enter intu de cñdum ov hev'n. And agén
i sa untu u, It iz ezier for a camel tu
go tru de i ov a ned'l, dan for a rig man
25 tu enter intu de cñdum ov God. Hwen
hiz disip'lz herd [it], da wer eesedinli
26 amázd, sañj, i Ilú den can be savd. But
Jezus behéld [dem], and sed untu dem,
Wid men dis iz imposib'l ; but wid God
ol tñjz qr posib'l.

27 Den qnsred Peter and sed untu him,
Behóld, we hav forsac'n ol, and folod dé ;
28 i hwot fal we hav darfor. And Jezus sed
untu dem, Verili i sa untu u, [dat yé hwiç
hav folod me, in de rejenerafun hwen de
Sun ov man fal sit in de tron ov hiz glori,
ye also fal sit upón twelv tronz, jujñ de
29 twelv trijbz ov 'Izrael. And everi wun dat
hat forsac'n hszez, or bræden, or sisterz,
or fqder, or muder, or wif, or gildren, or
landz, for m]j namz sac, fal resév an hun-
dred fold, and fal inherit éverlqstij lif.
30 But meni [dat qr] ferst fal be lqst ; and

20 de lqst [fal be] ferst. (1) For de eijndum
 ov hev'n iz hje untu a man [dat iz]
 an h'sholder, hwiġ went st erli in de
 mornij tuu hij laburerz intuu hiz vinyerd.
 2 And hwen he had agréd wið de laburerz
 fer a peni adá, he sent dem intuu hiz
 3 vinyerd. And he went st abót de tord
 sr, and se uderz standij id'l in de m'qreet
 4 plas, and sed untu dem, Go ye elso intuu
 de vinyerd, and hwotsoéver iz rjt i wil
 5 giv u. And da went dar wa. Agén he
 went st abót de siest and njnt sr, and
 6 did l'jewiz. And abót de elévn't sr he
 went st, and fsnd uderz standij id'l, and
 set untu dem, ¿Hwi stand ye her ol de
 7 da id'l. ¿a sa untu him, Becóz no man
 hat h'rd us. He set untu dem, Go ye
 elso intuu de vinyerd: and hwotsoéver iz
 8 rjt, [dat] fal ye resév. So hwen ev'n woz
 cum, de lord ov de vinyerd set untuu hiz
 stuerd, Col de laburerz, and giv dem [dar]
 hij, begíniġ from de lqst untu de ferst.
 9 And hwen dá cam dat [wer h'rd] abót
 de elévn't sr, da resévd everi man a peni.
 10 But hwen de ferst cam, da supózd dat
 da fjad haw resévd mor; and da l'jewiz
 11 resévd everi man a peni. And hwen da
 had resévd [it], da murmurd agénst de
 12 gudman ov de hss, saij, ¿ez lqst hav rot
 [but] wun sr, and ds hast mad dem ewal
 untu us, hwiġ hav born de burd'n and
 13 het ov de da. But he qnsrd wun ov dem,
 and sed, Frend, i dau dé no roy: ¿didst
 14 not ds agré wið me for a peni. Tac [dat]
 diġ [iz], and go di wa: i wil giv untu di
 15 lqst, ev'n az untu dé. ¿Iz it not leful
 for me tuu dau hwot i wil wið m'jn on.
 16 ¿Iz diġ i ev'l, becóz i am gud. So de
 lqst fal be ferst, and de ferst lqst: for
 meni be celd, but f'j goz'n.
 17 AND Jezus goij up tuu Jeruzalem tue
 de twely disj'plz apárt in de wa, and sed
 18 untu dem, Behóld, we go up tuu Jeruz-
 alem; and de Sun ov man fal be betrád
 untu de ġef prests and untu de scrijz,
 19 and da fal condém him tuu det, and fal
 deliver him tuu de Jentilz tuu moe, and tuu
 seuriġ, and tuu crusiġi [hinn]: and de tord
 da he fal rjz agén.
 20 Den cam tuu him de muðer ov Zebedez
 gildren wið her sunz, wurġipij [him], and
 21 deziġrij a serten tiġ ov him. And he sed
 untu her, ¿Hwot wilt ds. Xe set untu
 him, Grnt dat dez mġ t'f sunz ma sit,
 de wun on di rjt hand, and de uder on
 22 de left, in di eijndum. But Jezus qnsrd
 and sed, Ye no not hwot ye qse. ¿Ar
 ye ab'l tuu drige ov de cup dat i fal drige
 ov, and tuu be baptjz wið de baptiz'm
 dat i am baptjz wið. ¿a sa untu him,
 23 We qr ab'l. And he set untu dem, Ye
 fal drige indéd ov mġ cup, and be baptjz
 wið de baptiz'm dat i am baptjz wið:
 but tuu sit on mġ rjt hand, and on mġ
 left, iz not mġn tuu giv, but [it] fal be
 giv'n tuu dém] for h'um it iz prepárd ov
 mġ Fqder.
 24 And hwen de ten herd [it], da wer

20 muivd wið indignafun agénst de tuu
 bredren. (25) But Jezus celd dem [untu
 him], and sed, Ye no dat de prinsez ov de
 Jentilz eesersiz dominyun over dem, and
 dá dat qr grat eesersiz etoriti upón dem.
 26 But it fal not be so amáj u: but hu-
 soéver wil be grat amáj u, let him be
 27 qr minister; and huusoéver wil be ġef
 28 amáj u, let him be qr servant: ev'n az
 de Sun ov man cam not tuu be ministerd
 untu, but tuu minister, and tuu giv hiz lġ
 a ransom for meni.
 29 And az da departed from Jerico, a grat
 30 multituð folod him. And, behóld, tuu
 bljnd men sitiġ bi de wa sġd, hwen da
 herd dat Jezus pást bi, erjd st, saij,
 Hav mersi on us, o Lord, [ds] sun ov
 31 David! And de multituð rebúet dem,
 becóz da fjad hold dar pes: but da erjd
 de mor, saij, Hav mersi on us, o Lord,
 32 [ds] sun ov David! And Jezus stud stil,
 and celd dem, and sed, ¿Hwot wil ye
 33 dat i fal dau untu u. ¿a sa untu him,
 34 Lord, dat sr iz ma be op'nd. So Jezus
 had compafun [on dem], and tuġt dar
 iz: and inedyetli dar iz resévd sġt, and
 da folod him.
 21 AND hwen dá druu nj untu Jeruz-
 alem, and wer cum tuu Betsaje, untu
 de msnt ov Olivz, den sent Jezus tuu
 2 disj'plz, saij untu dem, Go intuu de vilġ
 over agénst u, and stratwa ye fal fjd
 an qs tġd, and a colt wið her: luis [dem],
 3 and briġ [dem] untu me. And if eni
 [man] sa ot untu u, ye fal sa, ¿de Lord
 hat ned ov dem; and stratwa he wil send
 4 dem. (Ol diis woz dun, dat it mġt be
 fultfild hwiġ woz spoe'n bi de profet, saij,
 5 Tel ye de deter ov Sjun, Behóld, di ġij
 eunet untu dé, mee, and sitiġ upón an
 6 qs, and a colt de fol ov an qs.) And de
 disj'plz went, and did az Jezus comqnded
 7 dem, and brót de qs, and de colt, and
 put on dem dar clodz, and da set [him]
 8 darón. And a veri grat multituð spred
 dar ġrments in de wa; uderz eut d'n
 brqncez from de trez, and strood [dem]

I indéd hav baptizd u wid woter: but he sal baptiz u wid de Holi Gost. 9 And it cam tuu pqs in doz daz, dat Jezus cam from Nazaret ov Galile, and woz 10 baptizd ov Jon in Jordan. And stratwa cumij up st ov de woter, he so de hev'niz op'nd, and de Spirit lje a duv deséndij 11 upón him: and dar cam a vos from hev'n, [saj], I's qrt mj belúved Sun, in hum i am wel plezd. 12 And imedyelli de spirit drjvet him intuu 13 de wildernes. And he woz dar in de wil- dernes forti daz, tented ov Satan; and woz wid de wjld bests; and de anjels min- isterd untuu him. 14 **N**s qfter dat Jon woz put in priz'n, Jezus cam intuu Galile, pregtij de gospel ov 15 de cijnđum ov God, and saij, Ite tjm iz fulfild, and de cijnđum ov God iz at hand: repēt ye, and belév de Gospel. 16 **N**s az he woet bj de se ov Galile, he so Sjun and Andruu hiz bruder cąstij a net 17 intuu de se: for da wer fiserz. And Jezus sed untu dem, Cunu ye qfter me, and i wil 18 mac u tui becūm fiserz ov men. And stratwa da forsúe dar nets, and folod him. 19 And hwen he had gon a lit'l fqrder dens, he so Jamz de [sun] ov Zebede, and Jon hiz bruder, hui olso wer in de sip mendij 20 dar nets. And stratwa he cold dem: and da left dar fqder Zebede in de sip wid de hjrd servants, and went qfter him. 21 And da went intuu Capérnaum; and stratwa on de sabat da he enterd intuu de 22 sinagog, and tot. And da wer astónist at hiz doctrin: for he tot dem az wun dat 23 had otoriti, and not az de serjz. And dar woz in dar sinagog a man wid an unclén 24 spirit; and he erjd st, saij, Let [us] alón; I hwot hav we tui duu wid dē, d's Jezus ov Nazaret; I qrt d's cum tui destró us; i no 25 dē hui d's qrt, de Holi Wun ov God. And Jezus rebjct him, saij, Hold dj pes, and

1 cum st ov him. (26) And hwen de unclén spirit had torn him, and erjd wid a lsd vos, 27 he cam st ov him. And da wer ol amázd, insomúg dat da ewestyund amúg demsélvz, saij, I hwot tijn iz d's; I hwot nu doctrin [iz] d's; for wid otoriti comądet he ev'n de unclén spirits, and da duu obá him. 28 And imedyelli hiz fam spred abród trušt ol de rejun rsnd abst Galile. 29 And fortwit, hwen da wer cum st ov de sinagog, da enterd intuu de hys ov Sjun 30 and Andruu, wid Jamz and Jon. But Sjunuz wjfs muder la sie ov a fever, and 31 anón da tel him ov her. And he cam and tue her bj de hand, and lifted her up; and imedyelli de fever left her, and se ministerd untuu dem. 32 And at ev'n, hwen de sun did set, da brot untuu him ol dat wer dizédz, and dém 33 dat wer pozést wił dev'z. And ol de siti 34 woz gaderd tuggéder at de dör. And he held meni dat wer sie ov djerz dizeez, and cąst st meni dev'z; and suferd not de dev'z tui spec, becóz da nu him. 35 And in de mornij, rjzij up a grat hwjł befór da, he went st, and depqrted intuu a 36 sóliteri plas, and dar prad. And Sjun and dá dat wer wid him folod qfter him. 37 And hwen da had fsnd him, da sed untuu 38 him, Ol [men] sec for dē. And he sed untuu dem, Let us go intuu de neest tsnz, dat i ma preg dar olso: for darfor cam i 39 fort. And he pregt in dar sinagogz trušt ol Galile, and cąst st dev'z. 40 And dar cam a leper tui him, beseqij him, and neliq dsn tui him, and saij untuu him, If d's wilt, d's const mac me clen. 41 And Jezus, muvđ wid compafun, put fort [hiz] hand, and tuqt him, and set untuu him, I wil; be d's clen. And az sun az he had spoc'n, imedyelli de leprusi depqrted 42 from him, and he woz clenzd. And he stratli gqrjd him, and fortwit sent him 43 awá; and set untuu him, Se d's sa nutij tui eni man: but go dj wa, jo djsélf tui de prest, and ofer for dj clenzij doz tijn hwig Mozez comądet, for a téstimuni untuu 44 dem. But he went st, and begán tui publi [it] muq, and tui blaz abród de mater, insomúg dat Jezus cud no mor op'ni enter intuu de siti, but woz wiđst in dezert plasez: and da cam tui him from everi cworter. 2 **A**ND agén he enterd intuu Capérnaum qfter [sum] daz; and it woz nozd dat 2 he woz in de hys. And stratwa meni wer gaderd tuggéder, insomúg dat dar woz no rum tui res'v [dem], no, not so muq az abst de dör: and he pregt de wurd untuu 3 dem. And da cum untuu him, bripij wun sie

ov de polzi, hwiġ woz born ov för. (4) And hwen da ead not eum nġ untu him för de pres, da unœverd de ruif hwar he woz : and hwen da had broe'n [it] up, da let dsn de bed hwarin de sie ov de polzi la. Hwen Jezus so dar fat, he sed untu de sie ov de polzi, Sun, dġ sinz be fergiv'n dé. But dar wer scerten ov de serjz sitġ dar, and reznġ in dar hqrts, ġ Hwġ dūt dīs [man] dūs spec blasfemiz ; ġ hūa ean fergiv sinz but God onli. And imedyetli hwen Jezus persēvd in luz spirit dat da so rez'nd widin demsēlvz, he sed untu dem, ġ Hwġ rez'n ye dez tinz in ur hqrts. ġ Hweder iz it ezier tu sa tu de sie ov de polzi, [dġ] sinz be fergiv'n dé ; or tu sa, Arġz, and tac up dġ bed, and woc. But dat ye ma nō dat de Sun ov man hat pser on ert tu fergiv sinz, (he set tu de sie ov de polzi,) ġ sa untu dé, Arġz, and tac up dġ bed, and go dġ wa untu dġn hss. And imedyetli he arōz, tac up de bed, and went fort beför dem ol ; insomūġ dat da wer ol anāzēd, and glorifġd God, sain, We never so it on dīs faġun.

AND he went fort agēn bġ de se sġd ; and ol de multityd rezerted untu him, and he tot dem. And az he pqt bġ, he so Levġ de [sun] ov Alfeus sitġ at de resēt ov eustum, and sed untu him, Folo me. And he arōz and folod him. And it cam tu pqs, dat, az Jezus sat at met in hiz hss, meni publicanz and sinerz sat also tuġēder wid Jezus and hiz disġp'lz : för dar wer meni, and da folod him. And hwen de serjz and farisez so him et wid publicanz and sinerz, da sed untu hiz disġp'lz, ġ Hs iz it dat he etet and driġcet wid publicanz and sinerz. Hwen Jezus herd [it], he set untu dem, dā dat qr hol hav nō ned ov de fizġm, but dā dat qr sie : ġ eam not tu col de rġtyus, but sinerz tu repētans.

And de disġp'lz ov Jon and ov de farisez yst tu fqt : and da eum and sa untu him, ġ Hwġ du de disġp'lz ov Jon and ov de farisez fqt, but dġ disġp'lz fqt not. And Jezus sed untu dem, ġ Can de gildren ov de brġd-gamber fqt, hwġ de brġdgrum iz wid dem ; az loġ az da hav de brġdgrum wid dem, da canot fqt. But de daz wil eum, hwen de brġdgrum fal be tac'n awā from dem, and den fal da fqt in dōz daz. Nō man also soet a pes ov nġ clet on an old garment : els de nġ pes dat fild it up tacet awā from de old, and de rent iz mad wurs. And no man putet nġ wġn untu old bot'lz : els de nġ wġn dūt burst de bot'lz, and de wġn iz spilt, and de bot'lz wil be mqrđ : but nġ wġn must be put untu nġ bot'lz.

AND it cam tu pqs, dat he went tru de eorn feldz on de sabat da ; and hiz disġp'lz begān, az da went, tu plue de erz ov eorn. And de farisez sed untu him, Behōld, ġ hwġ du da on de sabat da dāt hwiġ iz not loful. And he sed untu dem, ġ Hav ye never red hwot David did, hwen he had ned, and woz an hungeređ, hé, and dā dat

2 wer wid him. (26) ġ Hs he went intu de hss ov God in de daz ov Abġater de hġ prest, and did et de fōbred, hwiġ iz not loful tu et but for de prests, and gav also tu dem 27 hwiġ wer wid him. And he sed untu dem, dīs sabat woz mad for man, and not man 28 för de sabat : darfor de Sun ov man iz Lord also ov de sabat.

3 AND he enterd agēn intu de sinagog ; and dar woz a man dar hwiġ had a widerd 2 hand. And da woġt him, hweder he wud hel him on de sabat da ; dat da mġt acġz 3 him. And he set untu de man hwiġ had 4 de widerd hand, Stand fort. And he set untu dem, ġ Iz it loful tu du gud on de 5 sabat daz, or tu du ev'l ; ġ tu sav lġf, or 5 tu cil. But da held dar pes. And hwen he had luēt rsnd abōt on dem wid anġer, beġ grevd för de hqrdnes ov dar hqrts, he set untu de man, Streġ fort dġn hand. And he streġ [it] st : and hiz hand woz 6 restōrd hol az de uder. And de farisez went fort, and stratwa tue exnsel wid de Herod- 7 dianz agēst him, hs da mġt destrō him.

7 BUT Jezus widdrū himsēlf wid hiz disġp'lz tu de se : and a grat multityd 8 from Galile folod him, and from Judea, 8 and from Jeruzalem, and from Idumea, and [from] beyōnd Jordan ; and dā abōt 9 Tġr and Sġdun, a grat multityd, hwen da had herd hwot grat tinz he did, cam untu 9 him. And he spae tu hiz disġp'lz, dat a smol fġp fud wat on him becōz ov de mul- 10 tityđ, lest da fud troġ him. För he had held meni ; insomūġ dat da prest upōn him 11 for tu tuġ him, az meni az had plagz. 11 And unclēn spirits, hwen da so him, fel dsn beför him, and erġđ, sain, dīs qrt de 12 sun ov God. And he stratli qorġđ dem dat da fud not mac him non.

13 AND he goet up intu a msnten, and colet [untu him] hūm he wūd : and da 14 cam untu him. And he ordānd twelv, dat da fud be wid him, and dat he mġt send 15 dem fort tu preġ, and tu hav pser tu hel 16 sienesez, and tu eqst st dev'lz : and Sġmun 17 he surnāmd Peter ; and Jamz de [sun] ov Zebede, and Jon de bruder ov Jamz ; (and he surnāmd dem Boanérġez, hwiġ iz, dē 18 sunz ov tunder :) and Andru, and Filip, and Barġolomġ, and Matġ, and Tomas, 19 and Jamz de [sun] ov Alfeus, and Tadeus, 19 and Sġmun de Cānaanġ, and Jydas Is- cariut, hwiġ also betrád him.

20 AND da went intu en hss. And de multityd eumet tuġēder agēn, so dat da 21 ead not so muġ az et bred. And hwen hiz frendz herd [ov it], da went st tu la hold on him : för da sed, He iz besġd him- 22 sēlf. And de serjz hwiġ cam dsn from Jeruzalem sed, He hat Beelzebub, and bġ de prins ov de dev'lz eqstet he st dev'lz. 23 And he cold dem [untu him], and sed untu dem in parol'z, ġ Hs ean Satan eqst 24 st Satan. And if a cġydum be dividēd 25 agēst itsēlf, dāt cġydum canot stand. And if a hss be dividēd agēst itsēlf, dāt hss canot stand.

3 26 And if Satan riz up agénst himsélf, and be dividet, he canot stand, but hat an end.
27 .No man can enter intui a strop manz hss, and spol hiz gadz, eesépt he wil ferst bind de strop man; and den he wil spol hiz hss.
28 .Verili i sa untu u, Ol sinz sal be forgiv'n untu de sunz ov men, and blasfemiz hwar-

32 .Dar cam den hiz bredren and hiz muðer, and, standij wiðst, sent untu him, celiñ

14 .And he sed untu dem, i No ye not dis paráb'l; and ihs den wil ye no ol paráb'lz.
15 .He soer soet de wurd. (15) And dez qr dá bi de wa sjd, hwar de wurd iz son; but hwen da hav herd, Satan eumet imedyetli, and tacet awá de wurd dat woz son in dar

21 And he sed untu dem, i Iz a cand'l brot tu be put under a buçel, or under a bed;
22 and i not tu be set on a cand'lstic. For dar iz nutij hid, hwiç sal not be máni-

28 .For de ert briçet fort fruit ov hersélf; ferst de blad, den de er, qfter dát de fud

5 AND da cam over untu de uder sjd ov de se, intui de cuntri ov de Gadaréñz.
2 .And hwen he woz eum st ov de sip, imed-
3 yetli dar met him st ov de tumz a man
4 wid an unclén spirit, hui had [hiz] dweliñ amúy de tumz; and no man ead bind

But hwen he se Jezus afȳr of, he ran and wur-sipt him, and erjd wid a lsd vœs, and sed, ȳ Hwot hav i tu du wid dē, Jezus, [dȳ] Sun ov de most hȳ God; i aȳr dē bȳ God, dat dȳ termēt me not. Fœr he sed untu him, Cum st ov de man, [dȳ] unclēn spirit. And he qset him, ȳ Hwot [iz] dȳ nam. And he qnsed, saig, Mȳ nam [iz] Lejun: fœr we qr meni. And he besōt him muȳ dat he wud not send dem awā st ov de cuntri. Nȳ dar woz nȳ untu de mœntenz a grat herd ov swjn fedij. And ol dē dev'z besōt him, saig, Send us intu de swjn, dat we ma enter intu dem. And fortwīt Jezus gav dem lev. And de unclēn spirits went st, and enterd intu de swjn: and dē herd ran vjœlentli dsn a step plas intu de se, (da wer abōt tū tszend); and wer ȳœt in de se. And dā dat fed de swjn fled, and told [it] in de siti, and in de cuntri. And da went st tu se hwot it woz dat woz dun. And da cum tu Jezus, and se him dat woz pozēst wid de dev'l, and had de lejun, sitij, and elōdd, and in hiz rȳt mjnd: and da wer afrād. And dā dat se [it] told dem hȳ it befēl tu him dat woz pozēst wid de dev'l, and [olso] consērnij de swjn. And da begān tu pra him tu depȳrt st ov dar cōsts. And hwen he woz cum intu de sip, hē dat had ben pozēst wid de dev'l prad him dat he mȳt be wid him. Hsbeit Jezus suferd him not, but set untu him, Gœ hom tu dȳ frendz, and tel dem hȳ grat tinȳ de Lœrd hat dun for dē, and hat had compasun on dē. And he depȳrted, and begān tu publiſ in Decapolis hȳ grat tinȳ Jezus had dun for him: and ol [men] did mȳrvel.

AND hwen Jezus woz pȳst over agēn bȳ sip untu de ȳder sȳd, muȳ pep'l gaderd untu him: and he woz nȳ untu de se. And, behōld, dar cumet wun ov de rulerz ov de sinagog, Jajrus bȳ nam; and hwen he se him, he fel at hiz fet, and besōt him gratli, saig, Mȳ lit'l dœtȳr hȳt at de pont ov dēt: [i pra dē,] cum and la dȳ handz on her, dat se ma be held; and se fal liv. And [Jezus] went wid him; and muȳ pep'l folod him, and troȳd him.

And a serten wuman, hwiȳ had an ifu ov blud twelv yerz, and had suferd meni tinȳ ov meni fizijanz, and had spent el dat se had, and woz nutij beterd, but rȳder gruu wurs, hwen se had herd ov Jezus, cam in de pres behȳnd, and tuȳt hiz gȳrment. Fœr se sed, If i ma tuȳ but hiz elōdz, i fal be hol. And stratwa de fsnten ov her blud woz drȳd up; and se felt in [her] bodi dat se woz held ov dāt plag. And Jezus, imȳdyetli noȳ in himselċ dat vertȳ had gon st ov him, turnd him abōt in de pres, and sed, ȳ Hūa tuȳt mȳ elōdz. And hiz disp'lz sed untu him, Dȳ seest dē multitiȳd troȳij dē, and ȳ saest dȳ, ȳ Hūa tuȳt me. And

35 Hwȳl he yet spae, dar cam from de ruler ov de sinagogz [hȳs serten] hwiȳ sed, Dȳ dœtȳr iz ded: ȳ hwȳ trublest dȳ de Mȳster 36 eni fȳrder. Az sum az Jezus herd dē wurd dat woz spœ'n, he set untu de ruler ov de 37 sinagog, Be not afrād, onli belēv. And he suferd no man tu folo him, sav Peter, and 38 Jamz, and Jon de bruder ov Jamz. And he cumet tu de hȳs ov de ruler ov de sinagog, and seet de tȳmult, and dēm dat 39 wept and wald gratli. And hwen he woz cum in, he set untu dem, ȳ Hwȳ mae ye dis adū, and wep; de damzel iz not dēd, but 40 slepet. And dā lȳft him tu seern. But hwen he had put dem el st, he tacet de fȳder and de muder ov de damzel, and dēm dat wer wid him, and enteret in hwar 41 de damzel woz lȳij. And he tue de damzel bȳ de hand, and sed untu her, Talita eumȳ; hwiȳ iz, beȳn interpreted, Damzel, i sa untu 42 dē, arȳz. And stratwa de damzel arȳz, and weet; for se woz [ov de aȳ] ov twelv yerz. And da wer astōnȳft wid a grat astōnȳf- 43 ment. And he ȳrȳd dem stratli dat no man fud nœ it; and comȳnded dat sumtiȳ fud be giv'n her tu et.

6 AND he went st from dēns, and cam intu hiz on cuntri; and hiz disp'lz folo 2 him. And hwen dē sabat da woz cum, he begān tu tēȳ in de sinagog: and meni herij [him] wer astōnȳft, saig, ȳ From hwens hat dȳ [man] dez tinȳ; and ȳ hwot wizdum [iz] dȳ hwiȳ iz giv'n untu him, dat ev'n suȳ mȳti wures qȳ rot bȳ hiz handz. 3 ȳ Iz not dȳ de cȳrpenter, de sun ov Mari, de bruder ov Jamz, and Jœzeȳ, and ov Jȳda, and Sȳmun; and ȳ qȳ not hiz sistez her wid us. And da wer ofēnded at him.

4 But Jezus sed untu dem, A profet iz not widōt onȳr, but in hiz on cuntri, and amȳȳ 5 hiz on ein, and in hiz on hȳs. And he ead dar du no mȳti wure, sav dat he lad hiz handz upōn a fȳ sic fœc, and held [dem]. 6 And he mȳrvelȳd becȳȳ ov dar unbelēf. And he went rsnd abōt de vilȳȳȳ, tȳȳij.

7 And he celd [untu him] dē twelv, and begān tu send dem fort bȳ tū and tū; 8 and gav dem prœr over unclēn spirits; and comȳnded dem dat da fud tac nutij fœr [dar] jurni, sav a stȳf onli; no scrip, no 9 bred, no muni in [dar] purs: but [be] fœd wid sandalz; and not put on tū cōts. 10 And he sed untu dem, Tu hwot plas soēvȳr ye enter intu an hȳs, dar abȳd tȳl ye depȳrt 11 from dāt plas. And hȳusoēvȳr fal not resēv ȳ, nœr her ȳ, hwen ye depȳrt dēns, fac œf dē dust under ȳr fet fœr a tȳstimȳni agēnt dem. Verili i sa untu ȳ, It fal be mœr tȳlerab'l fœr Sȳdum and Gomȳra in dē da 12 ov jȳjment, dan for dāt siti. And da went 13 st, and prȳȳt dat men fud repēt. And dā

 14 man dat cumet intui de wurd. Æe woz in
 15 de wurd, and de wurd woz mad bi him,
 16 and de wurd nu him not. Æe cam untui
 17 hiz on, and hiz on resēvd him not. But az
 18 meni az resēvd him, tu dēm gav he pser
 19 tu beciūm de sunz ov God, [ev'n] tu dēm
 20 dat belēv on hiz nam: hwig wer bern, not
 21 ov blud, nor ov de wil ov de fles, nor ov de
 22 wil ov man, but ov God. And de Wurd
 23 woz mad fles, and dwelt amūn us, (and
 24 we behēld hiz glori, de glori az ov de
 25 onli begōt'n ov de Fqder,) ful ov gras
 26 and truft.
 27 Jon bar witnes ov him, and crijd, saig,
 28 Æiz woz hē ov hum i spae, Æē dat cumet
 29 qfter me iz prefērd befōr me: for he wōz
 30 befōr me. And ov hiz fulnes hav el we
 31 resēvd, and gras fer gras. Fer de Le woz
 32 giv'n bi Mōzez, [but] gras and truft cam
 33 bi Jezus Crīst. No man hat sen God at
 34 eni tīn; de onli-begōt'n Sun, hwig iz in de
 35 buzum ov de Fqder, [hē] hat declārd him.
 36 **A**ND dis iz de record ov Jon, hwen de
 37 Jh̄z sent prests and Levīts from Jeruz-
 38 alem tu qse him, s̄ Hū qrt d̄s. And he
 39 confest, and denj̄d not; but confest, s̄ am
 40 not de Crīst. And ða qset him, s̄ Hwot
 41 den. s̄ Art d̄s Elj̄as. And he set, s̄ am
 42 not. s̄ Art d̄s dat profet. And he qnsērd,
 43 No. Æen sed ða untui him, s̄ Hū qrt d̄s;
 44 dat we ma giv an qnsērd tu dēm dat sent
 45 us. s̄ Hwot saest d̄s ov d̄sēlf. Æe sed, s̄
 46 [am] de vos ov wun crīj in de wildernes,
 47 Mac strat de wa ov de Lord, az sed de
 48 profet Ezaas. And ða hwig wer sent wer
 49 ov de farisez. And ða qset him, and sed
 50 untui him, s̄ Hwī baptizest d̄s den, if d̄s be
 51 not dat Crīst, nor Elj̄as, neder dat profet.
 52 Jon qnsērd dem, saig, s̄ baptiz wið woter:
 53 but ðar standet wun amūn ū, hum ye no

 55 befōr me, huiz suz laet i am not wurdi
 56 tu unliās. Æez tiņz wer dum in Betabara,
 57 beyōnd Jordan, hwar Jon woz baptizīj.
 58 Æe neest da Jon seet Jezus cumīj untui
 59 him, and set, Behōld de Lam ov God, hwig

1 tacet awā de sin ov de wurd! (30) Æis iz hē
 2 ov hum i sed, After me cumet a man hwig
 3 iz prefērd befōr me: for he wōz befōr me.
 4 And i nū him not: but dat he suð be mad
 5 manifest tu 'Israel, ðarfor am i cum bap-
 6 tizīj wið woter. And Jon bar record, saig,
 7 s̄ so de Spirit desēndīj from hev'n liē a
 8 dūv, and it abōd upōn him. And i nū him
 9 not: but hē dat sent me tu baptiz wið
 10 woter, de sam sed untui me, Upōn hūm d̄s
 11 salt se de Spirit desēndīj, and remanīj on
 12 him, de sam iz hē hwig baptizet wið de
 13 Holi Gost. And i so, and bar record dat
 14 dis iz de Sun ov God.
 15 Agēn de neest da qfter Jon stud, and tū

 17 weet, he set, Behōld de Lam ov God!
 18 And de tū disip'lz herd him spee, and ða
 19 folod Jezus.
 20 Æen Jezus turnd, and so dem fōloīj, and
 21 set untui dem, s̄ Hwot sec ye. ða sed
 22 untui him, Rabi, (hwig iz tu sa, beig inter-
 23 preted, Mqster,) s̄ hwar dwelest d̄s. Æe
 24 set untui dem, Cum and se. ða cam and
 25 so hwar he dwelt, and abōd wið him dat
 26 da: fer it woz abst de tent s̄r. Wun ov
 27 de tū hwig herd Jon [spee], and folod him,
 28 woz Andru, Sīmun Peterz bruder. He
 29 fēst fīndet hiz on bruder Sīmun, and set
 30 untui him, We hav fēnd de Mesīas, hwig
 31 iz, beig interpreted, de Crīst. And he brot
 32 him tu Jezus. And hwen Jezus behēld
 33 him, he sed, d̄s qrt Sīmun de sun ov Jona:
 34 d̄s salt be cōld Sefas, hwig iz bi interpret-
 35 aīn, A ston.
 36 Æe da fōloīj Jezus wād go fort intui
 37 Galile, and fīndet Filip, and set untui him,
 38 Folo me. Ns Filip woz ov Betsada, de
 39 siti ov Andru and Peter. Filip fīndet
 40 Natānael, and set untui him, We hav fēnd
 41 hūm, ov hum Mōzez in de Le, and de
 42 Profets, did rīt, Jezus ov Nazaret, de sun
 43 ov Jozef. And Natānael sed untui him,
 44 s̄ Can ðar eni gud tīj cum s̄t ov Nazaret.
 45 Filip set untui him, Cum and se. Jezus so
 46 Natānael cumīj tu him, and set ov him,
 47 Behōld an 'Israelīt indēd, in hum iz no
 48 gīl! Natānael set untui him, s̄ Hwens
 49 noest d̄s me. Jezus qnsērd and sed untui
 50 him, Befōr dat Filip cold dē, hwen d̄s wost
 51 under de fig tre, i so dē. Natānael qnsērd
 52 and set untui him, Rabi, d̄s qrt de Sun ov
 53 God; d̄s qrt de Cij ov 'Israel. Jezus qnsērd
 54 and sed untui him, Becōz i sed untui
 55 dē, s̄ so dē under de fig tre, s̄ belevest d̄s;
 56 d̄s salt se grater tiņz ðan ðez. And he set
 57 untui him, Verilī, verilī, i sa untui ū, Her-
 58 qfter ye sal se hev'n op'n, and de anjēl
 59 ov God asēndīj and desēndīj upōn de Sun
 60 ov man.

2 AND de terd da dar woz a marij in Cana ov Galile; and de muder ov Jezus woz dar: and bot Jezus woz cold, and hiz 3 disjip'lz, tuu de marij. And hwen da wonted win, de muder ov Jezus set untu him, 'Da hav no win. Jezus set untu her, Wuman, 4 'et hwot hav i tuu duu wið dé; mjin sr iz not yet cum. Hiz muder set untu de servants, 5 Hwotsoéver he set untu u, duu [it]. And dar wer set dar sies waterpots ov ston, 6 qfter de maner ov de púrfijj ov de Jydz, contanij tuu or tre fercinz apés. Jezus set untu dem, Fil de waterpots wid water. 7 And da fild dem up tuu de brim. And he set untu dem, Dro st nx, and bar untu de guverner ov de fest. And da bar [it]. 8 Hwen de ruler ov de fest had tasted de weter dat woz mad win, and nu not hwens it woz; (but de servants hwig druu de weter nu;) de guverner ov de fest cold de bridgrum, and set untu him, Everi man at de beginij dut set fort gud win; and hwen men hav wel drunje, den dát hwig iz wurs: [but] ds hast cept de gud win until nx. 9 Dis beginij ov mirac'lz did Jezus in Cana ov Galile, and manifestet fort hiz glori; and hiz disjip'lz belévd on him. 10 After dis he went dsn tuu Capérnaum, he, and hiz muder, and hiz brédren, and hiz disjip'lz: and da contínjd dar not meni daz. 11 AND de Jydz pqs-over woz at hand, and Jezus went up tuu Jeruzalem, and fmsd in de temp'l döz dat sold oes'n and sep and 12 duvz, and de ganjerz ov muni sitiij: and hwen he had mad a seurj ov smol eordz, he drov dem el st ov de temp'l, and de sep, and de oes'n; and pord st de ganjerz muni, 13 and overtrú de tab'lz; and sed untu dem dat sold duvz, Tac dez tijz hens; mac not 14 mji Fqderz hys an hys ov mergandjz. And hiz disjip'lz reménberd dat it woz rit'n, 'De zel ov dñn hss hat et'n me up. 15 Den qnserd de Jydz and sed untu him, 'Hwot sijn joest ds untu us, seij dat ds 16 duwest dez tijz. Jezus qnserd and sed untu dem, Destró dis temp'l, and in tre 17 daz i wil raz it up. Den sed de Jydz, Ferti and sies yerz woz dis temp'l in bildij, and 18 'i wilt ds rer it up in tre daz. But he spae 19 ov de temp'l ov hiz bodi. Hwen darfor he woz riz'n from de ded, hiz disjip'lz reménberd dat he had sed dis untu dem; and da belévd de Scriptur, and de wurd hwig Jezus had sed. 20 Ns hwen he woz in Jeruzalem at de pqs-over, in de fest [da], meni belévd in hiz nam, hwen da so de mirac'lz hwig he 21 did. But Jezus did not comit himself untu dem, becóz he nu el [men], and neded not dat eni fjad testijj ov man: for he nu hwot woz in man. 22 FAR woz a man ov de farisez, namd Nicodemus, a ruler ov de Jydz: (2) de sam cam tuu Jezus bi nji, and sed untu him, Rabi, we no dat ds qrt a teqer cum from God: for no man can duu dez mirac'lz dat ds duwest, eesépt God be wid him.

3 3 Jezus qnserd and sed untu him, Verili, verili, i sa untu dé, Eesépt a man be born agén, he canot se de cindum ov God. 4 Nicodemus set untu him, 'Hs can a man be born hwen he iz old; 'can he enter de secund tijn intui hiz muderz wum, and be born. 5 Jezus qnserd, Verili, verili, i sa untu dé, Eesépt a man be born ov weter and [ov] de Spirit, he canot enter intui de cindum ov 6 God. Dát hwig iz born ov de fleš iz fleš; and dát hwig iz born ov de Spirit iz spirit. 7 Mqrvel not dat i sed untu dé, Ye must be 8 born agén. De wind bloet hwar it listet, and ds herest de ssnd daróf, but canst not tel hwens it cumet, and hwider it goet: so iz everi wun dat iz born ov de Spirit. 9 Nicodemus qnserd and sed untu him, 'Hs can dez tijz be. 10 Jezus qnserd and sed untu him, 'Art ds a mqster ov 'Israel, and noest not dez 11 tijz. Verili, verili, i sa untu dé, We spec dát we duu no, and testijj dát we hav sen; and ye resév not sr witnes. If i hav told u 12 ertli tijz, and ye belév not, 'hs sal ye 13 belév, if i tel u [ov] hev'li tijz. And no man hat asénded up tuu hev'n, but hé dat cam dsn from hev'n, [ev'n] de Sun ov man 14 hwig iz in hev'n. And az Mózes lifted up de serpent in de wildernes, ev'n so must de 15 Sun ov man be lifted up: dat husoéver belevet in him fjad not perif, but hav etérnal 16 lif. For God so luvd de wurd, dat he gav hiz onli begót'n Sun, dat husoéver belevet in him fjad not perif, but hav everlastij lif. 17 For God sent not hiz Sun intui de wurd tuu condém de wurd; but dat de wurd tru 18 him mjt be savd. Hé dat belevet on him iz not condém'd: but hé dat belevet not iz condém'd elrédi, becóz he hat not belévd in de nam ov de onli begót'n Sun ov God. 19 And dis iz de condemnafun, dat ljt iz cum intui de wurd, and men luvd dqrcnes rader 20 dan ljt, becóz dar dedz wer ev'l. For everi wun dat duet ev'l hatet de ljt, neder cumet tuu de ljt, lest hiz dedz fjad be reprúvd. 21 But hé dat duet trut cumet tuu de ljt, dat hiz dedz ma be mad manifest, dat da qr ret in God. 22 AFTER dez tijz cam Jezus and hiz disjip'lz intui de land ov Judea; and dar 23 he tarid wið dem, and baptjzd. And Jon also woz baptizij in Encn ner tuu Salim, becóz dar woz muq weter dar: and da 24 cam, and wer baptjzd. For Jon woz not yet cqt intui priz'n. 25 Den dar aróz a cwestyun betwén [sum] ov Jonz disjip'lz and de Jydz abót púrfijjij. 26 And da cam untu Jon, and sed untu him, Rabi, hé dat woz wið dé beyónd Jordan, tuu hum ds barest witnes, behóld, de sam baptizet, and el [men] cum tuu him. 27 Jon qnserd and sed, A man can resév nutij, eesépt it be giv'n him from hev'n. 28 Ye úrsélvz bar me witnes, dat i sed, I am not de Crist, but dat i am sent befór him. 29 Hé dat hat de brjd iz de bridgrum: but de frend ov de bridgrum, hwig standet and

- 3 herot him, rejoset gratli becöz ov de bridgrumz vos : dis mj jö darfor iz fulfild.
 30 .He must incrés, but i [must] decrés. (31) Hé dat cumet from abáv iz abáv ol : hé dat iz ov de ert iz ertli, and specet ov de ert: hé
 32 dat cumet from hev'n iz abáv ol. And hwot he hat sen and herd, dát he téstífjet;
 33 and no man resevet hiz téstimuni. Hé dat hat resévd hiz téstimuni hat set tuu hiz sel
 34 dat God iz tru. For hé huu God hat sent specet de wurdz ov God: for God givet
 35 not de Spirit bj mezur [untuu him]. De Fqder luvet de Sun, and hat giv'n ol tinz
 36 intuu hiz hand. Hé dat belevet on de Sun hat everlqstij lif: and hé dat belevet not de Sun fal not se lif; but de rot ov God abijet on him.
- 4 HWEN darfor de Lord nu hs de farisez had herd dat Jezus mad and baptjzd mor
 2 disip'lz dan Jon, (do Jezus himselv baptjzd 3 not, but hiz disip'lz,) .he left Judea, and
 4 departed agén intuu Galile. And he must nedz go tru Samaria. Den cumet he tuu
 5 a siti ov Samaria, hwiq iz celd Sjcqr, ner tuu de pqrsef ov grsnd dat Jacob gav tuu
 6 hiz sun Jozef. Ns Jacobz wel woz dar. Jezus darfor, beij werid wid [hiz] jurni, sat dus on de wel: [and] it woz abst de
 7 sicut sr.
- 7 Har cumet a wuman ov Samaria tuu dro woter: Jezus set untuu her, Giv me tuu
 8 drige. (For hiz disip'lz wer gon awá untuu
 9 de siti tuu bj met.)—Den set de wuman ov Samaria untuu him, ¿ Hs iz it dat ds, beij
 10 a Ju, qseet drige ov me, hwiq am a wuman ov Samaria; for de Juz hav no delipz wid de Samaritanz.
- 10 Jezus qnsrd and sed untuu her, If ds nquest de gift ov God, and huú it iz dat set
 11 tuu dé, Giv me tuu drige; ds wadst hav qset ov him, and he wud hav giv'n dé livij
 12 woter.—De wuman set untuu him, Ser, ds hast nutij tuu dro wid, and de wel iz dep: ¿ from hwens den hast ds dát livij woter.
- 12 ¿ Art ds grater dan sr fqder Jacob, hwiq gav us de wel, and drage darof himselv, and hiz gildren, and hiz cat'l.
- 13 Jezus qnsrd and sed untuu her, Hwso-éver drigeet ov dis woter fal terst agén;
 14 .but hwsoéver drigeet ov de woter dat i fal giv him fal never terst; but de woter dat i fal giv him fal be in him a wel ov woter
 15 sprigij up intuu everlqstij lif.—De wuman set untuu him, Ser, giv me dis woter, dat i terst not, neder cum hider tuu dro.
- 16 Jezus set untuu her, Go, col dj huzbund, and cum hider.—De wuman qnsrd and sed, I hav no huzbund.
- Jezus sed untuu her, Ds hast wel sed, I hav no huzbund: for ds hast had fiv huzbundz; and hé huu ds ns hast iz not
 19 dj huzbund: in dát sedst ds truli.—De wuman set untuu him, Ser, i persév dat ds
 20 prt a profet. Sr fqderz wurjpt in dis msnten; and ye sa, dat in Jeruzalem iz de plas hwar men ot tuu wurjip.
- 21 Jezus set untuu her, Wuman, belév me, de sr cumet, hwen ye fal neder in dis

- 4 msnten, nor yet at Jeruzalem, wurjip de Fqder. (22) Ye wurjip ye no not hwot: we no hwot we wurjip: for salvajun iz ov
 23 de Juz. But de sr cumet, and ns iz, hwen de tru wurjiperz fal wurjip de Fqder in spirit and in truit: for de Fqder seet suq
 24 tuu wurjip him. God [iz] a Spirit: and dá dat wurjip him must wurjip [him] in spirit
 25 and in truit.—De wuman set untuu him, ¿ no dat Mesjas cumet, hwiq iz celd Crjst; hwen he iz cum, he wil tel us ol tinz.
- 26 Jezus set untuu her, I dat spec untuu dé
 27 am [hé].—And upón dis cam hiz disip'lz, and mqrvel dat he tect wid de wuman: yet no man sed, ¿ Hwot secest ds; or,
 28 ¿ Hwiq tceest ds wid her. De wuman den left her woterpot, and went her wa intuu
 29 siti, and set tuu de men, Cum, se a man, hwiq told me ol tinz dat ever i did: ¿ iz
 30 not dis de Crjst. Den da went st ov de siti, and cam untuu him.
- 31 In de men hwil hiz disip'lz prad him, 32 saij, Mqster, et. But he sed untuu dem, 33 I hav met tuu et dat ye no not ov. Darfor sed de disip'lz wun tuu anáder, ¿ Hat eni
 34 man brot him [ot] tuu et. Jezus set untuu dem, Mj met iz tuu duu de wil ov him dat
 35 sent me, and tuu finij hiz wure. ¿ Sa not ye, Iar qr yet for munts, and [den] cumet hqrvest; behóld, i sa untuu u, Lift up ur iz, and luc on de feldz; fer da qr hwjt olrédi
 36 tuu hqrvest. And hé dat repet resevet wajej, and gaderet frut untuu lif etérnal: dat bot hé dat soet and hé dat repet ma
 37 rejós tugéder. And herin iz dát saij tru, 38 Wun soet, and anáder repet. I sent u tuu rep dát hwarón ye bestód no labur: uder men laburd, and ye qr enterd intuu dar laburz.
- 39 And meni ov de Samaritanz ov dát siti belévd on him for de saij ov de wuman, hwiq testifjd, He told me ol dat ever i did.
 40 .So hwen de Samaritanz wer cum untuu him, da besót him dat he wud tari wid
 41 dem: and he abód dar túu daz. And meni
 42 mor belévd becöz ov hiz on wurd; and sed untuu de wuman, Ns we belév, not becöz ov dj saij: for we hav herd [him] srsélvz, and no dat dis iz indéd de Crjst, de Savjur ov de world.
- 43 NS qfter túu daz he departed dens, and
 44 went intuu Galile. For Jezus himselv testifjd, dat a profet hat no onur in hiz on
 45 cuntri. Den hwen he woz cum intuu Galile, de Galileanz resévd him, haviq sen ol de tinz dat he did at Jeruzalem at de fest:
 46 for da also went untuu de fest. So Jezus cam agén intuu Cana ov Galile, hwar he mad de woter wij.
- And dar woz a serten nob'lman, huuz sun
 47 woz sic at Capérnaum. Hwen he herd dat Jezus woz cum st ov Judea intuu Galile, he went untuu him, and besót him dat he wud cum dsu, and hel hiz sun: for he woz at
 48 de pont ov det. Den sed Jezus untuu him, Ecsept ye se sinz and wunderz, ye wil not
 49 belév. De nob'lman set untuu him, Ser, 50 cum dsu ar mj gild dj. Jezus set untuu

him, Go ðj wa; ðj sun livet. And ðe man belévd ðe wurd ðat Jezus had spœ'n untu him, and he went hiz wa. And az he woz ns goig dsn, hiz servants met him, and told [him], saig, ðj sun livet. ðen inewjrd he ov ðem ðe sr hwen he begán tu aménd. And ða sed untu him, Yesterda at ðe sev'nt sr ðe fever left him. So ðe fqder nu ðat [it woz] at ðe sam sr, in ðe hwiç Jezus sed untu him, ðj sun livet: and himsélf belévd, and hiz hol hss. ðis [iz] agén ðe secund mirac'l [ðat] Jezus did, hwen he woz cum st ov Judea intu Galile.

5 AFTER ðis ðar woz a fest ov ðe Jyz; and Jezus went up tu Jeruzalem.—(2) Ns ðar iz at Jeruzalem bj ðe sep [mqreet] a pul, hwiç iz celd in ðe Hebrut tuç Betzéda, havin fjv porgez. In ðez la a grat multitu ov impotent foe, ov blind, helt, widerd, watin fer ðe muvng ov ðe weter. For an anjel went dsn at a serten sez'n intu ðe pul, and trub'ld ðe weter: husoéver ðen ferst after ðe trubliç ov ðe weter stept in woz mad hol ov hwotsoéver ðizéz he had. And a serten man woz ðar, hwiç had an infermiti terti and at yerz. Hwen Jezus se him lj, and nu ðat he had ben ns a loy tijn [in ðát cas], he set untu him, ¿ Wilt ðs be mad hol. ðe impotent man qnsrd him, Ser, i hav nō man, hwen ðe weter iz trub'ld, tu put me intu ðe pul: but hwil i am cumin, anúder stept dsn befór me. Jezus set untu him, Rjz, tac up ðj bed, and wec. And imedyetli ðe man woz mad hol, and tac up hiz bed, and weot: and on ðe sam ða woz ðe sabat.

10 ðe Jyz ðarfór sed untu him ðat woz curd, It iz ðe sabat ða: it iz not lofal fer ðe tu cari [ðj] bed. He qnsrd ðem, Hé ðat mad me hol, ðe sam sed untu me, Tac up ðj bed, and wec. ðen qset ða him, ¿ Hwot man iz ðát hwiç sed untu ðe, Tac up ðj bed, and wec. And hé ðat woz held wist not hú it woz: fer Jezus had convá himsélf awá, a multitu bein in [ðát] plas. Afterwerd Jezus fíndet him in ðe temp'l, and sed untu him, Behóld, ðs qrt mad hol: sin nō mor, lest a wurs tijn cum untu ðe. ðe man departed, and told ðe Jyz ðat it woz Jezus, hwiç had mad him hol. And ðarfór ðid ðe Jyz persecut Jezus, and sot tu sla him, becóz he had dun ðez tijnz on ðe sabat ða.

17 But Jezus qnsrd ðem, Mj Fqder wurcet hidertu, and i wurc. ðarfór ðe Jyz sot ðe mor tu cil him, becóz he not onli had broc'n ðe sabat, but sed also ðat God woz hiz Fqder, macin himsélf eowal wid God.

20 ðen qnsrd Jezus and sed untu ðem, Verili, verili, i sa untu u, ðe Sun can du nutin ov himsélf, but hwot he seet ðe Fqder du: fer hwot tijnz soéver he duet, ðez also duet ðe Sun liewiz. For ðe Fqder luvet ðe Sun, and soet him el tijnz ðat himsélf duet: and he wil jo him grater wures ðan ðez, ðat ye ma mqrvél. For az ðe Fqder razet up ðe ded, and ewicnet [ðem]; ev'n so ðe Sun ewicnet húm he wil. For ðe

5 Fqder juet nō man, but hat comited el jument untu ðe Sun: (23) ðat ol [men] had onur ðe Sun, ev'n az ða onur ðe Fqder. Hé ðat onuret not ðe Sun onuret not ðe 24 Fqder hwiç hat sent him. Verili, verili, i sa untu u, Hé ðat heret mj wurd, and belevet on him ðat sent me, hat everlastig lij, and fal not cum intu condemnaun; 25 but iz pqst from ðet untu lij. Verili, verili, i sa untu u, ðe sr iz cumin, and ns iz, hwen ðe ded fal her ðe vos ov ðe Sun ov 26 God: and ðá ðat her fal liv. For az ðe Fqder hat lij in himsélf; so hat he giv'n tu ðe Sun tu hav lij in himsélf; and hat 27 giv'n him etoriti tu ececet jument elso, becóz he iz ðe Sun ov man. Mqrvél not at ðis: fer ðe sr iz cumin, in ðe hwiç ol ðat 29 qr in ðe gravz fal her hiz vos, and fal cum fort; ðá ðat hav dun gud, untu ðe rezurcefun ov lij; and ðá ðat hav dun ev'l, untu 30 ðe rezurcefun ov damnaun. I can ov mjin on self ðu nutin: az i her, i jui; and mj jument iz just; becóz i see not mjin on wil, but ðe wil ov ðe Fqder hwiç hat sent me. 31 If i bar witnes ov misélf, mj witnes iz not 32 tru. ðar iz anúder ðat baret witnes ov me; and i nō ðat ðe witnes hwiç he witenet ov me iz tru.

33 Ye sent untu Jon, and he bar witnes 34 untu ðe trut. But i resév not téstimuni from man; but ðez tijnz i sa, ðat ye mjt be 35 savd. He woz a burnin and a finip lit: and ye wer wiliç fer a sez'n tu rejós in hiz 36 lit. But i hav grater witnes ðan [ðát] ov Jon: fer ðe wures hwiç ðe Fqder hat giv'n me tu finif, ðe sam wures ðat i du, bar witnes ov me, ðat ðe Fqder hat sent me. 37 And ðe Fqder himsélf, hwiç hat sent me, hat born witnes ov me. Ye hav neder herd 38 hiz vos at eni tijn, nēr sen hiz jap. And ye hav not hiz wurd abidij in u: fer húm 39 he hat sent, him ye belév not. Serg ðe Scripturz; fer in ðém ye tije ye hav etérnal 40 lij: and ða qr ðá hwiç testiñ ov me. And ye wil not cum tu me, ðat ye mjt hav lij. 41 I resév not onur from men. (42) But i nō 43 u, ðat ye hav not ðe huv ov God in u. 60 Meni darfor ov hiz disip'lz, hwen da had herd [dis], sed, Dis iz an hqrd saig; i hu can her it. Hwen Jezus nū in him-selſ dat hiz disip'lz murmurd at it, he sed untu dem, i Dut dis ofend u. i [Hwot] and if ye ſal se de Sun ov man asend up hwar he woz befōr. It iz de spirit dat ewienet; de fleſ profitet nutig: de wurdz dat i ſpec untu u, [da] q'r spirit, and [da] q'r liſ. But dar q'r sum ov u dat belēv not. For Jezus nū from de beginig hū da wer dat belēvd not, and hū ſud betrá him. And he sed, Darfor sed i untu u, Dat no man can cum untu me, cesépt it wer giv'n untu him ov mī Fqder. From dát [tīm] meni ov hiz disip'lz went bac, and wœt no mōr wīd him. Den sed Jezus untu de twelv, i Wil ye elso go awá. Den Sjimun Peter qnserd him, Lord, i tu hūm ſal we go: ds hast de wurdz ov etérnal liſ. And we belēv and q'r ſur dat ds qrt dát Crīst, de Sun ov de livig God. Jezus qnserd dem, i Hav not i goz'n u twelv, and wun ov u iz a dev'l. He ſpac ov Judas Iscariut [de sun] ov Sjimun: for hé it woz dat ſud betrá him, beig wun ov de twelv.

After dez tīp Jezus wœt in Galile: for he wáld not wœc in Juri, becōz de Juz set tu cil him.

Ns de Juz fest ov tábernac'lz woz at hand. Hiz bredren darfor sed untu him, Depqrt hens, and go intu Judea, dat di disip'lz elso ma se de wures dat ds duest.

For [dar iz] no man dat duet eni tīp in secret, and he himselſ seet tu be non op'nli. If ds du dez tīp, so diſelſ tu de wurd. For neder did hiz bredren belēv in him. Den Jezus sed untu dem, Mī tīm iz not yet cum: but ur tīm iz olva redi.

De wurd canot hat u; but me it hatet, becōz i testif ov it, dat de wures darof q'r ev'l. Go ye up untu dis fest: i go not up yet untu dis fest: for mī tīm iz not yet ful cum. Hwen he had sed dez wurdz untu dem, he abód [stīl] in Galile. But hwen hiz bredren wer gon up, den went he elso up untu de fest, not op'nli, but az it wer in secret.

Den ds Juz set him at de fest, and sed, i Hwar iz he. And dar woz mūg murmuring amūg de pep'l consérnig him: for sum sed, He iz a gud man; nderz sed, Na; but he deservet de pep'l. Hsbeit no man ſpac op'nli ov him fer fer ov de Juz.

Ns abót de midst ov de fest Jezus went up intu de temp'l, and tet. And de Juz mqrvel, saig, i Hs noet dis man leterz, havig never lernt. Jezus qnserd dem, and sed, Mī doctrin iz not mīn, but hiz dat sent me. If eni man wil du hiz wīl, he ſal no ov de doctrin, hweder it be ov God, or [hweder] i ſpec ov misēlf. Hé dat ſpeet ov himselſ seet hiz on glori: but hé dat seet hiz glori dat sent him, de sam iz tru, and no unrityusnes iz in him. i Did not Mōzez giv u de lo, and [yet] nun ov u cepet de lo. i Hwī go ye abót tu cil me. De pep'l qnserd and sed, ds hast a

7 dev'l: i hū goet abót tu cil dé. (21) Jezus qnserd and sed untu dem, i Hav dun wun wure, and ye el mqrvel. Mōzez darfor gav untu u screumsigun; (not becōz it iz ov Mōzez, but ov de fqderz;) and ye on de sabat da screumsiz a man. If a man on de sabat da resév screumsigun, dat de lo ov Mōzez ſud not be broc'n: i q'r ye aggrī at me, becōz i hav mad a man everi hwit hōl on de sabat da. Juj not acording tu de aperans, but juj rityus jujment.

Den sed sum ov dem ov Jeruzalem, i Iz not dis hé, hum da sec tu cil. But, lo, he speet boldli, and da sa nutig untu him. i Du de rulerz no indéd dat dis iz de veri Crīst. Hsbeit we no dis man hwens he iz: but hwen Crīst cumet, no man noet hwens he iz.

Den erjd Jezus in de temp'l az he tot, saig, Ye bot no me, and ye no hwens i am: and i am not cum ov misēlf, but hé dat sent me iz tru, hum ye no not. But i no him: for i am from him, and he hat sent me.

Den da set tu tac him: but no man lad handz on him, becōz hiz sr woz not yet cum. And meni ov de pep'l belēvd on him, and sed, Hwen Crīst cumet, i wil he du mōr mirac'lz dan dez hwīg dis [man] hat dun.

De farisez herd dat de pep'l murmurd sug tīp consérnig him: and de farisez and de gef prests sent ofiserz tu tac him.

Den sed Jezus untu dem, Yet a lit'l hwīl am i wīd u, and [den] i go untu him dat sent me. Ye ſal sec me, and ſal not find [me]; and hwar i am, [dider] ye canot cum. Den sed de Juz amūg demselvz, i Hwider wil he go, dat we ſal not find him: i wil he go untu de dispérst amūg de Jentīlz, and teg de Jentīlz. i Hwot [maner ov] saig iz dis dat he sed, Ye ſal sec me, and ſal not find [me]; and hwar i am, [dider] ye canot cum.

In de lqst da, dát grat [da] ov de fest, Jezus stad and erjd, saig, If eni man terst, let him cum untu me, and driage. Hé dat belevet on me, az de Scriptur hat sed, st ov hiz beli ſal flō riverz ov livig woter.

(But dis ſpac he ov de Spirit, hwīg dá dat belev on him ſud resév: for de Holi Gost woz not yet [giv'n]; becōz dat Jezus woz not yet gloriſd.) Meni ov de pep'l darfor, hwen da herd dis saig, sed, Ov a trut dis iz de Profet. Uderz sed, Dis iz de Crīst. But sum sed, i Zal Crīst cum st ov Galile.

i Hat not de Scriptur sed, Dat Crīst cumet ov de sed ov David, and st ov de tsu ov Bétlehem, hwar David woz. So dar woz a divigun amūg de pep'l becōz ov him. And sum ov dem wáld hav tac'n him; but no man lad handz on him.

Den cam de ofiserz tu de gef prests and farisez; and da sed untu dem, i Hwī hav ye not brēt him. De ofiserz qnserd, Never man ſpac līc dis man. Den qnserd dem de farisez, i Ar ye elso desēvd. i Hav eni ov de rulerz or ov de farisez belēvd on him. But dis pep'l hui noet not de lo

Da qnserd and sed untu him, s^r Art ds also ov Galile. Serg, and lue: for st ov Galile 53 arizet no^r profet. And everi man went untu hiz on hss.

8 JEZUS went untu de msnt ov Olivz. (2) And erli in de mornig he cam agén intui de temp'l, and el de pep'l cam untu 3 him: and he sat dsⁿ, and tot dem. And de scrijz and farisez brot untu him a wíman tae'n in adulteri; and hwen da 4 had set her in de midst, da sa untu him, Mqster, dis wíman woz tae'n in adulteri, 5 in de veri act. Ns Mozez in de lo com- qnded us, dat sug fud be stond: but s^r hwot 6 saest ds. Dis da sed, temtig him, dat da mjt hav tu acqz him. But Jezus stupt dsⁿ, and wid [hiz] finger rot on de grs^d, 7 [az do he herd dem not]. So hwen da continú qseig him, he lifted up himsélf, and sed untu dem, Hé dat iz widst sin amún q, let him first eqst a ston at her. 8 And agén he stupt dsⁿ, and rot on de 9 grs^d. And dá hwiq herd [it], beip convicted bi [dar on] consens, went st wun bi wun, beginig at de eldest, [ev'n] untu 10 de lqst: and Jezus woz left alón, and de wíman standip in de midst. Hwen Jezus had lited up himsélf, and so nun but de wíman, he sed untu her, Wíman, s^r hwar q^r doz dín acqizerz; s^r hat no man condém 11 dé. Xe sed, No man, Lerd. And Jezus sed untu her, Neder du i condém dé: go, and sin no mor.

12 Ten spae Jezus agén untu dem, saip, F am de lit ov de wurd: hé dat fóloet me sal not woe in dqrenes, but sal hav de lit 13 ov lif. He farisez darfor sed untu him, Ts barest record ov dísélf; dí record iz 14 not tru. Jezus qnserd and sed untu dem, Ho i bar record ov misélf, [yet] mí record iz tru: for i no hwens i cam, and hwider i go; but ye canot tel hwens i eum, and 15 hwider i go. Ye juí qfter de fles: i juí no 16 man. And yet if i juí, mí mujment iz tru: for i am not alón, but i and de Fqder dat 17 sent me. It iz also rit'n in q^r lo, dat de 18 téstimuni ov tú men iz tru. F am wun dat har wítnes ov misélf, and de Fqder 19 dat sent me baret wítnes ov me. Ten sed da untu him, s^r Hwar iz dí Fqder. Jezus qnserd, Ye neder no me, nor mí Fqder: if ye had non me, ye fud hav non mí Fqder also.

20 Hwz wurdz spae Jezus in de trezuri, az he tot in de temp'l: and no man lad handz on him; for hiz sr woz not yet cum.

21 Ten sed Jezus agén untu dem, F go mí wa, and ye sal see me, and fal dí in q^r 22 sinz: hwider i go, ye canot eum. Ten sed de Jqz, s^r Wil he cil himsélf: becóz he set, 23 Hwider i go, ye canot cum. And he sed untu dem, Ye q^r from benét; i am from abáv: ye q^r ov dis wurd; i am not ov dis 24 wurd. F sed darfor untu q, dat ye fal

8 dí in q^r sinz: for if ye belév not dat i am [hé], ye fal dí in q^r sinz. (25) Ten sed da untu him, s^r Hwí qrt ds. And Jezus sed untu dem, Ev'n [de sam] dat i sed 26 untu q from de beginig. F hav meni tipz tu sa and tu juí ov q: but hé dat sent me iz tru; and i spee tu de wurd doz 27 tipz hwiq i hav herd ov him. Da understúdt not dat he spae tu dem ov de Fqder.

28 Ten sed Jezus untu dem, Hwen ye hav lifted up de Sun ov man, den sal ye no dat i am [hé], and [dat] i du nutip ov misélf; but az mí Fqder hat tot me, i spee 29 dez tipz. And hé dat sent me iz wid me: de Fqder hat not left me alón; for i du olwaz doz tipz dat plez him.

30 Az he spae dez wurdz, meni belévd on 31 him. Ten sed Jezus tu doz Jqz hwiq belévd on him, If ye contínú in mí wurd, 32 [den] q^r ye mí disp'lz indéd; and ye fal 33 no de trút, and de trút [al mac q fre.—Da qnserd him, We be Abrahamz sed, and wer never in bondej tu eni man: s^r hs saest ds, Ye fal be mad fre.

34 Jezus qnserd dem, Verili, verili, i sa untu q, Hwsoéver comitet sin iz de 35 servant ov sin. And de servant abidet not in de hss for ever: [but] de Sun abidet 36 ever. If de Sun darfor sal mac q fre, ye 37 sal be fre indéd. F no dat ye q^r Abrahamz sed; but ye sec tu cil me, becóz mí wurd 38 hat no plas in q. F spee dát hwiq i hav sen wid mí Fqder: and ye du dát hwiq 39 ye hav sen wid q^r fqder.—Da qnserd and sed untu him, Abraham iz sr fqder.

Jezus set untu dem, If ye wer Abrahamz gildren, ye wud du de wures ov Abraham. 40 But ns ye see tu cil me, a man dat hat told u de trút, hwiq i hav herd ov God: 41 dis did not Abraham. Ye du de dedz ov q^r fqder.—Ten sed da tu him, We be not born ov fornicafun; we hav wun Fqder, [ev'n] God.

42 Jezus set untu dem, If God wer q^r Fqder, ye wud luv me: for i proseded fort and cam from God; neder cam i ov 43 misélf, but he sent me. s^r Hwiq du ye not understánd mí speg: [ev'n] becóz ye canot 44 her mí wurd. Ye q^r ov [q^r] Fqder de dev'l, and de lusts ov q^r fqder ye wil du. He woz a murderer from de beginig, and abód not in de trút, becóz dar iz no trút in him. Hwen he specet a lí he specet ov hiz on: for he iz a ljer, and de fqder ov it.

45 And becóz i tel [u] de trút, ye belév me 46 not. s^r Hwiq ov q^r convinsét me ov sin. And if i sa de trút, s^r hwiq du ye not belév 47 me. 14 LET not ur hqrt be trubld: ye belēv in God, belēv also in me. (2) In mī Fqderz hss qr meni manfunz: if [it wer] not [so], i wud hav told u. I go tu prepar a plas for u. And if i go and prepar a plas for u, i wil cum agēn, and resēv u untu misēlf; dat hwar i am, [dar] ye ma be also. And hwider i go ye no, and de wa ye no.

5 Tomas set untu him, Lord, we nō not hwider ds goest; and ē hs ean we nō de wa. Jezus set untu him, I am de wa, de trut, and de lijf: nō man eunet untu de Fqder, but bī me. If ye had non me, ye sud hav non mī Fqder also: and from hensfort ye nō him, and hav sen him.

8 Filip set untu him, Lord, so us de Fqder, and it sufizet us. Jezus set untu him, ē Hav i ben so loḡ tijp wid u, and yet hast ds not non me, Filip; hē dat hat sen me hat sen de Fqder; and ē hs saest ds [den], Xo us de Fqder. ē Belevet ds not dat i am in de Fqder, and de Fqder in me; de wurdz dat i spec untu u i spec not ov misēlf: but de Fqder in de welet in me, hē duet de wures. Belēv me dat i [am] in de Fqder, and de Fqder in me: or els belēv me for de veri wures sac.

12 Verili, verili i sa untu u, Hē dat belevet on me, de wures dat i du sal he du also; and grater [wures] dan dez sal he du; becōz i go untu mī Fqder. And hwotso-ēver ye sal qse in mī nam, dat wil i du, dat de Fqder ma be glōrifij in de Sun. If ye sal qse eni tijp in mī nam, i wil du [it].

15 If ye luv me, cep mī comqndments. And i wil pra de Fqder, and he sal giv u anūder Cumfurter, dat he ma abjd wid u for ever; [ev'n] de Spirit ov trut; hum de wurd canot resēv, becōz it set him not, neder noet him: but ye nō him; for he

14 dwelet wid u, and sal be in u. (18) I wil not lev u eunfurles: i wil cum tu u. 19 Yet a lit'l hwil, and de wurd set me nō mor; but ye se me: becōz i liv, ye sal liv also. At dat da ye sal nō dat i [am] in mī Fqder, and ye in me, and i in u. Hē dat hat mī comqndments, and cepet dem, hē it iz dat luvet me: and hē dat luvet me sal be luvd ov mī Fqder, and i wil luv him, and wil manifest misēlf tu him.

22 Jydas set untu him, (not Iscariot,) Lord, ē hs iz it dat ds wilt manifest dīsēlf untu us, and not untu de wurd. Jezus qnserd and sed untu him, If a man luv me, he wil cep mī wurdz: and mī Fqder wil luv him, and we wil cum untu him, and mae sr abōd wid him. Hē dat luvet me not, cepet not mī saipz: and de wurd hwig ye her iz not mīn, but de Fqderz hwig sent me.

25 Dez tijp hav i spoē'n untu u, beij [yet] prezent wid u. But de Cumfurter, [hwig iz] de Holi Gost, hum de Fqder wil send in mī nam, he sal teg u ol tijp, and briḡ el tijp tu ur remémbrans, hwotso-ēver i hav sed untu u. Pes i lev wid u, mī pes i giv untu u: not az de wurd givet, giv i untu u. Let not ur hqrt be trubld,

28 neder let it be afrād. Ye hav herd hs i sed untu u, I go awā, and cum [agēn] untu u. If ye luvd me, ye wud rejōs, becōz i sed, I go untu de Fqder: for mī Fqder iz grater dan i. And ns i hav told u befōr it cum tu pqs, dat, hwen it iz cum tu pqs, ye mīt belēv.

30 Herqfter i wil not tee mug wid u: for de prins ov dis wurd eunet, and hat nūtiḡ in me. But dat de wurd ma nō dat i luv de Fqder; and az de Fqder gav me com-qndment, ev'n so i du.—Arjz, let us go hens.

15 I am de trui vīn, and mī Fqder iz de huzbundman. (2) Everi brqḡ in me dat baret not frut he tacet awā; and everi [brqḡ] dat baret frut, he purjet it, dat i ma briḡ fort mor frut. Ns ye qr elen trui de wurd hwig i hav spoē'n untu u.

4 Abjd in me, and i in u. Az de brqḡ eanot bar frut ov itsēlf, ecept it abjd in de vīn; nō mor ean ye, ecept ye abjd in me. I am de vīn, ye [qr] de brqḡez: hē dat abjdet in me, and i in him, de sam briḡet fort mug frut: for widst me ye ean

6 du nūtiḡ. If a man abjd not in me, he iz eqst fort az a brqḡ, and iz widerd; and men gader dem, and eqst [dem] intu de fir, and da qr burnt. If ye abjd in me, and mī wurdz abjd in u, ye sal qse hwot ye wil, and it sal be dun untu u.

8 Herin iz mī Fqder glōrifijd, dat ye bar mug frut; so sal ye be mī disijp'lz.

9 Az de Fqder hat luvd me, so hav i luvd u: contīḡ ye in mī-luv. If ye cep mī comqndments, ye sal abjd in mī luv; ev'n az i hav cept mī Fqderz comqndments, and abjd in hiz luv.

11 Dez tijp hav i spoē'n untu u, dat mī jō mīt remān in u, and [dat] ur jō mīt be ful. Dis iz mī comqndment, dat ye luv wun anūder, az i hav luvd u. Grater

15 Iuv hat nō man dan dis, dat a man la
dsu hiz lif for hiz frendz. (14) Ye qr mī
frendz, if ye duu hwotsoēver i comānd u.
15. Mensfort i col u not servants; for de ser-
vant noet not hwot hiz lord duet: but i hav
cold u frendz; for el tiŋz dat i hav herd
ov mī Fqder i hav mad non untu u.
16. Ye hav not goz'n me, but i hav goz'n u,
and ordānd u, dat ye sud go and brīg
fort fruit, and [dat] qr fruit sud remān:
dat hwotsoēver ye sal qse ov de Fqder in
17 mī nam, he ma giv it u. Dez tiŋz i comānd
u, dat ye Iuv wun anūder.
18. If de wurd hat u, ye nō dat it hated me
19 befor [it hated] u. If ye wer ov de wurd,
de wurd wud Iuv hiz on: but becōz ye qr
not ov de wurd, but i hav goz'n u st ov
20 de wurd, darfor de wurd hatet u. Re-
mēber de wurd dat i sed untu u, de
servant iz not grater dan hiz lord. If da
hav pēsecuted me, da wil also pēsecut u:
if da hav cept mī saig, da wil eep qrz also.
21. But ol dez tiŋz wil da duu untu u for mī
namz sac, becōz da nō not hīm dat sent
22 me. If i had not cum and spoe'n untu
dem, da had not had sin: but ns da hav
23 nō cloe for dar sin. Hē dat hatet me hatet
24 mī Fqder also. If i had not dun amūg
dem de wures hwiŋ nun uder man did, da
had not had sin: but ns hav da bot sen
25 and hated bot me and mī Fqder. But [dis
cume't tu pqs], dat de wurd mīt be fullild
dat iz ri't'n in dar lo, da hated me wiđst a coz.
26. But hwen de Cumfurter iz cum, hum i
wil send untu u from de Fqder, [ev'n] de
Spirit ov trut, hwiŋ prosedet from de
27 Fqder, he sal testifi ov me: and ye olso
sal bar witness, becōz ye hav ben wid me
from de begīnig.
16 Dez tiŋz hav i spoe'n untu u, dat ye
sud not be ofēded. (2) da sal put u

huosoēver eilet u wil tiŋe dat he duet God
3 servis. And dez tiŋz wil da duu untu u,
becōz da hav not non de Fqder, nor me.
4. But dez tiŋz hav i told u, dat hwen de tīm
sal cum, ye ma remēber dat i told u ov
dem. And dez tiŋz i sed not untu u at de
5 begīnig, becōz i woz wid u. But ns i go
mī wa tuu hīm dat sent me; and nun ov u
6 qseet me, i Hwider goest ds. But becōz i
hav sed dez tiŋz untu u, sorō hat fild
qr hart.
7. Neverdelēs i tel u de trut; It iz eespe-
dient for u dat i go awā. for if i go not
awā, de Cumfurter wil not cum untu u;
but if i depārt, i wil send hīm untu u.
8. And hwen he iz cum, he wil reprāv de
wurd ov sin, and ov riŋyusnes, and ov juj-
9 ment: ov sin, becōz da belēv not on me;
10 ov riŋyusnes, becōz i go tuu mī Fqder, and
11 ye se me nō mor; ov jujment, becōz de
prins ov dis wurd iz jujd.
12. I hav yet meni tiŋz tuu sa untu u, but
13 ye canot bar dem ns. Hsbeit hwen he de
Spirit ov trut, iz cum, he wil giđ u intū de
trut: for he sal not spee ov hīmself; but
hwotsoēver he sal her, [dāt] sal he spec:

16 and he wil so u tiŋz tuu cum. (14) He
sal glōrifij me: for he sal resēv ov mīn,
15 and sal so [it] untu u. Ol tiŋz dat de
Fqder hat qr mīn; darfor sed i, dat he sal
16 tuc ov mīn, and sal so [it] untu u. A lit'l
hwil, and ye sal not se me: and agēn, a
lit'l hwil, and ye sal se me, becōz i go tuu
de Fqder.
17. Den sed [sum] ov hiz disip'lz amūg dem-
sēlvz, i Hwot iz dis dat he set untu us, A
lit'l hwil, and ye sal not se me: and agēn,
a lit'l hwil, and ye sal se me: and, Becōz i
18 go tuu de Fqder. da sed darfor, i Hwot iz
dis dat he set, A lit'l hwil; we canot tel
19 hwot he set. Ns Jezus nu dat da wer
deziŋrus tuu qse hīm, and sed untu dem,
i Duu ye inewīr amūg qrsēlvz ov dāt i sed,
A lit'l hwil, and ye sal not se me: and
20 agēn, a lit'l hwil, and ye sal se me. Verili,
verili, i sa untu u, dat ye sal wep and
lament, but de wurd sal rejōs: and ye sal
be sōroful, but qr sorō sal be turnēd intū
21 jō. A waman hwen se iz in travel hat
sorō, becōz her sr iz cum; but az sun az
se iz deliverēd ov de gild, se remēberet nō
mor de agwīf, for jō dat a man iz born
22 intū de wurd. And ye ns darfor hav

23 rejōs, and qr jō nō man taet from u; and
in dāt da ye sal qse me nutig. Verili, verili,
i sa untu u, Hwotsoēver ye sal qse de
24 Fqder in mī nam, he wil giv [it] u. Hider-
tuu hav ye qset nutig in mī nam: qse, and
ye sal resēv, dat qr jō ma be ful.
25. Dez tiŋz hav i spoe'n untu u in proverbz:
but de tīm cume't hwen i sal nō mor spee
untu u in proverbz, but i sal so u planli ov
26 de Fqder. At dāt da ye sal qse in mī nam:
and i sa not untu u, dat i wil pra de Fqder
27 for u: for de Fqder hīmself luvet u, becōz
ye hav luvēd me, and hav belēv dat i cam
28 st from God. I cam fort from de Fqder,
and am cum intū de wurd: agēn, i lev de
wurd, and go tuu de Fqder.
29. Hiz disip'lz sed untu hīm, Lo, ns specest
30 ds planli, and specest nō proverb. Ns qr
we juu dat ds noest ol tiŋz, and nedest not

everi man tuu hiz on, and sal lev me alōn:
and yet i am not alōn, becōz de Fqder iz
33 wid me. Dez tiŋz i hav spoe'n untu u, dat
in me ye mīt hav pes. In de wurd ye sal

17 Dez wurdz spae Jezus, and lifted up

7 de glori hwig i had wid dé befór de wurd wóz.

Ƴ hav mánifested dí nam untu de men hwig ds gavest me st ov de wurd: díj da wer, and ds gavest dem me; and da havept díj wurd. Ns da hav non dat el tíjz hwot-soéver ds hast giv'n me qr ov dé. For i hav giv'n untu dem de wurdz hwig ds gavest me; and da hav resévd [dem], and hav non furli dat i cam st from dé, and da hav belévd dat ds didst send me. Ƴ pra for dem: i pra not for de wurd, but for dém hwig ds hast giv'n me; for da qr díj. And ol mǵn qr díj, and díj qr mǵn; and i am gloriífj in dem. And ns i am no mor in de wurd, but dez qr in de wurd, and i cum tu dé. Holi Fqder, cep tru díj on nam doz hum ds hast giv'n me, dat da ma be wun, az we [qr]. Hwíl i woz wid dem in de wurd, i cept dem in dí nam: doz dat ds gavest me i hav cept, and nun ov dem iz lost, but de sun ov perdisun: dat de Scrip-tur mǵt be fullfild. And ns cum i tu dé; and dez tíjz i spee in de wurd, dat da mǵt hav mǵj jo fullfild in demsélvz.

Ƴ hav giv'n dem díj wurd; and de wurd hat hated dem, becóz da qr not ov de wurd, ev'n az i am not ov de wurd. Ƴ pra not dat ds fudst tao dem st ov de wurd, but dat ds fudst cep dem from de ev'l. Ƴa qr not ov de wurd, ev'n az i am not ov de wurd. Saetifj dem tru díj trut: díj wurd iz trut. Az ds hast sent me intú de wurd, ev'n so hav i also sent dem intú de wurd. And for dar saes i saetifj misélf, dat da also mǵt be saetifjfd tru de trut.

Neder pra i for dez alón, but for dém also hwig sal belév on me tru dar wurd; dat da ol ma be wun; az ds, Fqder, [qr] in me, and i in dé, dat da also ma be wun in us: dat de wurd ma belév dat ds hast sent me. And de glori hwig ds gavest me i hav giv'n dem; dat da ma be wun, ev'n az we qr wun: i in dem, and ds in me, dat da ma be mad perfect in wun; and dat de wurd ma no dat ds hast sent me, and hast luvd dem, az ds hast luvd me.

Fqder, i wíl dat dá also, hum ds hast giv'n me, be wid me hwar i am; dat da ma behóld mǵ glori, hwig ds hast giv'n me: for ds luvdst me befór de fsndafun ov de wurd. O rǵtyus Fqder, de wurd hat not non dé; but i hav non dé, and dez hav non dat ds hast sent me. And i hav declárd untu dem díj nam, and wíl declár [it]: dat de luv hwarwít ds hast luvd me ma be in dem, and i in dem.

8 HWÉN Jezus had spo'e'n dez wurdz, he went fort wid hiz dissp'lz over de brue Cedron, hwar woz a gqrd'n, intú de hwig he enterd, and hiz dissp'lz. And Jydas also, hwig betrád him, nu de plas: for Jezus efttǵmz rezerted díder wid hiz dissp'lz. Jydas den, havǵ resévd a band [ov men] and ofiserz from de gef prests and farisez, cumet díder wid lanternz and torgez and wep'uz.

Jezus darfor, noǵn ol tíjz dat sud cum

18 And de servants and ofiserz stud dar, hu had mad a fir ov colz; for it woz cold: and da wormd demsélvz: and Peter stud wid dem, and wormd himsélf.

19 Ƴe hj prest den qset Jezus ov hiz dissp'lz,

29 Ƴen led da Jezus from Caafas untu de hol ov jujment: and it woz erli; and dá

 33 ðen Pilet enterd intu ðe jujment hol agén, and cold Jezus, and sed untu him,
 34 ¿ Art ðs ðe Cij ov ðe Juz. Jezus qnserd him, ¿ Saest ðs ðis tij ov ðisélf, or did uderz

8 Hwen Pilet darfor herd ðat saij, he woz

 11 Jezus qnserd, ðs eudst hav no pser [at ol] agénst me, ecsejt it wer givn ðe from abáv: darfor hé ðat deliverd me untu ðe hát ðe grater sin.

 27 muder, Wuman, behóld ðj sun! ðen set he tu ðe disp'l, Behóld ðj muder! And from ðat sr ðat disp'l tue her untu hiz on [hom].

28 After ðis, Jezus noij ðat ol tijz wer ns acómplist, ðat ðe Scriptur mjt be fullfid,
 29 set, ¿ terst. Ns ðar woz set a vesel ful ov vineger: and ða fild a spunj wid vineger, and put [it] upón hisup, and put [it] tu
 30 hiz mst. Hwen Jezus darfor had resévd ðe vineger, he sed, It iz finist: and he bsd hiz hed, and gav up ðe gost.

31 ðe Juz darfor, becóz it woz ðe preprafun, ðat ðe bodiz sud not remán upón ðe cros on ðe sabat ða, (for ðat sabat ða woz an hj ða), beséjt Pilet ðat ðar legz mjt be broc'n, and [ðat] ða mjt be tac'n awé.
 32 ðen cam ðe soljerz, and brac ðe legz ov ðe ferst, and ov ðe uder hwig woz crusifid wid
 33 him. But hwen ða cam tu Jezus, and so ðat he woz ðe dolrédi, ða brac not hiz legz:
 34 but wun ov ðe soljerz wid a sper perst hiz sjd, and fortwit cam ðarst blud and woter.

35 And hé ðat so [it] har record, and hiz record iz tru: and he noet ðat he set tru,
 36 ðat ye mjt belév. For ðez tijz wer dun,

19 dat de Scriptur sud be fultild, A bon ov him sal not be broe'n. (37) And agén anúder Scriptur set, Ia sal lue on him hum da perst.

8 AND qfter dis Jozef ov Arimatea, (beig a disj'p'l ov Jezus, but secretli for fer ov de Juz,) besót Pilet dat he mjt tac awá de bodi ov Jezus : and Pilet gav [him] lev. He cam darfor, and tue de bodi ov Jezus. And dar cam also Nicodemus, (hwic at de ferst cam tu Jezus bj njt,) and brót a miestur ov mer and aloz, abót an hundred pnd [wat]. 10 .Aen tuec da de bodi ov Jezus, and wnd it in linen cloz wid de spizez, az de maner 1 ov de Juz iz tu beri. Ns in de plas hwar he woz crusifid dar woz a gard'n ; and in de gard'n a nq sepulcer, hwarin woz never 2 man yet lad. Dar lad da Jezus darfor, becóz ov de Juz preperafun [da] ; for de sepulcer woz nj at hand.

20 DE ferst [da] ov de wec eumet Mari Magdalen erli, hwen it woz yet dpre, untu de sepulcer, and seet de ston tac'n 2 awá from de sepulcer. Aen se runet, and eumet tu Simun Peter, and tu de uder disj'p'l, hum Jezus luvd, and set untu dem, Ia hav tac'n awá de Lord st ov de sepulcer, and we no not hwar da hav lad 3 him. Peter darfor went fort, and dát 4 uder disj'p'l, and cam tu de sepulcer. So da ran bot tugéder : and de uder disj'p'l did strún Peter, and cam ferst tu de 5 sepulcer. And he stuipj dsn, [and luein in,] so de linen cloz lqj ; yet went he 6 not in. Aen eumet Simun Peter kóloij him, and went intú de sepulcer, and seet 7 de linen cloz lq. and de napen, dat woz abót hiz hed, not lqj wid de linen cloz, 8 but rapt tugéder in a plas bj itself. Aen went in also dát uder disj'p'l, hwic cam ferst tu de sepulcer, and he so, and belévd. 9 .Fer az yet da nq not de Scriptur, dat he 10 must riz agén from de ded. Aen de disj'p'l went awá agén untu dar on hom.

11 But Mari stud wídt at de sepulcer wep'ig : and az se wept, se stuipj dsn, 12 [and haet] intú de sepulcer, and seet tú anjelz in hwjt sitig, de wun at de hed, and de uder at de fet, hwar de bodi ov Jezus 13 had lan. And da sa untu her, Wuman, hwj wepest ds. Se set untu dem, Becóz 14 Ia hav tac'n awá mj Lerd, and j no not hwar da hav lad him. And hwen se had 15 ds sed, se turnd herself bac, and so Jezus standig, and nq not dát it woz Jezus. 16 Jezus set untu her, Wuman, hwj wepest ds ; hwm secest ds. Se, supozij him tu be gardner, set untu him, Ser, if 17 ds hav born him hens, tel me hwar ds hast lad him, and j wil tac him awá. Jezus set untu her, Mari ! Se turnd herself, and 18 set untu him, Rabonj ! hwic iz tu sa, Mqster ! Jezus set untu her, Tuq me not ; for j am not yet asénd tu mj Fqder : but go tu mj bredren, and sa untu dem, I asénd untu mj Fqder, and qr Fqder ; 19 and [tu] mj God, and qr God. Mari Magdalen cam and told de disj'p'lz dat se

20 had sen de Lord, and [dat] he had spo'e'n dez tinz untu her.

19 Aen de sam da at evnij, beig de ferst [da] ov de wec, hwen de dorz wer fut hwar de disj'p'lz wer asénb'ld for fer ov de Juz, cam Jezus and stud in de midst, and set untu dem, Pes [be] untu q. And hwen he had so sed, he fod untu dem [hiz] handz and hiz sjd. Aen wer de 21 disj'p'lz glad, hwen da so de Lord. Aen sed Jezus tu dem agén, Pes [be] untu q : az [mj] Fqder hat sent me, ev'n so send 22 j q. And hwen he had sed dis, he braidd on [dem], and set untu dem, Resév ye de 23 Hóli Góst : huuz soéver sinz ye remít, da qr remited untu dem : [and] huuz soéver [sinz] ye retán, da qr retánd.

24 But Tomas, wun ov de twelv, cold Didimus, woz not wid dem hwen Jezus 25 cam. He uder disj'p'lz darfor sed untu him, We hav sen de Lord. But he sed untu dem, Eesépt j sal se in hiz handz de print ov de nalz, and put mj finger intú de print ov de nalz, and trust mj hand intú hiz sjd, j wil not belév.

26 And qfter at daz agén hiz disj'p'lz wer wídt, and Tomas wid dem : [den] cam Jezus, de dorz beig fut, and stud in de 27 midst, and sed, Pes [be] untu q. Aen set he tu Tomas, Reg hider dj finger, and behóld mj handz ; and reg hider dj hand, and trust [it] intú mj sjd : and be not 28 fatles, but belevig. And Tomas qnsrd and sed untu him, Mj Lord and mj God. 29 Jezus set untu him, Tomas, becóz ds hast sen me, ds hast belévd : blessed [qr] dá dat hav not sen, and [yet] hav belévd. 30 And meni uder sinz truuli did Jezus in de prezens ov hiz disj'p'lz, hwic qr not 31 rit'n in dis buac : but dez qr rit'n, dat ye mjt belév dat Jezus iz de Crjst, de Sun ov God ; and dat belevig ye mjt hav lif tru hiz nam.

21 AFTER dez tinz Jezus fod himself agén tu de disj'p'lz at de se ov Tiberias ; 2 and on dis wjz fod he [himself]. Dar wer tugéder Simun Peter, and Tomas cold Didimus, and Natánael ov Cana in Galile, and de [sunz] ov Zebede, and tú uder ov 3 hiz disj'p'lz. Simun Peter set untu dem, I go a-fisip. Ia sa untu him, We also go wid dé. Ia went fort, and enterd intú a sip imedyetli ; and dát njt da eot nutig. 4 But hwen de mornig woz ns eum, Jezus stud on de for : but de disj'p'lz nq not dat 5 it woz Jezus. Aen Jezus set untu dem, Eildren, I hav ye eni met. Ia qnsrd him, 6 No. And he sed untu dem, Cqst de net on de rjt sjd ov de sip, and ye sal fínd. Ia cqst darfor, and ns da wer not ab'l tu 7 dro it for de multitud ov físez. Darfor dát disj'p'l hum Jezus luvd, set untu Peter, It iz de Lord. Ns hwen Simun Peter herd dat it woz de Lord, he gert [hiz] fíferz cot [untu him], (for he woz naced,) and did cqst himself intú de se. 8 And de uder disj'p'lz cam in a lit'l sip ; (for da wer not fqr from land, but az it wer

21 tú hundred cybits,) dragij de net wid
fifez. (9) Az sun den az da wer cum tu

10 darón, and bred. Jezus set untui dem, Brij
11 ov de fif hwiç ye hav n̄s eet. Simun Peter
went up, and dru de net tu land ful ov
grat fifez, an hundred and fifti and tre :
and for ol dar wer so meni, yet woz not de
net broe'n.
12 Jezus set untui dem, Cum [and] d̄jn.
And nun ov de disip'lz durst qse him, ⁊ Hú

15 So hwen da had d̄jnd, Jezus set tu

him de terd t̄jm, ⁊ Luvest d̄s me. And he
sed untui him, Lord, d̄s noest ol tinz; d̄s

21 noest dat i luv d̄é. Jezus set untui him,
Fed m̄j sep. (18) Verili, verili, i sa untui

anúder sal gerd d̄é, and cari [d̄é] hwider
19 d̄s wúdst not. His spae he, signifiçij bi
hwot det he s̄ud gloriçij God. And hwen
he had spoe'n d̄is, he set untui him,
Folo me.
20 Den Peter, turnij abst, seet de disip'l
huun Jezus luvd, fóloij; hwiç also lent on
hiz brest at super, and sed, Lord, ⁊ hwiç
21 iz hé dat betract d̄é. Peter seij him set tu

Jezus sed not untui him, He sal not d̄j;
but, If i wil dat he tari til i cum, ⁊ hwot

24 His iz de disip'l hwiç téstifiçet ov d̄ez

6 had cöld us for tui preġ de Gospel untu dem.

Ħarfor lusiġ from Troas, we cam wid a strat cors tu Samotrāfīa, and de neest [da] tui Neapolis; and from dens tui Filij, hwiġ iz de ġef siti ov dāt pqt ov Masedonia, [and] a coloni. And we wer in dāt siti abijġ serten daz. And on de sabat we went st ov de siti bi a river sjd, hwar prar woz wont tu be mad; and we sat dsn, and spae untu de wimen hwiġ rezortēd [dider]. And a serten wuman namd Lidia, a seler ov purp'l, ov de siti ov [I]tātrā, hwiġ wurjpt God, herd [us]: huuz hqrt de Lerd op'nd, dat se atēndēd untu de tiġz hwiġ wer spae'n ov Pel. And hwen se woz baptjzd, and her hshold, se besēt [us] saij, If ye hav jujd me tu be fattul tui de Lerd, cum intui mj hss, and abjġ [dar]. And se constrānd us.

And it cam tui pqs, az we went tui prar, a serten damzel pozēt wid a spirit ov divinafun met us, hwiġ bret her mqrterz muġ gan bi sūtsaig: de sam folod Pel and us, and erjġ, saij, Ėz men qr de servants ov de most hġ God, hwiġ so untu us de wa ov saivafun. And dīs did se meni daz. But Pel, beij gevrd, turnd and sed tui de spirit, F comānd dē in de nam ov Jezus Crjst tui cum st ov her. And he cam st de sam sr.

And hwen her mqrterz so dat de hop ov dar ganz voz gen, da cet Pel and Silas, and dru [dem] intui de mqrctēplas, untu de rulerz, and bret dem tui de majistrets, saij, Ėz men, beij Jqz, dui eesediġli trub'l sr siti, and teg custumz, hwiġ qr not loful fer us tui resēv, neder tui obzērv, beij 2 Romanz. And de multituġ roz up tui-geġer agēnst dem: and de majistrets rent of dar cloġz, and comāndēd tui bet [dem]. And hwen da had lad meni strips upōn dem, da eqst [dem] intui priz'n, qarjġ de jaler tui cep dem safli: hu, haviġ resēvd suġ a qarj, trust dem intui de iner priz'n, and mad dar fet fqt in de stoēs.

And at midnjt Pel and Silas prad, and soġ prazez untui God: and de priznerz herd dem. And sudenli dar woz a grat ert-cwac, so dat de fsndafunz ov de priz'n wer fae'n: and imedyetli ol de dorz wer op'nd, and everi wunz bandz wer lust. And de ceper ov de priz'n awaciġ st ov hiz slep, and seiġ de priz'n dorz op'n, he dru st hiz sord, and wad hav cild himsēlf, supozjġ dat de priznerz had ben fled. But Pel erjġ wid a lsd vos, saij, Dui djsēlf no hqm: fer we qr ol her. Ėen he cöld for a ljt, and spraj in, and cam trembliġ, and fel dsn befōr Pel and Silas, and bret dem st, and sed, Serz, Fhwot must j dui tu be savd. And da sed, Belēv on de Lerd Jezus Crjst, and d's falt be savd, and dġ hss. And da spae untui him de wurd ov de Lerd, and tui ol dat wer in hiz hss. And he tae dem de sam sr ov de njt, and woft [dar] strips; and woz baptjzd, he and ol hiz, stratwa. And hwen he had bret dem intui

16 hiz hss, he set met befōr dem, and rejōst beleviġ in God wid ol hiz hss.

35 And hwen it woz da, de majistrets sent 36 de sqrjents, saij, Let doz men go. And de ceper ov de priz'n told dīs saij tui Pol, Ėe majistrets hav sent tui let u go: ns 37 darfor depqrt, and go in pes. But Pel sed untu dem, Ėa hav bet'n ns op'li uncondēmd, beij Romanz, and hav eqst [us] intui priz'n; and ns fdui da trust us st privili: na verili; but let dem cum 38 demsēlvz and feġ us st. And de sqrjents told Ėez wurdz untu de majistrets: and da ferd, hwen da herd dat Ėa wer Romanz. 39 And da cam and besēt dem, and bret [dem] st, and dezp'd [dem] tui depqrt st 40 ov de siti. And da went st ov de priz'n, and enterd intui [de hss ov] Lidia: and hwen da had sen de bredren, da cumfurdēd dem, and depqrd.

33 And hwjl de da woz cumij on, Pol besét

And sum belévd de tijnz hwiç wer spoe'n, and sum 25 belévd not. And hwen da agréd not amún dem-sélvz, da departed, qfter dat Pel had spoe'n wun wurd, Wel spae de Holi Gost 26 bj Ezaas de profet untui sr fqderz, saig, Go untui dis pep'l, and sa, Herij ye fal her, and fal not understánd; and seij ye 27 fal se, and not persév: fer de hart ov dis pep'l iz waest grōs, and dar erz qr dul ov herij, and dar iz hav da elōzd; lest da fud se wid [dar] iz, and her wid [dar] erz, and understánd wid [dar] hart, and fud 28 be convertéd, and i fud hel dem. 21 BUT ns de rityusnes ov God wiðst de lo iz manifested,

27 & Hwar [iz] bostij den. It iz escluded.

3 & Bi hwot lo: & ov wures. Na: but bi de lo ov fat.
(28) [darfor we conclúð dat a man iz justifið bi fat wiðst de dedz ov de lo.—
29 & [Iz he] de God ov de Juç onli: & [iz he] not also ov de Jentilz. Yes, ov de Jentilz
30 also: seig [it iz] wun God, hwiç sal justifið de sereumsizun

God forbið: ya, we estáblif de lo.

4 & HWOT sal we den sa dat Abraham sr fader,
(az pertanij tu de fles, hat fñd.

2 Fer if Abraham wer justifið bi wures, he hat [hwaróf] tu glori;
but not befór 3 God. [Fer & hwot set de Scriptur. Abraham belévd
God, and it woz esnted untu him for rityusnes. Ns tu him dat wurcet iz
4 de rewórd not rec'nd ov gras, but ov det. 5 But tu him dat wurcet not,
but belevet on him dat justifið de ungodli, hiz fat iz esnted
fer rityusnes.

6 Ev'n az David also describet de blessednes ov de man,
untu hum God impútet rityusnes wiðst wures, [saip,] Blessed [qr]
7 huiz inewitiz qr fergiv'n, and huw sinz qr cuverd.
Blessed [iz] de man tu hum de Lord wil not impút sin.

9 & [Cumet] dis blessednes den upón de sereumsizun

rec'nd tu Abraham fer rityusnes.

10 & Hs woz it den rec'nd; & hwen he woz in sereumsizun,
or in unsereumsizun. Not 11 in sereumsizun, but in unsereumsizun.
And he resévd de sijn ov sereumsizun, a sel ov de rityusnes
ov de fat hwiç [he had yet] beig unsereumsizd: dat he mjt be
de fader ov el dém dat belév, do da be not sereumsizd;
dat rityusnes mjt be impútet untu dem 12 also:
and de fader ov sereumsizun tu dém hu qr not ov de sereumsizun
onli, but hu also wee in de steps ov dát fat ov sr fader
Abraham, hwiç [he had] beig [yet] unsereumsizd.

13 Fer de promis, dat he suð be de ar ov de wurd,
[woz] not tu Abraham, or tu hiz sed, tru de lo,
but tru de rityusnes ov 14 fat. Fer if dá hwiç qr ov de lo [be] arz,

becöz de lo wurcet ret: fer hwar no 16 le iz, [dar iz] no transgresfun.
[darfor [it iz] ov fat, dat [it mjt be] bi gras; tu de end
de promis mjt be sur tu el de sed; not tu dát onli
hwiç iz ov de lo, but tu dát also hwiç iz ov de fat
ov Abraham; 17 hu iz de fader ov us el, (az it iz rit'n,
F hav mad dé a fader ov meni nafun,) befór him hum
he belévd, [ev'n] God, hu ewienet de ded, and ecelet

18 Hu agénst hop belévd in hop, dat he mjt becúm
de fader ov meni nafun, acórdij tu dát hwiç woz spoc'n,
So sal di sed be. 19 And beig not wee in fat,
he considerd not hiz on bodi ns ded, hwen he woz abst an
hundred yerz old, neder yet de dednes ov 20 Saraz

unbeléf; but woz stroy in 21 fat, givij glori tu God;
and beig fuli

perswaded dat, hwot he had promist, he woz ab'l also tuu perform. (22) And darfor it woz impúted tuu him for rítyusnes.

Ns it woz not rit'n for hiz sac alón, dat it woz impúted tuu him; but for us also, tuu hum it sal be impúted, if we belév on him dat razd up Jezus sr Lord from de ded; huu woz deliverd for sr ofénsez, and woz razd agén for sr justífacíun.

DARFOR bein justífid bj fat, we hav pes wid God tru sr Lord Jezus Críst: bj hum also we hav acsés bj fat intuu dis gras hwarín we stand, and rejsés in hóp ov de glori ov God.

And not onli [so], but we glori in tribu-lajun also: noij dat tribulajun wureet pajens; and pajens, eesperíens; and ees-períens, hóp: and hóp macet not afámd; becóz de luv ov God iz sed abród in sr harts bj de Holi Gost hwiç iz giv'n untuu us.

For hwen we wer yet widst strejt, in du tjm Críst djd for de ungódlí. For searsli for a rítyus man wil wun dj: yet peradvéntur for a gud man sum wud ev'n dar tuu dj. But God coméndet hiz luv tord us, in dat, hwíl we wer yet sinerz, Críst djd for us. Muç mor den, bein ns justífid bj hiz blud, we sal be savd from ret tuu him. For if, hwen we wer enemiz, we wer reconsild tuu God bj de det ov hiz Sun: muç mor, bein reconsild, we sal be savd bj hiz líf.

And not onli [so], but we also jør in God tru sr Lord Jezus Críst, bj hum we hav ns resévd de atónment.

Hwarfor, az bj wun man sin enterd intuu de wurd, and det bj sin; and so det past upón el men, for dat el hav sind: (for untíl de le sin woz in de wurd: but sin iz not impúted hwen dar iz no lo. Neverdelés det rand from Adam tuu Mózez, ev'n over dém dat had not sind qfter de similitúd ov Adamz transgresun, huu iz de figur ov him dat woz tuu cum. But not az de oféns, so also [iz] de fre gift. For if tru de oféns ov wun meni be ded, muç mor de gras ov God, and de gift bj gras, [hwiç iz] bj wun man, Jezus Críst, hat absnded untuu meni. And not az [it woz] bj wun dat sind, [so iz] de gift: for de jujment [woz] bj wun tuu condem-nasun, but de fre gift [iz] ov meni ofénsez untuu justífacíun. For if bj wun manz oféns det rand bj wun; muç mor dá hwiç resév abúndans ov gras and de gift ov rítyusnes fal ran in líf bj wun, Jezus Críst.) Darfor az bj de oféns ov wun [jujment eam] upón el men tuu condemnaun; ev'n so bj de rítyusnes ov wun [de fre gift eam] upón el men untuu justífacíun ov líf. For az bj wun manz disobediens meni wer mad sinerz, so bj de obediens ov wun sal meni be mad rítyus.

Morover de le enterd, dat de oféns mjt absnd. But hwar sin absnded, gras did muç mor absnd: dat az sin hat rand untuu det, ev'n so mjt gras ran tru rítyusnes untuu etérnal líf bj Jezus Críst sr Lord.

6 ¶ HWOT sal we sa den. ¶ Sal we contínu in sin, dat gras ma absnd.

2 God forbid. ¶ Hs sal we, dat qr ded tuu 3 sin, liv eni logger darin. ¶ No ye not, dat so meni ov us az wer baptízd intuu Jezus 4 Críst wer baptízd intuu hiz det. Darfor we qr berid wid him bj baptiz'm intuu det: dat lje az Críst woz razd up from de ded bj de glori ov de Fqder, ev'n so we 5 also jad wec in nunes ov líf. For if we hav ben plantet tugéder in de ljenes ov hiz det, we sal be also [in de ljenes] ov 6 [hiz] rezurecfun: noij dis, dat sr old man iz crusífid wid [him], dat de bodi ov sin mjt be destród, dat hensfort we jad not 7 serv sin. For hé dat iz ded iz fred from 8 sin. Ns if we be ded wid Críst, we belév 9 dat we sal also liv wid him: noij dat Críst bein razd from de ded djet no mor; 10 det hat no mor dominyun over him. For in dat he djd, he djd untuu sin wuns: but 11 in dat he livet, he livet untuu God. Ljeweiz rec'n ye also úrsélvz tuu be ded idéed untuu sin, but aljv untuu God tru Jezus Críst sr Lord.

12 Let not sin darfor ran in ur mortal bodi, 13 dat ye jad obá it in de lusts daróf. Neder yeld ye ur memberz [az] instruments ov unrítyusnes untuu sin: but yeld úrsélvz untuu God, az doz dat qr aljv from de ded, and ur memberz [az] instruments ov rí- 14 tyusnes untuu God. For sin sal not hav dominyun over u: for ye qr not under de le, but under gras.

15 ¶ Hwot den; ¶ sal we sin, becóz we qr not under de le, but under gras.

16 God forbid. ¶ No ye not, dat tuu húm ye yeld úrsélvz servants tuu obá, hiz ser-vants ye qr tuu hum ye obá; hweder ov sin untuu det, or ov obediens untuu rítyusnes. 17 But God be taqet, dat ye wer de servants ov sin, but ye hav obád from de hqrt dát 18 form ov doctrin hwiç woz deliverd u. Bein den mad fre from sin, ye becam de servants 19 ov rítyusnes. I spee qfter de maner ov men becóz ov de inferniti ov ur fleš: for az ye hav yelded ur memberz servants tuu uncelennes and tuu iníewiti untuu iníewiti; ev'n so ns yeld ur memberz servants tuu 20 rítyusnes untuu holines. For hwen ye wer de servants ov sin, ye wer fre from rítyus- 21 nes. ¶ Hwot fruit had ye den in doz títz hwaróf ye qr ns afámd; for de end ov doz 22 títz [iz] det. But ns bein mad fre from sin, and becam servants tuu God, ye hav ur fruit untuu holines, and de end everlastij 23 líf. For de wajez ov sin [iz] det; but de gift ov God [iz] etérnal líf tru Jezus Críst sr Lord.

7 ¶ No ye not, bredren, (for i spee tuu dém dat no de le,) hs dat de le hat dominyun 2 over a man az loy az he livet. For de wuman hwiç hat an huzbund iz bsnd bj de le tuu [her] huzbund so loy az he livet; but if de huzbund be ded, se iz lust from de 3 le ov [her] huzbund. So den if, hwíl [her] huzbund livet, se be marid tuu anúder man, se sal be eeld an adulteres: but if her

7 huzbund be ded, se iz fre from dát le; so dat se iz no adulteres, do se be marid tu anúder man.

4 Hwarfor, mj bredren, ye also qr becúm ded tu de le bi de bodi ov Críst; dat ye súd be marid tu anúder, [ev'n] tu him hu iz razd from de ded, dat we súd bring fort frut untu God. For hwen we wer in de flef, de mofunz ov sinz, hwiç wer bi de le, did wure in sr memberz tu bring fort frut untu det. But ns we qr delíverd from de le, dát bein ded hwarin we wer held; dat we súd serv in nunes ov spirit, and not [in] de oldnes ov de leter.

7 Hwot sal we sa den. 9 [Iz] de le sin. God forbíd. Na, i had not non sin, but bi de le: for i had not non lust, eesépt de le had sed, As salt not cuvet. But sin, taciñ ocagun bi de comqndment, ret in me ol maner ov concupisens. For wídst de le sin [woz] ded. For i woz alij wídst de wuns: but hwen de comqndment cam, sin 10 revjvd, and i díjd. And de comqndment, hwiç [woz ordánd] tu lif, i fínd [tu be] untu det. For sin, taciñ ocagun bi de comqndment, desévd me, and bi it slui [me]. 12 Hwarfor de le [iz] holi, and de comqndment holi, and just, and gad.

13 9 Woz den dát hwiç iz gud mad det untu me.

God forbíd. But sin, dat it mjt apér sin, wurein det in me bi dát hwiç iz gud; dat sin bi de comqndment mjt becúm eesedij 14 sinful. For we no dat de le iz spirítual: 15 but i am carnal, sold under sin. For dát hwiç i du i als not: for hwot i wúid, dát 16 du i not; but hwot i hat, dát du i. If den i du dát hwiç i wúid not, i consént untu de 17 le dat [it iz] gud. Ns den it iz no mor i 18 dat du it, but sin dat dwelet in me. For i no dat in me (dát iz, in mj flef,) dwelet no gad tig: for tu wil iz prezent wíð me; but [hs] tu perférm dát hwiç iz gud i find 19 not. For de gud dat i wúid i du not: but 20 de ev'l hwiç i wúid not, dát i du. Ns if i du dát i wúid not, it iz no mor i dat du it, 21 but sin dat dwelet in me. 22 I find den a lo, dat, hwen i wúid du gud, ev'l iz prezent 22 wíð me. For i deljt in de le ov God qfter 23 de inwerd man: but i se anúder lo in mj memberz, wering agénst de le ov mj mjd, and bringij me intu captiviti tu de le ov 24 sin hwiç iz in mj memberz. O reged man dat i am! 9 húu sal deliver me from de bodi 25 ov dat det. 26 I tæge God tru Jezus Críst sr Lord. So den wíð de mjd i misélf serv de le ov God; but wíð de flef de le ov sin.

8 [Dar iz] darfor ns no condemnafun tu dém hwiç qr in Críst Jezus, hu woe not 2 qfter de flef, but qfter de Spirit. For de le ov de Spirit ov lif in Críst Jezus hat mad 3 me fre from de le ov sin and det. For hwot de le eud not du, in dat it woz wec tru de flef, God sendij hiz on Sun in de ljenes ov sinful flef, and for sin, condémd 4 sin in de flef: dat de rityusnes ov de le mjt be fúlfild in us, hu woe not qfter de flef, 5 but qfter de Spirit. For dá dat qr qfter de

8 flef du mjd de tigz ov de flef; but dá dat qr qfter de Spirit de tigz ov de Spirit. 9 For tu be carnali mjdnd [iz] det; but tu 10 be spirítuali mjdnd [iz] lif and pes. Becóz de carnal mjdnd [iz] enmiti agénst God: for it iz not subject tu de le ov God, neðer 8 indéd can be. So den dá dat qr in de flef canot plez God.

9 But ye qr not in de flef, but in de Spirit, if so be dat de Spirit ov God dwel in u. Ns if eni man hav not de Spirit ov Críst, 10 he iz nun ov hiz. And if Críst [be] in u, de bodi [iz] ded becóz ov sin; but de Spirit 11 [iz] lif becóz ov rityusnes. But if de Spirit ov him dat razd up Jezus from de ded dwel in u, hé dat razd up Críst from de ded sal also ewic'n ur mortal bodiz bi hiz Spirit dat dwelet in u.

12 Jarfor, bredren, we qr deterz, not tu de 13 flef, tu liv qfter de flef. For if ye liv qfter de flef, ye sal dj: but if ye tru de Spirit du meritij de dedz ov de bodi, ye sal liv. 14 For az meni az qr led bi de Spirit ov God, 15 da qr de sunz ov God. For ye hav not resévd de spirit ov bondej agén tu fer; but ye hav resévd de Spirit ov adopfun, hwarbi 16 we cri, Aba, Fader. De Spirit ítsélf baret wítnes wíð sr spirit, dat we qr de çildren 17 ov God: and if çildren, den arz; arz ov God, and jont-arz wíð Críst; if so be dat we sufer wíð [him], dat we ma be also gloriíjd tugeðer.

18 For i rec'n dat de suferinz ov dis prezent 19 tijn [qr] not wurdi [tu be compárd] wíð de glori hwiç sal be revéld in us. For de earnest espectafun ov de cretur watet for de 20 manifestafun ov de sunz ov God. For de cretur woz mad subject tu vaniti, not wil- 21 ingli, but bi rez'n ov him hu hat subjectéd [de sam] in hop, becóz de cretur ítsélf also 22 sal be delíverd from de bondej ov corrupfun intu de glorius liberti ov de çildren ov God. 23 For we no dat de hol creafun gronet and 24 travelet in pan tugeðer untíl ns. And not onli [da], but srsélvz also, hwiç hav de ferstfruits ov de Spirit, ev'n we srsélvz gron wíðin srsélvz, watiñ for de adopfun, [tu 25 wit,] de redemfun ov sr bodi. For we qr savd bi hop: but hop dat iz sen iz not 26 hop: for hwot a man sect, 9 hwiç dat he yet 27 hop fer. But if we hop for dát we se not, [den] du we wíð pafens wat fer [it].

26 Licwiz de Spirit also helpet sr infermitiz: for we no not hwot we súd pra for az we ot: but de Spirit ítsélf macet intersefun for us wíð gronijñz hwiç canot be uterd. 27 And hé dat serçet de harts noet hwot [iz] de mjd ov de Spirit, becóz he macet intersefun fer de sants acording tu [de wil ov] God.

28 And we no dat ol tigz wure tugeðer for gud tu dém dat luv God, tu dém hu qr 29 de cold acording tu [hiz] purpus. For húm he díð fornó, he also díð predestinat [tu be] confórmd tu de imej ov hiz Sun, dat he mjt be de ferstborn amúñ meni bredren. 30 Moreover húm he díð predestinat, dém he also cold: and húm he cold, dém he also

3 justifið: and húm he justifið, dém he also glorifið.

4 1 Hwot sal we ðen sa tuu ðez tinz. If God [be] for us, 2 hú [can be] agénst us. 3 Hé ðat spard not hiz on Sun, but delivérð him up for us el, 4 1 hz sal he not wið him also freli giv us el tinz. 5 Hú sal la eni tin tuu ðe qarj ov Godz eléct. [It iz] God ðat justifið. 6 1 Hú [iz] hé ðat condémet. [It iz] Críst ðat ðid, ya rðder, ðat iz riz'n agén, hu iz ev'n at ðe rít hand ov God, hu

7 also maect intersefun for us. 8 1 Hú sal separat us from ðe luv ov Críst; 9 1 [sal] tribulafun, or distrés, or perseefun, or famin, or naecednes, or peril, or sord. Az it iz rit'n, For ði sae we qr cild el ðe da loy; we qr acénted az sep for ðe sloter.

10 1 Na, in el ðez tinz we qr mor ðan eog- 11 cerez trui him ðat luvd us. For 1 i am perswaded, ðat neder det, nor lif, nor anjelz, nor prinsipalitiz, nor pserez, nor tinz prez- 12 ent, nor tinz tuu cum, nor hijt, nor dept, nor eni uder cretur, sal be ab'l tuu separat us from ðe luv ov God, hwig iz in Críst Jezus sr Lord.

13 1 E SA ðe truit in Críst, i li not, mi cons- 14 sens also barij me witnes in ðe Holi Gost, 15 2 ðat i hav grat hevines and continual soro in mi hqrt. For i eud wif ðat miself wer acursd from Críst for mi bredren, mi einz- 16 men acordij tuu ðe flesj: hu qr 'Izraeljts; tuu hum [pertanet] ðe adopfún, and ðe glori, and ðe cuvenants, and ðe givij ov ðe lo, and ðe servis [ov God], and ðe promisez: 17 3 huiz [qr] ðe fqderz, and ov hum az cons- 18 sérnij ðe flesj Críst [cam], hu iz over ol, God blessed for ever. Amen.

19 4 Not az ðo ðe wurd ov God hat tae'n nun eféct. For ða [qr] not ol 'Izrael, hwig qr 20 5 ov 'Izrael: neder, becóz ða qr ðe sed ov Abraham, [qr ða] el gildren: but, In 'Izac 21 6 sal ði sed be cold. Hát iz, Hát hwig qr ðe gildren ov ðe flesj, ðez [qr] not ðe gildren ov God: but ðe gildren ov ðe promis qr 22 7 esntd ðe sed. For ðis [iz] ðe wurd ov promis, At ðis tijn wil i cum, and Sara sal 23 8 hav a sun. And not onli [ðis]; but hwen Rebéca also had consévd bj wun, [ev'n] bj 24 9 1 sr fqder 'Izac; (for [ðe gildren] bein not yet born, neder haviñ dun eni gud or ev'l, ðat ðe purpus ov God acordij tuu sleefun 25 2 mjt stand, not ov wures, but ov him ðat 26 3 eélet;) it woz sed untu her, ðe elder sal serv ðe yunger. Az it iz rit'n, Jacob hav i 27 4 luvd, but Eso hav i hated.

28 5 1 Hwot sal we sa ðen. 2 [Iz ðar] unrit- 3 yusnes wið God. God ferbið. For he set tuu Móez, 4 1 wil hav mersi on húm i wil hav mersi, and i wil hav compafun on húm 5 6 i wil hav compafun. So ðen [it iz] not ov him ðat wilet, nor ov him ðat runet, but ov 7 7 God ðat foet mersi. For ðe Scriptur set untu Faro, Ev'n for ðis sam purpus hav i 8 8 razd éf up, ðat i mjt so mj psér in ðé, and ðat mi nam mjt be declárd truist ol ðe ert. 9 9 1 ðarfor hat he mersi on húm he wil [hav mersi], and húm he wil he hqrdnet.

10 10 1 As wilt sa ðen untu me, 2 Hwiñ ðut he

3 yet find felt. For 4 1 hú hat rezisted hiz wil. (20) Na but, o man, 5 1 hú qrt ðs ðat repliest agénst God. 6 1 Sal ðe tinj formd sa tuu húm ðat formd [it], 7 1 Hwiñ hast ðs mad 8 21 me ðus. 9 1 Hat not ðe poter psér over ðe cla, ov ðe sam lump tuu mac wun vesel untu 9 22 onur, and anáðer untu dizónur. 10 1 [Hwot] if God, wilij tuu so [hiz] ret, and tuu mac hiz psér non, endúrd wið muç loy suferij 11 23 ðe veselz ov ret fited tuu destrucfun. And 12 1 ðat he mjt mac non ðe rigez ov hiz glori on ðe veselz ov mersi, hwig he had afór 13 24 prepárd untu glóri, ev'n us, humm he hat celd, not ov ðe Juz onli, but also ov ðe Jentilz.

14 25 Az he set also in Ose, 15 1 I wil cel dém mi pep'l, hwig wer not mi pep'l; and hér be- 16 26 lúvd, hwig woz not belúvd. And it sal cum tuu pqs, [ðat] in ðe plas hwar it woz sed untu ðem, Ye [qr] not mi pep'l; ðar sal ða be cold ðe gildren ov ðe livij God. 17 27 1 Ezaas also crjet consérnij 'Izrael, ðo ðe number ov ðe gildren ov 'Izrael be az ðe 18 28 sand ov ðe se, a remnant sal be savd: for he wil finif ðe wure, and cut [it] firt in rityusnes: becóz a firt wure wil ðe Lord 19 29 mac upón ðe ert. And az Ezaas sed befór, Eesépt ðe Lord ov Sábaot had left us a sed, we had ben az Sodoma, and ben mad lje untu Gomóra.

20 30 1 Hwot sal we sa ðen. Hát ðe Jentilz, hwig folod not qfter rityusnes, hav atánd tuu rityusnes, ev'n ðe rityusnes hwig iz ov 31 31 fat. But 'Izrael, hwig folod qfter ðe lo ov rityusnes, hat not atánd tuu ðe lo ov rit- 32 32 yusnes. 3 1 Hwarfor. Becóz [ða set it] not bj fat, but az it wer bj ðe wures ov ðe lo. 33 33 For ða stumb'ld at dát stumblinjtón; az it iz rit'n, Behóld, i la in Zijon a stumblinjtón and roe ov oféns: and huusoéver belevet on him sal not be afámd.

10 34 1 BREAREN, mi hqrts ðezjr and prar tuu God for 'Izrael iz, ðat ða mjt be 2 savd. For i bar ðem record ðat ða hav a 3 zel ov God, but not acordij tuu nolej. For ða bein ignorant ov Godz rityusnes, and goin abst tuu estáblis ðar on rityusnes, hav not submitted ðemsélvz untu ðe rityusnes 4 4 ov God. For Críst [iz] ðe end ov ðe lo for rityusnes tuu everi wun ðat belevet.

5 5 For Móez describet ðe rityusnes hwig iz ov ðe lo, ðat ðe man hwig duet ðoz tinz 6 6 sal liv bj ðem. But ðe rityusnes hwig iz ov fat specet on ðis wij, 7 1 Sa not in ðin hqrt, 8 1 Hú sal asénd intu hev'n; (ðát iz, tuu 9 7 brin Críst ðsn [from abúv]:) or, 10 1 Hú sal desénd intu ðe dep; (ðát iz, tuu brin up 11 8 Críst ogén from ðe ded.) But 12 1 hwot set it. ðe wurd iz ni ðé, [ev'n] in ði mst, and in ði hqrt: ðát iz, ðe wurd ov fat, hwig we 13 9 preg; ðat if ðs salt confés wið ði mst ðe Lord Jezus, and salt belév in ðin hqrt ðat God hat razd him from ðe ded, ðs salt be 14 10 savd. For wið ðe hqrt man belevet untu rityusnes; and wið ðe mst confesun iz mad 15 11 untu salvafun. For ðe Scriptur set, Hu- 16 12 soéver belevet on him sal not be afámd.

17 12 For ðar iz nò diferens betwén ðe Ju and

10 de Gree: for de sam Lord over el iz riġ untu el dat col upón him. (13) For huisoéver fal eel upón de nam ov de Lord fal be savd.

14 † Hs den fal da eel on him in hum da hav not belévd; and † hs fal da belév in him ov hum da hav not herd; and † hs fal da her widst a preġer; and † hs fal da preġ, eesépt da be sent; az it iz ri'tn, Hs butifal q'r de fet ov dém dat preġ de Gospel ov pes, and brin glad tġidnz ov gud tġinz! **16** But da hav not ol obád de Gospel. For Ezaas set, Lord, † hū hat belévd sr repórt. **17** So den fat [eumet] bġ herin, and heriġ bġ **18** de wurd ov God. But i sa, † Hav da not herd. Yes verili, dar ssnd went intui ol de ert, and dar wurdz untui de endz ov de **19** wurld. But i sa, † Did not 'Izrael no. Ferst Mózez set, I wil provóe q' tuu jeliu bġ [dém dat q'r] no pep'l, [and] bġ a fuulif **20** nafun i wil anger q'. But Ezaas iz veri bold, and set, I woz fsnd ov dém dat set me not; i woz mad manifest untui dém dat **21** qset not q'ter me. But tuu 'Izrael he set, Ol da loġ i hav streġt fort mġ handz untui a disobedient and gánsaġ pep'l.

11 † Sa den, † Hat God eaqst awá hiz pep'l. God forbið. For i also am an 'Izraeli't, ov de sed ov Abraham, [ov] de triġ ov **2** Benjamin. God hat not eaqst awá hiz pep'l hwiġ he fornú. † Wot ye not hwot de Scriptur set ov Eliás; hs he maect inter- **3** sesun tuu God agénst 'Izrael, saġ, Lord, da hav eild dġ profets, and digd dsd dġn olterz; **4** and i am left alón, and da sec mġ lif. But † hwot set de qnsr ov God untui him. I hav rezérvd tuu miscl'f sev'n tszend men, hui hav not bsd de ne tuu [de imeġ ov] **5** Baal. Ev'n so den at dis preznt tġm also dar iz a remnant acordin tuu de eleefun ov **6** gras. And if bġ gras, den [iz it] no mor ov wures: uderwġz gras iz no mor gras. But if [it be] ov wures, den iz it no mor gras: uderwġz wure iz no mor wure.

7 † Hwot den. 'Izrael hat not obtánd dát hwiġ he seect for; but de eleefun hat ob- **8** tánd it, and de rest wer blġnded. (acordin az it iz ri'tn, God hat giv'n dém de spirit ov slumber, iz dat da gud not se, and erz **9** dat da jud not her;) untui dis da. And David set, Let dar tab'l be mad a snar, and a trap, and a stumblġbloec, and a recom- **10** pens untui dém: let dar iz be dqr'e'nd, dat da ma not se, and bs dsd dar bae olwa.

11 † Sa den, † Hav da stumb'ld dat da jud fol. God forbið: but [q'ader] tru dar fol salvasun [iz eum] untui de Jentġlz, for tuu **12** provóe dém tuu jeliu. Ns if de fol ov dém [be] de rizeġ ov de wurld, and de diminifġ ov dém de rizeġ ov de Jentġlz: hs muġ mor **13** dar fulnes! For i spec tuu q' Jentġlz, in-azmúġ az i am de após'l ov de Jentġlz, i magnifġ mġn ofis: if bġ eni menz i ma provóe tuu emulafun [dém hwiġ q'r] mġ **15** fleġ, and mġt sav sum ov dém. For if de eqstġn awá ov dém [be] de réconsġġn ov de wurld, † hwot [fal] de resevġ [ov dém be], but lif from de ded.

11 ¹⁶ For if de ferstfrut [be] holi, de lump [iz] also [holi]: and if de rut [be] holi, ¹⁷ so [q'r] de brangez. And if sum ov de brangez be broe'n of, and ds, beġ a wġld oliv tre, wert graft in amúġ dém, and wġd dém partaceest ov de rut and fatnes **18** ov de oliv tre; bost not agénst de brangez. But if ds bost, ds barest not de rut, but **19** de rut dé. †s wilt sa den, de brangez wer **20** broe'n of, dat i mġt be graft in. Wel breez ov unbeléf da wer broe'n of, and ds standest bġ fat. Be not himġnded, but fer: **21** for if God spard not de natu'ral brangez, [tae hed] lest he also spar not dé.

22 Behóld darfor de gadnes and severiti ov God; on dém hwiġ fel, severiti; but tórd dé, gadnes, if ds continú in [hiz] gadnes: uderwġz ds also falt be cut of. **23** And da also, if da abġd not in unbeléf, fal be graft in: for God iz ab'l tuu graft **24** dém in agén. For if ds wert cut st ov de oliv tre hwiġ iz wġld bġ natu', and wert graft contreri tuu natu' intui a gud oliv tre: hs muġ mor fal dez, hwiġ be de natu'ral [brangez], be graft intui dar on oliv tre!

25 For i wáld not, breðren, dat ye jud be ignorant ov dis misteri, lest ye jud be wġz in q'r on conséts; dat blġndnes in part iz hap'nd tuu 'Izrael, untġl de fulnes ov de **26** Jentġlz be eum in. And so ol 'Izrael fal be savd: az it iz ri'tn, dar fal eum st ov Zjun de Deliverer, and fal turn awá un- **27** godlines from Jacob: for dis [iz] mġ cuvenant untui dém, hwen i fal tae awá dar **28** sinz. But hé dat iz spiritúal jujet ol tíjz, yet he himsélf iz jujd ov nò man. 16 .Fer i húu hat non ðe mjnd ov ðe Lord, dat he ma instrúct him. But we hav ðe mjnd ov Críst.

3 And i, bredren, eud not speç untuu u az untuu spiritúal, but az untuu eqrnal, [ev'n] 2 az untuu babz in Críst. F hav fed u wíð mile, and not wíð met: for hídertuu ye wer not ab'l [túi bar it], neder yet ns qr ye ab'l. 3 .Fer ye qr yet eqrnal: for hwarás [ðar iz] amún u enviñ, and stríf, and dívizunz, 4 i qr ye not eqrnal, and wée az men. Fer hwíl wun set, f am ov Pel; and anúder, f [am] ov Apólos; i qr ye not eqrnal. 5 i Húu ðen iz Pel, and húu [iz] Apólos, but místerz bj hum ye belévd, ev'n az ðe 6 Lord gav tuu everi man. f hav plánted, 7 Apólos weterd; but God gav ðe incres. So ðen neder iz hé dat plántet eni tíj, neder hé dat weteret; but God dat gívet ðe in- 8 eres. Ns hé dat plántet and hé dat weteret qr wun: and everi man sal resév hiz on 9 rewórd acordíj tuu hiz on labur. Fer we qr laburerz tuagéder wíð God: ye qr Godz huzbundri, [ye qr] Godz bildíj. 10 Acordíj tuu ðe gras ov God hwiç iz giv'n untuu me, az a wíj mqster-bílder, i hav lad ðe fsndafun, and anúder bíldet ðarón. But let everi man tae hed hs he bíldet ðarupón.

3 (11) Fer uder fsndafun can nò man la ðan dát iz lad, hwiç iz Jezus Críst. (12) Ns if eni man bíld upón ðis fsndafun gold, silver, pref- 13 us stonz, wud, ha, stub'l; everi manz wure sal be mad manifest: fer ðe ða sal declar it, becóz it sal be revéld bj fír; and ðe fír sal 14 tríj everi manz wure ov hwot serti it iz. If eni manz wure abjd hwiç he hat bílt dar, 15 upón, he sal resév a rewórd. If eni manz wure sal be burnt, he sal sufer los: but he himsélf sal be savd; yet so az bj fír.

16 i Nò ye not dat ye qr ðe temp'l ov God, and [dat] ðe Spirit ov God dwelet in u. 17 .If eni man ðeífl ðe temp'l ov God, him sal God destró; fer ðe temp'l ov God iz hóli, 18 hwiç [temp'l] ye qr. Let nò man desév himsélf. If eni man amún u semet tuu be wíj in ðis wurld, let him becúm a ful, dat 19 he ma be wíj. Fer ðe wízdum ov ðis wurld iz fuulínes wíð God. Fer it iz rit'n, He 20 taet ðe wíj in ðar on eqrftínes. And agén, He Lord noet ðe tots ov ðe wíj, dat ða qr van.

21 .ðarfor let nò man glóri in men. Fer ol 22 tíjz qr úrz; hweder Pel, er Apólos, er Sefas, er ðe wurld, er líf, er det, er tíjz 23 prezent, er tíjz tuu eum; ol qr úrz; and ye qr Crísts; and Críst [iz] Godz.

4 Let a man so aetn ov us, az ov ðe místerz ov Críst, and stúerdz ov ðe mí- 2 teriz ov God. Morover it iz reewírd in 3 stúerdz, dat a man be fsnd fattul. But wíð me it iz a veri smol tíj dat i fud be jujd ov u, er ov manz jujment: ya, i juj 4 not mjn on self. Fer i nò nutíj bj míselv: yet am i not herbj justífd: but hé dat jujet 5 me iz ðe Lord. .ðarfor juj nutíj befór ðe tíj, untíl ðe Lord eum, hui bot wíl bríj tuu lít ðe hid'n tíjz ov dqrenes, and wíl mac manifest ðe cénseel ov ðe hqrts: and ðen sal everi man hav praz ov God.

6 And ðez tíjz, bredren, i hav in a figúr transférd tuu míselv and [túi] Apólos fer úr saes; dat ye mjt lern in us not tuu tíje [ov men] abáv dát hwiç iz rit'n, dat nò wun ov u be puft up fer wun agénst anúder.

7 .Fer i húu maeet ðé tuu dífer [frcm anúder]; and i hwot hast ðs dat ðs dídet not resév; ns if ðs dídet resév [it], i hwiç dust ðs glóri, az if ðs hadst not resév [it].

8 Ns ye qr fual, ns ye qr ríç, ye hav rand az eíjz wíðst us: and i wíá tuu God ye 9 díd ran, dat we also mjt ran wíð u. Fer i tíje dat God hat set fort us ðe apó'slz laqt, az it wer apónted tuu ðet: for we qr mad a spectae'l untuu ðe wurld, and tuu anjelz, 10 and tuu men. We [qr] fuulz fer Crísts sac, but ye [qr] wíj in Críst; we [qr] wec, but ye [qr] strog; ye [qr] ónurab'l, but we [qr] 11 despízd. Ev'n untuu ðis prezent sr we bot hunger, and terst, and qr naeed, and qr 12 búfeted, and hav nò serten dwelíjplas; and labur, wurcíj wíð sr on handz: beíp re- 13 víjd, we bles: beíp pé-seeqted, we sufer it: 13 .beíp defámd, we intré: we qr mad az ðe fílt ov ðe ert, [and qr] ðe of-seeríj on ol tíjz untuu ðis ða.

14 f ríj not ðez tíjz tuu sam u, but az mí

4 belúved sunz i wern [u]. (15) For do ye hav ten tszend instrúcterz in Críst, yet [hav ye] not meni fqderz: fer in Críst Jezus i 16 hav begót'n u truú de Gospel. Hwarfor i beséq u, be ye fóloerz ov me.

17 Fer dis coz hav i sent untu u Timotius, hui iz mī belúved sun, and fatful in de Lord, hui fal briq u intu remémbrans ov mī waz hwig be in Críst, az i teg everi hwar 18 in everi gurg. Ns sum qr puft up, az do i 19 wud not cum tuu u. But i wil cum tuu u fertli, if de Lord wil, and wil no, not de speq ov dém hwig qr puft up, but de pser. 20 Fer de cindum ov God [iz] not in wurd, 21 but in pser. i Hwot wil ye; i fal i cum untu u wið a rod, er in luv, and [in] de spirit ov meenes.

5 IT iz reported comunli [dat dar iz] fornicafun amúy u, and sug fornicafun az iz not so muq az namd amúy de Jentilz, dat 2 wun sud hav hiz fqderz wif. And ye qr puft up, and hav not rqder mornd, dat hé dat hat dun dis ded mīt be taen awá from 3 amúy u. Fer i verili, az absent in bodi, but prezent in spirit, hav jujd olrédi, az do i wer prezent, [consérnig] him dat hat so 4 dun dis ded, in de nam ov sr Lord Jezus Críst, hwen ye qr gaúder tugéder, and mī spirit, wið de pser ov sr Lord Jezus Críst, 5 tuu delíver sug an wun untu Satan fer de destrucfun ov de fleš, dat de spirit ma be savd in de da ov de Lord Jezus.

6 Ur gloriig [iz] not gud. i No ye not 7 dat a lit'l lev'n levnet de hol lump. Purj st darfor de old lev'n, dat ye ma be a nu lump, az ye qr unlév'nd. Fer ev'n Críst sr 8 Pqs-over iz sacrificd fer us: darfor let us cep de fest, not wið old lev'n, neder wið de lev'n ov malis and wicednes; but wið de unlév'nd [bred] ov sinseriti and trut.

9 I rot untu u in an epis'l not tuu cumpani 10 wið fórnicateerz: yet not olteugéder wið de fórnicateerz ov dis wúrlð, er wið de cuvetus, er eesterfunerz, er wið idolaterz; fer den 11 must ye nedz go st ov de wúrlð. But ns i hav rit'n untu u not tuu cep cumpani, if eni man dat iz cold a bruder be a fórnicateer, er cuvetus, er an idolater, er a raler, er a drupcerd, er an eesterfuner; wið sug 12 an wun no not tuu et. Fer i hwot hav i tuu duu tuu juj dém also dat qr wiðst; i duu 13 not ye juj dém dat qr wiðin. But dém dat qr wiðst God jujet. Darfor put awá from amúy úrsélvz dat wiced persun.

6 i DAR eni ov u, havig a mater agénst anúder, go tuu le befór de unjást, and not 2 befór de sants. i Duu ye not no dat de sants fal juj de wúrlð; and if de wúrlð fal be jujd bi u, i qr ye unwúrdi tuu juj de 3 smolest materz. i No ye not dat we fal juj anjelz; hs muq mor tinz dat pertán tuu dis 4 lif! If den ye hav jujments ov tinz pertánig tuu dis lif, set dém tuu juj hui qr lest 5 estémd in de gurg. I spec tuu qr sam. i Iz it so, dat dar iz not a wjz man amúy u; i no, i not wun dat fal be ab'l tuu juj 6 betwén hiz bredren. But bruder goet tuu lo wið bruder, and dát befór de unbeleverz.

6 (7) Ns darfor dar iz uterli a felt amúy u, becóz ye go tuu le wun wið anúder. i Hwi duu ye not rqder tac roj; i hwi duu ye not 8 rqder [sufer úrsélvz tuu] be defroded. Na, ye duu roj, and defréd, and dát [qr] bredren. i No ye not dat de unriyus jal not inhérit de cindum ov God.

Be not desévd: neder fórnicateerz, nor idolaterz, nor adultererz, nor efeminet, nor 10 abjzerz ov démsélvz wið mancínd, nor tevz, nor cuvetus, nor drupcerdz, nor revjlerz, nor eesterfunerz, fal inhérit de cindum ov 11 God. And sug wer sum ov u: but ye qr wofst, but ye qr sanctifjd, but ye qr justifjd in de nam ov de Lord Jezus, and bi de Spirit ov sr God.

12 Ol tinz qr lesul untu me, but ol tinz qr not cespédient: ol tinz qr lesul fer me, but i wil not be brot under de pser ov eni. 13 Mets fer de beli, and de beli fer mets: but God fal destró bot it and dém. Ns de bodi [iz] not fer fornicafun, but fer de 14 Lord; and de Lord fer de bodi. And God hat bot razd up de Lord, and wil also raz 15 up us bi hiz on pser. i No ye not dat qr bodiz qr de memberz ov Críst; i fal i den tac de memberz ov Críst, and mac [dém] de memberz ov an hqrlut. God ferbid. 16 i Hwot; i no ye not dat hé hwig iz jond tuu an hqrlut iz wun bodi; fer tuu, set he, 17 fal be wun fleš. But hé dat iz jond untu 18 de Lord iz wun spirit. Fle fornicafun. Everi sin dat a man duet iz wiðst de bodi; but hé dat comítet fornicafun sinet agénst 19 hiz on bodi. i Hwot; i no ye not dat qr bodi iz de temp'l ov de Holi Gost [hwig iz] in u, hwig ye hav ov God, and ye qr not qr 20 on. Fer ye qr bet wið a prjs: darfor gloriif God in qr bodi, and in qr spirit, hwig qr Godz.

7 Ns consérnig de tinz hwaróf ye rot untu me: [It iz] gud fer a man not tuu 2 tuq a waman. Neverdelés, [tuu avéd] fornicafun, let everi man hav hiz on wif, and 3 let everi waman hav her on huzbund. Let de huzbund render untu de wif duu benevolens: and ljewiz also de wif untu de 4 huzbund. De wif hat not pser ov her on bodi, but de huzbund: and ljewiz also de huzbund hat not pser ov hiz on bodi, but 5 de wif. Defréd ye not wun de uder, eesépt [it be] wið conséut fer a tīm, dat ye ma giv úrsélvz tuu fastig and prar; and cum tuu-géder agén, dat Satun temt u not fer qr 6 mécontinensi. But i spec dis bi permisun, 7 [and] not ov comqndment. Fer i wúid dat ol men wer ev'n az i misélf. But everi man hat hiz proper gift ov God, wun qfter 8 dis maner, and anúder qfter dát. I sa darfor tuu de unnárid and widoz, It iz 9 gud fer dém if da abjd ev'n az i. But if da canot contán, let dém mari: fer it iz 10 beter tuu mari dan tuu burn. And untu de mari i comáq, [yet] not i, but de Lord, Let not de wif depárt from [her] huzbund: 11 but and if se depárt, let her remán un-márid, er be reconsjld tuu [her] huzbund: and let not de huzbund put awá [hiz] wif.

7 12 But thu ðe rest spec i, not ðe Lord: If
eni bruder hat a wif ðat belevet not, and se
be plezd tu dwel wid him, let him not put
13 her awá. And ðe wuman hwig hat an
huzbund ðat belevet not, and if he be plezd
14 tu dwel wid her, let her not lev him. For
ðe unbelievi huzbund iz saŋetifid bi ðe wif,
and ðe unbelievi wif iz saŋetifid bi ðe huz-
bund: els wer Ƴr gildren unclén; but nƳ qƳ
15 ða holi. But if ðe unbelievi depárt, let
him depárt. A bruder or a sister iz not
under bondej in sug [casez]: but God hat
16 cöld us tu pes. For Ƴ hwot noest ðs, o
wif, hweder ðs salt sav [ði] huzbund; or
Ƴ hƳ noest ðs, o man, hweder ðs salt sav
17 [ði] wif. But az God hat distribut tu
everi man, az ðe Lord hat cöld everi wun,
so let him wec. And so erdán i in el Ƴrgez.
18 Ƴ Iz eni man cöld bein sereumsjz; let
him not beedm unsereumsjz. Ƴ Iz eni cöld
in unsereumsjz; let him not be sereum-
19 sjz. Sereumsizun iz nutin, and unse-
reumsizun iz nutin, but ðe cepin ov ðe
20 comqndments ov God. Let everi man abjd
21 in ðe sam celin hwarin he woz cöld. Ƴ Art
ðs cöld [bein] a servant; car not for it:
but if ðs maest be mad fre, Ƴz [it] rƳder.
22 For hé ðat iz cöld in ðe Lord, [bein] a
servant, iz ðe Lordz freman: liƳewiz elso hé
ðat iz cöld, [bein] fre, iz Crjsts servant.
23 Ye qƳ bot wid a prjs; be not ye ðe servants
24 ov men. Bredren, let everi man, hwarin he
iz cöld, ðarin abjd wid God.
25 NƳ consérniƳ verjin Ƴ hav no comqnd-
ment ov ðe Lord: yet i Ƴiv mƳ jujment, az
wun ðat hat obtánd mersi ov ðe Lord tu
26 be fatful. Ƴ supóz ðarfor ðat ðis iz Ƴud
for ðe prezent distrés, [i sa,] ðat [it iz] Ƴud
27 for a man so tu be. Ƴ Art ðs bƳnd untu
a wif; see not tu be lust. Ƴ Art ðs lust
28 from a wif; see not a wif. But and if ðs
mari, ðs hast not sind; and if a verjin
mari, se hat not sind. Neverðelés sug Ƴal
hav trub'l in ðe fleƳ: but i spar Ƴ.
29 But ðis i sa, bredren, ðe tƳm [iz] fert:
it remanet, ðat bot dá ðat hav wƳvz be az
30 ðo ða had nun; and dá ðat wep, az ðo ða
wept not; and dá ðat rejés, az ðo ða re-
jést not; and dá ðat bi, az ðo ða pozést
31 not; and dá ðat Ƴz ðis wuld, az not
abƳziƳ [it]: for ðe fafun ov ðis wuld
32 pƳset awá. But i wud hav Ƴ widst ear-
fulness. Hé ðat iz unmarid caret for ðe
tinz ðat belón tu ðe Lord, hƳ he ma plez
33 ðe Lord: but hé ðat iz marid caret for ðe
tinz ðat qƳ ov ðe wuld, hƳ he ma plez
34 [hiz] wif. Ƴar iz diferens [elso] betwén a
wif and a verjin. Ƴe unmarid wuman caret
for ðe tinz ov ðe Lord, ðat se ma be holi
bot in bodi and in spirit: but se ðat iz
marid caret for ðe tinz ov ðe wuld, hƳ se
35 ma plez [her] huzbund. And ðis i spee for
Ƴr on profit; not ðat i ma cƳst a snar upón
Ƴ, bot ier dát hwic iz cumli, and ðat ye ma
aténd upón ðe Lord widst distraefun.
36 But if eni man tƳpe ðat he behavet him-
self uncúmli tord hiz verjin, if se pƳs ðe
flser ov [her] aj, and ned so reƳwƳr, let him

7 du hwot he wil, he sinet not: let ðem mari.
(37) Neverðelés hé ðat standet stedfast in
hiz hƳrt, havin no nesesiti, but hat pƳer
over hiz on wil, and hat so deeréd in hiz
hƳrt ðat he wil cep hiz verjin, duet wel.
38 So ðen hé ðat givet [her] in marij duet
wel, but hé ðat givet [her] not in marij
duet beter.
39 Ƴe wif iz bƳnd bi ðe lo az lón az her
huzbund livet; but if her huzbund be ded,
se iz at liberti tu be marid tu hƳm se
40 wil; onli in ðe Lord. But se iz hapier if
se so abjd, Ƴfter mƳ jujment: and i tƳpe
elso ðat i hav ðe Spirit ov God.
8 NƳ az tuƳin tƳnz oferd untu idulz, we
no ðat we ol hav nolej. Nolej pufet up,
2 but Ƴariti éðifjet. And if eni man tƳpe ðat
he noet eni tin, he noet untu yet az he
3 et tu no. But if eni man luv God, ðe sam
4 iz non ov him. Az consérniƳ ðarfor ðe
etƳn ov ðoz tƳnz ðat qƳ oferd in saƳrifiz
untu idulz, we no ðat an idul [iz] nutin
in ðe wuld, and ðat [ðar iz] nun uðer
5 God but wun. For ðo ðar be ðat qƳ cöld
godz, hweder in heƳn or in ert, (az ðar be
6 godz meni, and lordz meni,) but tu us
[ðar iz but] wun God, ðe Fæder, ov hum
[qƳ] ol tƳnz, and we in him; and wun
Lord Jezus Crjst, bi hum [qƳ] el tƳnz,
7 and we bi him. HƳbeit [ðar iz] not in
everi man dát nolej: for sum wid consens
ov ðe idul untu ðis Ƴr et [it] az a tƳn oferd
untu an idul; and ðar consens bein wec iz
ðeffld.
8 But met coméndet us not tu God: for
neder, if we et, qƳ we ðe beter; neder, if
9 we et not, qƳ we ðe wurs. But tac hed
lest bi eni menz ðis liberti ov Ƴr beedm a
10 stumblinƳloe tu ðém ðat qƳ wec. For if
eni man se ðe hwic hast nolej sit at met
in ðe idulz temp'l, Ƴ Ƴal not ðe consens ov
hƳm hwic iz wec be embold'nd tu et ðoz
11 tƳnz hwic qƳ oferd tu idulz; and tru ði
nolej Ƴ Ƴal ðe wec bruder perif, for hum
12 Crjst djd. But hwen ye sin so agénst ðe
bredren, and wund ðar wec consens, ye
13 sin agénst Crjst. Hwarfor, if met mac
mƳ bruder tu ofénd, i wil et no fleƳ hwil ðe

9 Ƴ AM i not an após'l; Ƴ am i not fre;
Ƴ hav i not sen Jezus Crjst Ƴr Lord; Ƴ qƳ

for ðe sel ov mƳn após'lƳp qƳ ye in ðe Lord.
3 MƳn qnser tu ðém ðat du egzámin me

11 (1) Be ye fólóerz ov me, ev'n az i also [am] ov Críst.

- 2 Ns i praz u, bredren, dat ye remémber me in el tinz, and cep de órđinansez, az
3 i deliverd [dem] tu u. But i wúd hav u no, dat de hed ov everi man iz Críst; and de hed ov de wuman [iz] de man; and de hed ov Críst [iz] God. Everi man prainj ov prófesij, havij [hiz] hed cuverd, dizonuret hiz hed. But everi wuman dat praet ov prófesjet wíd [her] hed uncúverd, dizonuret her hed: for dát iz ev'n el wun az if se wer fav'n. For if de wuman be not cuverd, let her elso be sorn: but if it be a sam for a wuman tu be sorn er fav'n, let her be cuverd. For a man indéd et not tu cuver [hiz] hed, forasmúc az he iz de imej and glóri ov God: but de wuman iz de glóri ov de man. For de man iz not ov de wuman; but de wuman ov de man.
9. Néder woz de man created for de wuman; but de wuman for de man. For dis coz et de wuman tu hav pser on [her] hed becóz ov de anjel. Neverdélés neder iz de man wídst de wuman, neder de wuman wídst de man, in de Lord. For az de wuman [iz] ov de man, ev'n so [iz] de man elso bj de wuman; but el tinz ov God.
13 Juj in úrsélvz: s'iz it cumli dat a wuman pra untu God uncúverd. s' Dut not ev'n natúr itsélf teq u, dat, if a man hav loj har, it iz a sam untu him. But if a wuman hav loj har, it iz a glóri tu her: for [her] har iz giv'n her for a cuverin.
16 But if eni man sem tu be contenfus, we hav nò suq eustum, neder de gúrcz ov God.
17 Ns in dis dat i declár [untu u] i praz [u] not, dat ye cum tугéder not for de 18 beter, but for de wurs. For ferst ov el, hwen ye cum tугéder in de gúrc, i her dat dar be divizunz amúj u: and i partli 19 belév it. For dar must be elso heresiz amúj u, dat dá hwiq qr aprúvd ma be mad manifest amúj u.
20 Hwen ye cum tугéder đarfór intú wun plas, [dis] iz not tu et de Lordz super.
21 For in etij everi wun tacet befór [uder] hiz on super: and wun iz hungri, and 22 anúder iz druce'n. Hwot! s' hav ye not hsez tu et and tu drige in; or s' despiz ye de gúrc ov God, and sam dém dat hav not. s' Hwot sal i sa tu u: s' sal i praz u in dis. F praz [u] not.
23 For i hav resévd ov de Lord, dát hwiq also i deliverd untu u, dat de Lord Jezus de [sam] njt in hwiq he woz betrád tue 24 bred: and hwen he had giv'n tages, he brac [it], and sed, Tac, et: dis iz m' bodi, hwiq iz broc'n for u: dis du in remém- 25 brans ov me. After de sam maner elso [he tac] de cup, hwen he had supt, saij, dis cup iz de nq testament in m' blud: dis du ye, az oft az ye drige [it], in remém- 26 brans ov me. For az e'n az ye et dis bred, and drige dis cup, ye du sò de Lord det til he cum.
27 Hwarfor husóever sal et dis bred, and drige [dis] cup ov de Lord, unwurđili, sal

11 be gílti ov de bodi and blud ov de Lord. (2s) But let a man egzámin himsélf, and sò let him et ov [dát] bred, and drige ov [dát] 29 cup. For hé dat etet and drigeet unwurđili, etet and drigeet damnafun tu himsélf, 30 not dízérnj de Lordz bodi. For dis coz meni [qr] wec and sieli amúj u, and meni 31 slep. For if we wud juj srsélvz, we sud 32 not be juđ. But hwen we qr juđ, we qr 33 cas'nd ov de Lord, dat we sud not be con- 34 dém wíd de wúrlđ. Hwarfor, m' bredren, hwen ye cum tугéder tu et, tari wun for 34 anúder. And if eni man hunger, let him et at hom; dat ye cum not tугéder untu condemnafun. And de rest wíl i set in order hwen i cum.

12 Ns consérnj spirítuq [gifts], bredren, i wúd not hav u ignorant. (2) Ye nò dat ye wer Jentlż, carid awá untu dez 3 dum idulz, ev'n az ye wer led. Hwarfor i giv u tu understánd, dat nò man specij bj de Spirit ov God colet Jezus acúrsed: and [dat] nò man can sa dat Jezus iz de Lord, but bj de Holi Gost.

4 Ns dar qr diversitiz ov gifts, but de sam 5 Spirit. And dar qr diferensez ov admin- 6 istrafunz, but de sam Lord. And dar qr diversitiz ov operafunz, but it iz de sam 7 God hwiq wureet el in el. But de mani- 8 festafun ov de Spirit iz giv'n tu everi 8 man tu profit wídel. For tu wun iz giv'n bj de Spirit de wurd ov wizdum; tu anúder de wurd ov nolej bj de sam Spirit; 9 tu anúder fat bj de sam Spirit; tu an- 10 úder de gifts ov helij bj de sam Spirit; tu anúder de wureij ov mirac'lz; tu anúder profesi; tu anúder dízérnj ov spirits; tu anúder [díjverz] ejndz ov tunp; tu an- 11 úder de interpretafun ov tunp; but el dez wureet dát wun and de selfsam Spirit, divijdj tu everi man séveral az he wíl.

12 For az de bodi iz wun, and hat meni memberz, and el de memberz ov dát wun bodi, beij meni, qr wun bodi: sò elso [iz] 13 Críst. For bj wun Spirit qr we el baptjzd intú wun bodi, hweder [we be] Juz er Jentlż, hweder [we be] bond er fre; and hav ben el mad tu drige intú wun Spirit.

14 For de bodi iz not wun member, but 15 meni. If de fut sal sa, Becóz i am not de hand, i am not ov de bodi; s' iz it đarfór 16 not ov de bodi. And if de er sal sa, Becóz i am not de f, i am not ov de bodi; s' iz it 17 đarfór not ov de bodi. If de hol bodi [wer] an f, s' hwar [wer] de herin. If de hol [wer] herin, s' hwar [wer] de smelij. 18 But ns hat God set de memberz everi wun ov dem in de bodi, az it hat plezd him. 19 And if da wer ol wun member, s' hwar 20 [wer] de bodi. But ns [qr đá] meni 21 memberz, yet but wun bodi. And de i canot sa untu de hand, F hav nò ned ov de: ner agén de hed tu de fet, F hav nò 22 ned ov u. Na, muc mor đoz memberz ov de bodi, hwiq sem tu be mor feb'l, 23 qr nésereri: and đoz [memberz] ov de bodi, hwiq we tige tu be les ónura'b'l, upón dez we bestó mor abundant onur; and er

And hweder wun member sufer, ol de memberz sufer wid it; or wun member be onurd, ol de 27 memberz rejós wid it. Ns ye qr de bodi ov Crjst, and memberz in partícler.

28 And God hat set sum in de gurg, ferst apóslz, sécunderili profets, terdli tegerz, 29 qfter dát mirac'lz, den gifts ov helijz, helps, guvernements, diversitiz ov tunz. 30 S [Ar] ol apóslz; s [qr] ol profets; s [qr] ol tegerz; s [qr] ol wurcerz ov mirac'lz; 31 s hav ol de gifts ov helij; s duu ol spee wid tunz; s duu ol intérpret.

32 But cuvet earnestli de best gifts: and yet **13** so i untu u a mör eeselent wa.—(1) Jo i spec wid de tunz ov men and ov anjelz, and hav not qariti, i am becüm [az] sündij 2 brqs, or a tigelinj simbal. And do i hav [de gift ov] profesi, and understand ol misteriz, and ol nolej; and do i hav ol fat, so dat i cud remáuv msntenz, and 3 hav not qariti, i am nutij. And do i bestó ol mj gudz tuu fed [de pur], and do i giv mj bodi tuu be burnt, and hav not qariti, it profitet me nutij.

4 Cariti suferet lonç, [and] iz ejnd; qariti enviet not; qariti vqntet not itsélf, iz not 5 puft up, dut not beháv itsélf unsemli, seceet not her on, iz not ezili provóet, 6 tigeet no ev'l; rejoset not in inewiti, but 7 rejoset in de truit; baret ol tinz, belevet ol tinz, hópét ol tinz, endúret ol tinz.

8 Cariti never falet: but hweder [dar be] profesi, da fal fal; hweder [dar be] tunz, da fal ses; hweder [dar be] nolej, it fal 9 vanij awá. For we no in part, and we 10 profesi in part. But hwen dát hwiç iz perfect iz eum, den dát hwiç iz in part fal 11 be dun awá. Hwen i woz a gild, i spae az a gild, i understúdt az a gild, i tet az a gild: but hwen i becám a man, i put awá 12 gildij tinz. For ns we se truú a glqs, dqreli; but den fas tuu fas: ns i no in part; but den fal i no ev'n az elso i am non.

13 And ns abidet fat, hóp, qariti, dez tre; but de gratest ov dez [iz] qariti.

14 FOLO qfter qariti, and dezjr spirit- 1 ual [gifts], but rqder dát ye ma profesi. 2 —Fér hé dat speect in an [unnón] tun speet not untu men, but untu God: for no man understándet [him]; hsbeit in de 3 spirit he speect misteriz. But hé dat profésjet speect untu men [tuu] edificafun, 4 and esortafun, and cumfurt. Hé dat speect in an [unnón] tun édifiet himsél; but 5 hé dat profésjet édifiet de gurg. I wúdt dát ye ol spae wid tunz, but rqder dát ye profesjd: for grater [iz] hé dat profesjet 6 dan hé dat speect wid tunz, eesépt he intérpret, dát de gurg ma resév édifij.

6 Ns, bredren, if i eum untu u specij wid

16 Ev'n so ye, ferazmúç az ye qr zelus ov 17 spiritul [gifts], see dat ye ma eesél tuu de 18 édifij ov de gurg. Hwarfor let him dat 19 speect in an [unnón] tun pra dát he ma 20 intérpret. Fér if i pra in an [unnón] tun, 21 mj spirit praet, but mj understándij iz 22 unfruitful. S Hwot iz it den. I wil pra 23 wid de spirit, and i wil pra wid de under- 24 stándij elso: i wil sij wid de spirit, and 25 i wil sij wid de understándij elso. Els 26 hwen ds falt bles wid de spirit, s hs fal hé 27 dat ócupiet de rum ov de unlérned sa 28 'Amén at tí givij ov tages, seij he under- 29 stándet not hwot ds saest. 36 Bredren, be not gildren in understándij: 37 hsbeit in malis be ye gildren, but in under- 38 stándij be men. In de lo it iz rit'n, Wid 39 [men ov] uder tunz and uder lips wil i 40 spee untu ds pep'l; and yet for ol dát wil 41 da not her me, set de Lord. Hwarfor 42 tunz qr for a sijn, not tuu dém dat belév, 43 but tuu dém dat belév not: but profesij 44 [servet] not fer dém dat belév not, but fer 45 dém hwiç belév.

46 If darfor de hol gurg be eum tugéder 47 intuu wun plas, and ol spee wid tunz, and 48 dar eum in [doz dat qr] unlérned, or un- 49 beleverz, s wil da not sa dát ye qr mad. 50 But if ol profesi, and dar eum in wun dat 51 belevet not, or [wun] unlérned, he iz con- 52 vinst ov ol, he iz juçd ov ol: and dus qr 53 de secrets ov hiz harpt mad manifest: and 54 so felij dyn on [hiz] fas he wil wurfip 55 God, and repórt dat God iz in u ov a 56 truit.

If eni man spec in an [unnón] 62 tun, [let it be] bj tuu, or at de most [bj] 63 tre, and [dát] bj cors; and let wun in- 64 terpret. Fer ye ma el profesi wun bi wun, dat el ma lern, and 32 el ma be cumfurd. And de spirits ov de 33 profets qr subject tuu de profets. Fer God iz not [de etur] ov confuzun, but ov pes, az in el gurgez ov de sants.

34 Let yr wimen cep sjlens in de gurgez: fer it iz not permitted untu dem tuu spec; but [da qr comqnded] tuu be under obe- 35 diens, az elso set de lo. And if da wil lern eni tin, let dem qsc dar huzbundz at hom: fer it iz a sam fer wimen tuu spec in 36 de gurg,—¹ Hwot! ² cam de wurd ov God st from u; or ³ cam it untu u onli.

37 If eni man tije himsêlf tuu be a profet, or spiritual, let him acnólej dat de tinz dat i rit untu u qr de comqndments ov 38 de Lerd. But if eni man be ignorant, and 39 him be ignorant. Hwarfor, bredren, cuvet tuu profesi, and forbid not tuu spec wid 40 tunz. Let el tinz be dun desentli and in order.

15 **MOROVER**, bredren, i declár untu u de Gospel hwiç i preçt untu u, hwiç elso ye hav resêvd, and hwarín ye stand; 2 bi hwiç elso ye qr savd, if ye eep in memori hwot i preçt untu u, unlés ye hav 3 belêvd in van. Fer i delivêrd untu u ferst ov el dát hwiç i elso resêvd, hz dat Crîst did fer sr sinz acording tuu de Scripturz; 4 and dat he woz berid, and dat he rôz agén de terd da acording tuu de Scripturz: 5 and dat he woz sen ov Sefas, den ov de 6 twelv: qfter dát, he woz sen ov abúv fiv hundred bredren at wuns; ov hum de grater pprt remán untu dis prezent, but 7 sum qr fol'n aslêp. After dát, he woz sen 8 ov Jamz; den ov el de após'lz. And lqst ov el he woz sen ov me elso, az ov wun 9 bern st ov du tîm. Fer i am de lest ov de após'lz, dat am not met tuu be cold an após'l, becóz i pèrsecuted de gurg ov God. 10 But bi de gras ov God i am hwot i am: and hiz gras hwiç [woz bestód] upón me woz not in van; but i laburd mor abundantli dan da ol: yet not i, but de gras 11 ov God hwiç woz wid me. Darfor hweder [it wer] i er da, so we preç, and so ye belêvd.

12 Ns if Crîst be preçt dat he rôz from de ded, ¹ hys sa sum amúç u dat dar iz no 13 rezurecfun ov de ded. But if dar be no rezurecfun ov de ded, den iz Crîst not 14 riz'n: and if Crîst be not riz'n, den [iz] sr preçin van, and yr fat [iz] elso van. 15 Ya, and we qr fsnd fols witnesses ov God; becóz we hav testifid ov God dat he razd up Crîst: hum he razd not up, if so be 16 dat de ded riz not. Fer if de ded riz not, 17 den iz not Crîst razd: and if Crîst be not razd, yr fat [iz] van; ye qr yet in yr sinz. 18 Den dá elso hwiç qr fol'n aslêp in Crîst qr 19 perist. If in dis lif onli we hav hêp in Crîst, we qr ov el men most mizerabl'. 20 But ns iz Crîst riz'n from de ded, [and] 21 becúm de ferstfruits ov déan dat slept. Fer

But everi man in hiz on order: Crîst de ferstfruits; qfterwerd dát dat qr 24 Crîst at hiz cumig. Fer he must ran, til he hat put el enemiz 26 under hiz fet. De lqst enemi [dat] fal be 27 destród [iz] det. Fer he hat put el tinz under hiz fet. But hwen he set, El tinz qr put under [him, it iz] manifest dát hé iz eesépted, hwiç did put el tinz under him. 28 And hwen el tinz fal be subdúdt untu him, den fal de sun elso himsêlf be subject untu him dat put el tinz under him, dat God ma be el in el.

29 Els ¹ hwot fal dá du hwiç qr baptizd fer de ded, if de ded riz not at el: ² hwiç 30 qr da den baptizd fer de ded. And ³ hwiç 31 stand we in jepardi everi sr. ⁴ protést bi yr rejosiç hwiç i hav in Crîst Jezus sr 32 Lerd, i dj dali. 42 So elso [iz] de rezurecfun ov de ded. It iz son in corrupfun; it iz razd in incor- 43 upfun; it iz son in dizónur; it iz razd in glori: it iz son in weenes; it iz razd in 44 pser: it iz son a natural bodi; it iz razd a spiritual bodi. Dar iz a natural bodi, and 45 dar iz a spiritual bodi. And so it iz rit'n, de ferst man Adam woz mad a livin sol; de lqst Adam [woz mad] a ewicniç spirit. 46 Hsbeit dát [woz] not ferst hwiç iz spirit- ual, but dát hwiç iz natural; and qfter- 47 werd dát hwiç iz spiritual. 19 De gurgez ov Afa saljt u. Acwila and

De ferst [Epis'l] tu de Corintianz woz
rit'n from Fjlipi bi Stefanas, and Fer-
tunatus, and Acaicus, and Timotius.

DE SECUND EPIS'L OV PÖL DE APOS'L TU DE CORINTIANZ.

1 PÖL, an apös'l ov Jezus Crjst bi de wil
ov God, and Timoti [sr] bruder, untu de
gurç ov God hwiç iz at Corint, wid el de
2 sants hwiç qr in el Acaa: Gras [be] tu u
and pes from God sr Fqder, and [from] de
Lord Jezus Crjst.
3 Blessed [be] God, ev'n de Fqder ov sr
Lord Jezus Crjst, de Fqder ov mersiz, and
4 de God ov el cumfurt; hu cumfurtet us in
el sr tribulafun, dat we ma be ab'l tu
cumfurt ðém hwiç qr in eni trub'l bi de
cumfurt, hwarwit we xsélvz qr cumfured
5 ov God. Fer az de suferinj ov Crjst absnd
in us, so sr consolafun also abyndet bi

1 Crjst. (6) And hweder we be afflicted, [it iz]
fer ur consolafun and salvafun, hwiç iz
efectual in de endüring ov de sam suferinj
hwiç we also sufer: or hweder we be cum-
fured, [it iz] fer ur consolafun and sal-
7 vafun. And sr hop ov u [iz] stedfast,
noip, dat az ye qr partacerz ov de suferinj,
so [sal ye be] also ov de consolafun.

8 Fer we wüd not, bredren, hav u ignorant
ov sr trub'l hwiç cam tu us in Afa, dat
we wer prest st ov mezur, abáv strengt,
9 insomúc dat we despärd ev'n ov lijf: but
we had de sentiens ov det in xsélvz, dat
we jud not trust in xsélvz, but in God

1 hwiç razet ðe ded: (10) hui delivred us from so grat a det, and dut deliver: in hum we
11 trust dat he wil yet deliver [us]; ye also helpin tugéder bi prar for us, dat fer ðe gift [bestod] upón us bi ðe menz ov meni persunz tages ma be giv'n bi meni on sr behálf.

12 Fer sr rejósin iz ðis, ðe téstimuni ov sr consens, dat in simplisiti and godli sinseriti, not wið flešli wízdum, but bi ðe gras ov God, we hav had sr conversafun in ðe wurld, and mór abundantli tui u-werd.
13 Fer we rit nun uder tipz untui u, ðan hwot ye red or acenólej; and i trust ye
14 sal acenólej ev'n tui ðe end; az also ye hav acenólej us in part, dat we qr sr rejósin, ev'n az ye also [qr] srz in ðe da ov ðe Lerd Jezus.

15 And in ðis confidens i woz mýnded tui cum untui u befór, dat ye mýt hav a secund benefit; and tui pqs bi u intui Masedonia, and tui cum agén st ov Masedonia untui u, and ov u tui be bret on mý wa tord
17 Júdea. Hwen i ðarfor woz dus mýnded, i did i uz lýtnes; er ðe tipz dat i purpus, i dui i purpus acerding tui ðe flej, dat wid me ðar fud be ya ya, and na na.

18 But [az] God [iz] tru, sr wurd tord u
19 woz not ya and na. Fer ðe Sun ov God, Jezus Crist, hui woz preçt amáy u bi us, [ev'n] bi me and Silvanus and Timotius, woz not ya and na; but in him woz ya.
20 Fer el ðe promísez ov God in him [qr] ya, and in him 'Amén, untui ðs glóri ov God
21 bi us. Ns hé hwiç stábliset us wid u in
22 Crist, and hat anented us, [iz] God; hui hat also seld us, and giv'n ðe earnest ov ðe Spirit in sr hqrts.

23 Móreover i cel God fer a record upón mý sol, dat tui spar u i cam not az yet untui
24 Corint. Not fer dat we hav dominyun over ur fat, but qr helperz ov ur jór: fer

2 bi fat ye stand. (1) But i detérmind ðis wið misélf, dat i wud not cum agén tui
2 u in hevines. Fer if i mac u sori, i hui iz hé ðen dat macet me glad, but ðe sam
3 hwiç iz mad sori bi me. And i rot ðis sam untui u, lest, hwen i cam, i fud hav soró from dém ov hum i et tui rejós; havin confidens in u el, dat mý jór iz [ðe jór]

4 ov u el. Fer st ov muc afflicsun and angwis ov hqrt i rot untui u wid meni terz; not dat ye fud be grevd, but dat ye mýt no ðe luv hwiç i hav mór abundantli untui u.

5 But if eni hav cozd gref, he hat not grevd me, but in part: dat i ma not overçqrrj

6 u el. Sufijent tui sug a man [iz] ðis punisment, hwiç [woz inflicted] ov meni.

7 So ðat contréwíwiz ye [et] rçder tui fergiv [him], and cumfirt [him], lest perhåps sug an wun fud be swolod up wid overmug
8 soró. Hwarfor i beség u dat ye wud

9 conférn [qr] luv tord him. Fer tui ðis end also did i rit, dat i mýt no ðe pruf ov

10 u, hweder ye be obedient in el tipz. Tui hui ye fergiv eni tip, i [fergí]v also: fer if fergáv eni tip, tui hui i fergáv [it],

2 fer ur sacs [fergáv i it], in ðe persun ov Crist; (11) lest Satan fud get an advqntej ov us; fer we qr not ignorant ov hiz devísez.

12 FURÆRMOR, hwen i cam tui Tróas tui [preç] Crísts Gospel, and a dor woz op'nd
13 untui me ov ðe Lerd, i had no rest in mý spirit, becóz i fýnd not Títus mý bruder: but taciñ mý lev ov dém, i went from dém intui Masedonia.

14 Ns tages [be] untui God, hwiç elwaz cezet us tui triumf in Crist, and macet manifest ðe savur ov hiz nolej bi us in

15 everi plas. Fer we qr untui God a swet savur ov Crist, in dém ðat qr savd, and in

16 dém ðat perij; tui ðe wun [we qr] ðe savur ov ðet untui ðet; and tui ðe uder ðe savur

17 ov lif untui lif. And i hui [iz] sufijent fer ðez tipz. Fer we qr not az meni, hwiç corúpt ðe wurd ov God: but az ov sinseriti, but az ov God, in ðe sýt ov God spec we in Crist.

3 i Dui we begín agén tui coménd srslvz: er i ned we, az sum [uderz], epis'l ov comendafun tui u, er [leterz] ov comen-
2 dafun from u. Ye qr sr epis'l rit'n in
3 sr hqrts, non and red ov el men: [fer-
azmúc az ye qr] mániifestli declárd tui be ðe epis'l ov Crist ministerd bi us, rit'n not wid ipe, but wid ðe Spirit ov ðe livin God; not in tab'lz ov ston, but in flej tab'lz ov ðe hqrt.

4 And sug trust hav we tru Crist tui God-werd: not dat we qr sufijent ov srslvz tui tige eni tip az ov srslvz; but sr sufijensi

6 [iz] ov God; hui also hat mad us ab'l min-isterz ov ðe ný testament; not ov ðe leter, but ov ðe spirit: fer ðe leter cilet, but ðe

7 spirit givet lif. But if ðe ministrafun ov ðet rit'n [and] engrav'n in stonz, woz gloriús, so ðat ðe gildren ov 'Izrael eud

not stedfastli behóld ðe fas ov Mózez for ðe glóri ov hiz cntenans; hwiç [glóri]

8 woz tui be dun awá: i hs sal not ðe minis-
9 trafun ov ðe spirit be rçder gloriús. Fer if ðe ministrafun ov condemnafun [be]

glóri, muc mór dut ðe ministrafun ov rit-
10 yusnes eeséd in glóri. Fer ev'n dát hwiç woz mad gloriús had no giori in ðis

respéct, bi rez'n ov ðe glóri dát eesélet.
11 Fer if dát hwiç iz dun awá [woz] gloriús, muc mór dát hwiç remanet [iz] gloriús.

12 Sein ðen ðat we hav sug hop, we uz grat
13 plannes ov spec: and not az Mózez, [hwiç] put a val over hiz fas, ðat ðe gildren ov 'Izrael eud not stedfastli luc tui ðe end

14 ov dát hwiç iz abólist. But ðar mýndz wer blinded: fer until ðis ða remanet ðe sam val untac'n awá in ðe redin ov ðe Old Testament; hwiç [val] iz dun awá in

15 Crist; but ev'n untui ðis ða, hwen Mózez
16 iz red, ðe val iz upón ðar hqrt. Neverdelés hwen it sal turn tui ðe Lerd, ðe val sal be

17 tac'n awá. Ns ðe Lerd iz stát Spirit: and hwar ðe Spirit ov ðe Lerd [iz], ðar

18 [iz] liberti. But we el, wið op'n fas behóldin az in a glqs ðe glóri ov ðe Lerd, qr çanjð intui ðe sam imej from glóri tui glóri, [ev'n] az bi ðe Spirit ov ðe Lerd.

4. Darfor seig we hav dis ministri, az we hav resévd mersi, we fant not; (2) but hav renstnt de hid'n tijnz ov dizonesti, not weciv in crqftines, nor handlij de wurd ov God desettfuli; but bj manifestafun ov de trut coméndij srsélvz tuu everi manz consens in de sjt ov God.

3. But if sr Gospel be hid, it iz hid tuu dém 4 dat qr lest: in hum de God ov dis wurld hat blindd de mindz ov dém hwig belév not, lest de lit ov de gloriús Gospel ov Crjst, hu iz de imej ov God, sad sju untuu 5 dem. Fer we preg not srsélvz, but Crjst Jezus de Lórd; and srsélvz qr servants for 6 Jezus sac. Fer God, hu comqndd de lit tuu sju st ov dqneces, hat sfind in sr hqrts, tuu [giv] de lit ov de nolej ov de glori ov God in de fas ov Jezus Crjst.

7. But we hav dis trezúr in ert'n veselz, dat de écselensi ov de pser ma be ov God, 8 and not ov us. [We qr] trubld on everi sjd, yet not distrést; [we qr] perpléct, 9 but not in despár; p'secuted, but not fersac'n; eqst dsn, but not destrédd; elwaz 10 barij abát in de bodi de dijn ov de Lórd Jezus, dat de lif elso ov Jezus mjt be mad 11 manifest in sr bodi. Fer we hwig liv qr olwa deliverd untuu det for Jezus sac, dat de lif elso ov Jezus mjt be mad manifest in sr mortal flef.

12. So den det wurcet in us, but lif in q. 13. We havij de sam spirit ov fat, acerdij az it iz rit'n, f belévd, and darfor hav i spoen; 14 we elso belév, and darfor spec; noij dat hé hwig razd up de Lórd Jezus sal raz up us elso bj Jezus, and sal prezént [us] wid 15 u. Fer el tijnz [qr] for qr saes, dat de abúndant gras mjt truu de tagesgívin ov meni redsnt tuu de glori ov God.

16. Fer hwig eoz we fant not; but do sr stwerd man perif, yet de inwerd [man] 17 iz renqd da bj da. Fer sr lit affiesun, hwig iz but for a moment, wurcet fer us a fqr mór ecsedij [and] etérnal wat ov 18 glori; hwil we hac not at de tijnz hwig qr sen, but at de tijnz hwig qr not sen: fer de tijnz hwig qr sen [qr] temporal; but de 5 tijnz hwig qr not sen [qr] etérnal. (i) Fer we no dat if sr ertli hss ov [dis] tábernae'l wer dizólvd, we hav a bildij ov God, an hss not mad wid handz, etérnal in de

2 hev'nz. Fer in dis we gron, ernestli dezirij tuu be clodd upón wid sr hss hwig iz 3 from hev'n: if so be dat beij clodd we 4 sal not be fsnd naced. Fer we dat qr in [dis] tábernae'l duu gron, beij burd'nd: not fer dat we wúd be unclódd, but clodd upón, dat mortaliti mjt be swolod up ov 5 lif. Ns hé dat hat rét us fer de sefsam tijn [iz] God, hu elso hat giv'n untuu us 6 de ernest ov de Spirit. Darfor [we qr] elwaz confident, noij dat, hwilst we qr at hom in de bodi, we qr absent from de 7 Lórd: (fer we wec bj fat, not bj sjt:) 8 .we qr confident, [i sa,] and wiliq rader tuu be absent from de bodi, and tuu be 9 prezént wid de Lórd. Hwarfor we labur, dat, hweder prezént or absent, we ma be

16 e *

5 acsépted ov him. (10) Fer we must el apér befór de jujment set ov Crjst; dat everi wun ma resév de tijnz [dun] in [hiz] bodi, acerdij tuu dát he hat dun, hweder [it be] gud or bad.

11. Noij darfor de terur ov de Lórd, we perswád men; but we qr mad manifest untuu God; and i trust elso qr mad mani- 12 fest in qr consensez. Fer we coménd not srsélvz agén untuu q, but giv q ocazun tuu glori on sr beháf, dat ye ma hav sumhwot tuu [qnsr] dém hwig glori in aperans,

13 and not in hqrt. Fer hweder we be besjd srsélvz, [it iz] tuu God: er hweder we be 14 sober, [it iz] for qr eoz. Fer de luv ov Crjst constranet us; becóz we dus juj, dat 15 if wun did for el, den wer el ded: and [dat] he did for el, dat dá hwig liv sad not hensfort liv untuu émsélvz, but untuu him hwig did for dem, and róz agén.

16. Hwarfor hensfort no we no man qfter de flef: ya, do we hav non Crjst qfter de flef, yet ns hensfort no we [him] no mór.

17. Darfor if eni man [be] in Crjst, [he iz] a nu eretur: old tijnz qr pqt awá; behóld, 18 el tijnz qr becúm nu. And el tijnz [qr] ov God, hu hat reconsild us tuu himsélf bj Jezus Crjst, and hat giv'n tuu us de ministri 19 ov reconsiliafun; tuu wit, dat God woz in Crjst, réconsilij de wurld untuu himsélf, not impútiq dar trespassz untuu dem; and hat comited untuu us de wurd ov reconsiliafun.

20. Ns den we qr ambasadurz for Crjst, az do God did beség [u] bj us; we pra [u] in 21 Crjst's sted, be ye reconsild tuu God. Fer he hat mad him [tuu be] sin fer us, hu nu no sin; dat we mjt be mad de rjtyusnes ov God in him.

6. We den, [az] wurcerz tugéder [wid him], beség [u] elso dat ye resév not de 2 gras ov God in van. (Fer he set, f hav herd dé in a tijn acsépted, and in de da ov salvafun hav i sucurd dé: behóld, ns [iz] de acsépted tijn; behóld, ns [iz] de da ov 3 salvafun.) Gívin no oféns in eni tijn, dat 4 de ministri be not blamd: but in el [tijnz] apruvij srsélvz az de ministerz ov God, in maq pafens, in affiesunz, in nesesity, in

5 distrésez, in strips, in impriz'nments, in tumults, in laburz, in wogijnz, in fstijnz; 6 .bj purnes, bj nolej, bj loq suferij, bj cindnes, 7 bj de Holi Gost, bj luv unfánd, .bj de wurd ov trut, bj de pser ov God, bj de qrmur ov rjtyusnes on de rjt hand and on de left,

8 .bj onur and dizónur, bj ev'l repórt and gud repórt: az deseverz, and [yet] truu; 9 .az unnón, and [yet] wel non; az dijn, and, behóld, we liv; az gas'nd, and not

10 cild; .az sórfal, yet elwa rejosij; az pur, yet maeij meni rig; az havij nutin, and [yet] pozésij el tijnz.

11. O [ye] Corinthianz, sr mst iz op'n untuu 12 u, sr hqrt iz enlqrdj. Ye qr not strat'nd in us, but ye qr strat'nd in qr on bselz. 13. Ns fer a recompens in de sam, (i) spec az untuu [mij] children,) be ye elso enlqrdj.

14. Be ye not unecwali yocet tugéder wid

 nes wid unrihtyſnes; and i hwot comunion
 15 hat lit wid dargenes; and i hwot concord
 hat Criſt wid Belial; er i hwot part hat
 16 he dat belevet wid an infidel; and i hwot
 agrement hat de temp'l ov God wid iulz;
 fer ye ar de temp'l ov de livin God; az
 God hat ſed, I wil dwel in dem, and wee

 Olmſti.

7 Haviþ darfor ðez promisez, derli belúved,
let us clenþ yrselþvz from el filþines ov ðe fleþ

2 RESEV us; we hav royd no man, we
hav corúpted no man, we hav defreðed no

ov speþ tord u, grat [iz] mi gloriþg ov u:
i am fild wið cumsurt, i am eesediþg joful
in el sv tribulafun.

5 Fer, hwen we wer cum intuu Macedonia,

 20 qfter a godli maner, dat ye mjt resév damej
 21 bj us in nutij. Fer godli soro wurcet
 22 repntens tu salvafun not tu be repnted
 23 ov: but ðe soro ov ðe wurd wurcet det.
 24 11. Fer behóld ðe selfsam tijn, dat ye sorod
 25 qfter a godli sert, hwot carfulnes it rot in
 26 q! ya, [hwot] clerij ov úrsélvz! ya, [hwot]
 27 indignafun! ya, [hwot] fer! ya, [hwot] ve-

13 Darfor we wer eumfurd in yr eumfurt;
ya, and cessedipli de mor jod we fer de jō

1 PØL, an apòs'l, (not ov men, neder bi man, but bi Jezus Crġst, and God de

4 Crġst, hui gav himsélť for sr sinz, dat he mġt deliver us from dis prezent ev'l wurld, acerdġn tui de wil ov God and sr Fqder:
5 tui humm [be] ġlòri for ever and ever. 'Amén.
6 F MARVEL dat ye qr sò sun remúvd from him dat celd u intui de gras ov Crġst
7 untu anúder Gospel: hwiġ iz not anúder; but dar be sum dat trub'l u, and wad pers
8 vért de Gospel ov Crġst. But do we, or an anġel from hev'n, preġ eni uder Gospel untu u
9 dan dát hwiġ we hav preġt untu u, let him be acúrsed. Az we sed befór, sò sa i
10 acúrsed. Fer i du i nŕ perswád men, or God; or i du i sec tu plez men; for if i yet
11 plezd men, i sud not be de servant ov Crġst.
12 But i sertifi u, bredren, dat de Gospel hwiġ woz preġt ov me iz not after man.
13 Fer i neder resévd it ov man, neder woz i tèt [it], but bi de revelafun ov Jezus Crġst.
14 Fer ye hav herd ov mġ conversafun in tġm pást in de Jŭz relġjun, hŕ dat beyònd meġur i persecutéd de ġurġ ov God, and wasted it:
15 and profitid in de Jŭz relġjun abáv meni mġ ecwalz in mġn on nafun, beġm mór ec-sediġli zelus ov de tradisunz ov mġ fqderz.
16 But hwen i plezd God, hui séperated me from mġ muderz wum, and celd [me] bi
17 hiz gras, tui revél hiz Sun in me, dat i mġt preġ him amúġ de hea'n; imedyetli i con-férð not wið fľeġ and blud: neder went i up tui Jeruza-lem tui dém hwiġ wer apòs'lz befór me; but i went intui Arabia, and re-

2 (24) And da ġlòrifġd God in me. (1) Æen fòrten yerz after i went up agén tui Jeruza-lem wið Barnabas, and tae Tġtus wið

5 tui hum we gav plas bi subġeġfun, nò, not for an sr; dat de truit ov de Gospel mġt
6 continġ wið u. But ov döz hui semd tui be sunhwot, hwotsoéver da wer, i maeet nò mater tui me: God acséptet nò manz persun: for dá hui semd [tui be sunhwot]
7 in confersens aded nutġ tui me: but cònterġwġz, hwen da sò dat de Gospel ov de unsercumsġzun woz comited untu me, az [de Gospel] ov de sercumsġzun [woz] untu
8 Peter; (for hé dat rot eféctŕali in Peter tui de apòs'lġp ov de sercumsġzun, de sam woz
9 mġti in me tord de Jentġlz:) and hwen Jamz, Sefas, and Jon, hui semd tui be pilers, persévd de gras dat woz ġiv'n untu me, da gav tui me and Barnabas de řit handz ov fòlòsġp; dat we [sud ġo] untu de hea'n,
10 and da untu de sercumsġzun. Onli [da wúd] dat we sud reménber de pur; de sam hwiġ i also woz forwerd tui du.
11 But hwen Peter woz cum tui Antioe, i wġdstúð him tui de fas, becóz he woz tui

13 And de uder Jŭz disémb'ld ġewġz wið him; insomŕ dat Barnabas also woz carid awá

Æ FERST EPIS'L OV PÔL Æ APOS'L TW Æ TESALONIANZ.

1 PÔL, and Silvanus, and Timotius, untu de gurg ov ðe Tesalonianz [hwig iz] in God ðe Fqðer and [in] ðe Lord Jezus Crist: Gras [be] untu u, and pes, from God sr Fqðer, and ðe Lord Jezus Crist.

2 We giv tages tuu God olwaz for u el,

3 maciþ menþun ov u in sr prarz; remeberiþ wiðst sesiq ur wure ov fat, and labur ov luv, and pasens ov hœp in sr Lord Jezus Crist, in ðe sit ov God and sr Fqðer:

4 .noþiþ, bredren belæved, ur elecfun ov God.

5 .Før sr Gospel cam not untu u in wurd onli, but also in psær, and in ðe Holi Gost, and in muþ asfurans; az ye no hwot maner ov men we wer amúþ u for ur sac.

6 And ye becam fólœerz ov us, and ov ðe Lord, haviþ resævd ðe wurd in muþ allicfun,

7 wið jo ov ðe Holi Gost: so dat ye wer enscumþ'lz tuu ol dat belév in Masedonia and

8 Acaa. Fer from u sþnded st ðe wurd ov ðe Lord not onli in Masedonia and Acaa, but also in evcri plas ur fat tuu God-werd iz spred abréð; so dat we ned not tuu spec

9 eni tip. Fer ða ðemselvz so ov us hwot maner ov enteriþ in we had untu u, and

10 hþ ye turnd tuu God from iðulz tuu serv ðe liviþ and tru God; and tuu wat fer hiz Sun from hev'n, hum he razd from ðe ded, [ev'n] Jezus, hwig deliverd us from ðe rœt tuu cum.

2 Fer urselvz, bredren, no sr entrans in untu u, dat it woz not in van: (2) but ev'n after dat we had suferd befœr, and wer jamfuli entrœted, az ye no, at Filipi, we wer bold in sr God tuu spec untu u ðe

3 Gospel ov God wið muþ contenfun. Fer sr escortasun [woz] not ov desœt, nœr ov

4 unclennes, nœr in giþ: but az we wer alœd ov God tuu be put in trust wið ðe Gospel, ev'n so we spec; not az pleziþ men, but

5 God, hwig triþet sr harts. Fer nœter at eni tþm uþd we flateriþ wurdz, az ye no, nœr a clœc ov cœvetusnes; God [iz] witnes:

6 .nœr ov men sœt we glori, nœder ov u, nœr [yet] ov nderz, hwen we mþt hav ben

13 Fer ðis cœz œlso tæþ we God wiðst sesiq, becœz, hwen ye resævd ðe wurd ov God hwig ye herd ov us, ye resævd [it] not [œz] ðe wurd ov men, but az it iz in truit, ðe wurd ov God, hwig œfœtþali wurœt œlso in u

17 But we, bredren, beþ tæc'n from u for a fœrt tþm in prezens, not in hœrt, endœvurd ðe mœr abundantli tuu se ur fas wið grat

18 deþþ. Hwarfœr we wud hav cum untu u, ev'n i Pel, wuns and agœn; but Satan

3 Hwarfœr hwen we eud no longer ferbær, we tœt it gad tuu be left at Atenz

2 alœn; and sent Timotius sr brœder, and minister ov God, and sr felœ-laburer in ðe

6 But ns hwen Timotius cam from u untu us, and brœt us gad tþdiþz ov ur fat and

11 Ns God himselþ and sr Fqðer, and sr Lord Jezus Crist, dirœt sr wa untu u.

12 And ðe Lord mac u tuu incrœs and abœnd in luv wun tœrd amœder, and tœrd œl [men],

4 FURDERMOR ðen we beség u, bredren, and egzört [u] bj ðe Lord Jezus, ðat az ye hav resévd ov us h's ye et tuu woe and tuu plez God, [so] ye wud ab'snd mor and mor. For ye nō hwot comqudmnts 3 we gav u bj ðe Lord Jezus. For ðis iz ðe wil ov God, [ev'n] ur saŋctificaŋsun, 4 ðat ye suð ab'stán from fernaicaŋsun: ðat everi wun ov u suð nō h's tuu pozés hiz 5 vesel in saŋctificaŋsun and onur; not in ðe lust ov concupisens, ev'n az ðe Jentilz hwiç 6 nō not God: ðat nō [man] go beyōnd and defróð hiz bruder in [eni] mater: becōz ðat ðe Lord [iz] ðe avénjer ov ol suç, az 7 we also hav forwérnd u and testifjð. For God hat not cold us untu uclennes, but 8 untu holines. Hē ðarfor ðat despizet, despizet not man, but God, hu hat also 9 giv'n untu us hiz holi Spirit.

9 But az tuçŋ bruderli luv ye ned not ðat i rit untu u: for ye ursélvz qr tēt ov God 10 tuu luv wun anúder. For ðis we sa untu u bj ðe wurd ov ðe Lord, ðat we hwiç qr aljv [and] remán untu ðe cumiŋ ov ðe Lord sal not prevént ðem hwiç qr aslép. 16 For ðe Lord himselv sal desénd from hev'n wið a fst, wið ðe vos ov ðe qreanjel, and wið ðe trump ov God: and ðe ded in Crjst 17 sal rjz ferst: ðen we hwiç qr aljv [and] remán sal be cēt up tugiéðer wið ðem in ðe elsdz, tuu met ðe Lord in ðe ar: and so 18 sal we ever be wið ðe Lord. For ðá ðat slep slep in ðe njt; and ðá ðat be drunç'n qr drunç'n 8 in ðe njt. But let us, hu qr ov ðe da, be sober, putiŋ on ðe brestplat ov fat and luv; and for an helmet, ðe hop ov sal- 9 vaŋsun. For God hat not apēnted us tuu rēt, but tuu obtán salvaŋsun bj sr Lord 10 Jezus Crjst, hu ðid for us, ðat, hweder we wae er slep, we suð liv tugiéðer 11 wið him. Hwarfor cumfurt ursélvz tugiéðer, and edifi wun anúder, ev'n az also ye duu.

cóntroversi grat iz de misteri ov godlines: God woz manifest in de fleš, justijđ in de Spirit, sen ov anjelz, prečt untu de Jentilz, belévd on in de wurd, resévd up intui glori.

4 Ns de Spirit speet espresli, dat in de later timz sum sal depárt from de fat, givij hed tu sedqsin spirits, and doctrinz ov dev'lz; specij liz in hipocrisi; havij dar consens serd wiđ a hot jurn; ferbidij tu mari, [and comandin] tu abstán from mets, hwig God hat created tu be resévd wiđ tagesgivij ov dém hwig belév and nō de 4 trut. Fer everi cretur ov God [iz] gud, and nutij tu be refúzd, if it be resévd wiđ 5 tagesgivij: for it iz sagetijfđ bi de wurd ov God and prar.

6 If ds put de bredren in remémbrans ov dez tinz, ds salt be a gud minister ov Jezus Crist, nurist up in de wurdz ov fat and ov 7 gud doctrin, hwaruntú ds hast atánd. But refúz profán and old wijz fab'lz, and ec- 8 sersiz dijsélf [rqder] untui godlines. Fer bodili eesersiz profitet lit'l: but godlines iz prófitab'l untui el tinz, havij promis ov de 9 lif dat ns iz, and ov dát hwig iz tu eum.

5 REBUCC not an elder, but intrét [him] az a fqler; [and] de yunger men az bred- 2 ren; de elder wimen az muđerz; de yunger az susterz, wiđ el puriti.

3 Onur widoz dat qr widoz indéd. (4) But if eni wido hav gildren or nevuz, let dem lern ferst tu šo pjeti at hom, and tu reowit đar parents: fer dát iz gud and 5 aceptab'l befór God. Ns šé dat iz a wido indéd, and dšolet, trustet in God, and continjet in suplicasunz and prarz njt and 6 da. But šé dat livet in plezur iz ded hwil 7 se livet. And dez tinz giv in čqrj, dat đa 8 ma be blamles. But if eni proviđ not for híz on, and spečali fer đoz ov híz on hys, he hat denjđ de fat, and iz wurs đan an infidel.

9 Let not a wido be tac'n intui de number under trescor yerz old, havij ben de wij ov 10 wun man, wel reported ov for gud wures; if se hav bret up gildren, if se hav lojd stranjerz, if se hav wost de sants fet, if se hav relévd de afflicted, if se hav dilijentli 11 folod everi gud wure. But de yunger widoz refúz: fer hwen đa hav begún tu wacs 12 wontun agénst Crist, đa wil mari; havij

(13) And widoł đa lern [tu be] jđ'l, won- 14 derin abót from hys tu hys; and not onli jđ'l, but tatlerz also and bizi-bodiz, spečij 15 tinz hwig đa et not. F wil đarfór dat de yunger wimen mari, bar gildren, gjđ de hys, 16 giv nun ocazun tu de ádverseri tu spee repročfuli. Fer sum qr olrđi turnd asjd 17 qfter Satan. If eni man or wuman dat belevet hav widoz, let dem relév dem, and let not de čqrj be čqrjd; dat it ma relév 18 dem dat qr widoz indéd.

19 Let de elderz dat rul wel be esnted wurdí ov dub'l onur, espečali đa hwi labur in de 18 wurd and doctrin. Fer de Scriptur set, ds salt not muz'l de ocs dat trodet st de corn. And, de laburer [iz] wurdí ov híz rewórd.

19 Agénst an elder resév not an acqzafun, 20 but befór tú or tre witness. Dém dat sin rebje befór ol, dat uđerz also ma fer. 21 A čqrj [đé] befór God, and de Lord Jezus Crist, and de elcét anjelz, dat ds obzérv dez tinz wiđst preférin wun befór anúder, duinj 22 nutij bi pqršialiti.

23 La handz sudenli on nō man, neder be portacer ov uđer menz sinz: cep dijsélf pur. 24 Drinc nō longer weter, but uz a lit'l wijn fer di stunnacs sac and đjn of'n infermitiz. 25 Sum menz sinz qr op'n beforhand, goij befór tu jujment; and sum [men] đa folo 26 qfter. Licwiz also de gud wures [ov sum] qr manifest beforhand; and đá dat qr uđerwiz canot be hid.

6 LET az meni servants az qr under de yoc esnt dar on mqsterz wurdí ov el onur, dat de nam ov God and [hiz] doctrin be not 2 blasfémđ. And đá dat hav belevij mqs- terz, let dem not despiz [dem], becóz đa qr bredren; but rqder du [dem] servis, becóz đa qr fattal and beláved, portacerz ov de benefit. Dez tinz teg and egzért.

3 If eni man teg uđerwiz, and consent not tu holsum wurdz, [ev'n] de wurdz ov sr Lord Jezus Crist, and tu de doctrin hwig 4 iz acordin tu godlines; he iz prsd, noij nutij, but dočij abót cwestyunz and strifs ov wurdz, hwarčd cumet envi, strif, raliyz, 5 ev'l surmizijz, pervérs dispútijz ov men ov eorpt mindz, and destitút ov de trut, sup- oziy dat gan iz godlines; from suq wiđdré dijsélf.

 3 F tanġ God, hum ĭ serv from [mĭ] fōrfqderz wiđ pur consens, dat wiđst sesij ĭ hav remēnbrans ov đē in mĭ prarz nĭt

 8 Be not đs đarfōr afāmd ov de tēstimuni ov s'r Lord, ner ov me hiz prizner: but be đs pŕtacer ov de oflicfunz ov de Gospel
 9 acordiġ tuu de pser ov God; hui hat savd us, and eold [us] wiđ an hōli colij, not acordiġ tuu s'r wures, but acordiġ tuu hiz on purpus and gras, hwiġ woz ġiv'n us in

 15 Dīs đs nōest, dat el dā hwiġ qr in Afā be turnd awā from me; ov hum qr Pĭjēlus

 7 ov de fruts. Consider hwot ĭ sa; and de Lord ġiv đē understādiġ in el tijz.
 8 Remēmbēr dat Jezus Crĭst ov de sed ov David woz razd from de ded acordiġ tuu
 9 mĭ Gospel: hwarin ĭ sufer trub'l, az an ev'l duer, [ev'n] untui bondz; but de wurd

 11 etēnal glōri. [It iz] a fatful saiġ: Fēr if we be ded wiđ [him], we sal elso liv wiđ [him]: if we sufer, we sal elso ran wiđ [him]: if we denĭ [him], he elso wil denĭ us: if we belēv not, [yet] he abĭdet fatful; he canot denĭ himsēlf.

DE EPIS'L OV PØL TU TITUS.

1 **PØL**, a servant ov God, and an apòs'l ov Jezus Crìst, acording tu de fat ov Godz eléct, and de acnolejìj ov de trut hwìq iz 2 qfter godlines; in hòp ov etérnal lìf, hwìq God, dat canot lì, promist befór de wùrld 3 begán; but hat in dñ tìnz mánifested hiz wùrd trui pøcìj, hwìq iz comitèd untu me 4 acording tu de comqndment ov God sr Savyur; tu Tìtus, [mìn] on sun qfter de comun fat: Gras, mersi, [and] pes, from God de Fqðer and de Lord Jezus Crìst sr Savyur.

5 For dis cøz left ì dè in Cret, dat d's sudst set in order de tìnz dat qr wontìj, and ordán elderz in everi siti, az ì had aponted 6 dè: if eni be blamles, de huzbund ov wun wìf, havìj fatfual gildren, not acùzd ov rìjt, 7 or unruli. For a bishup must be blamles, az de stuyrd ov God; not selfwìld, not sun angri, not giv'n tu wìn, no strìccer, not 8 giv'n tu fìlti luecr; but a luvèr ov hospitaliti, a luvèr ov gad men, sòber, just, hòli, 9 temperet; holdìj fast de fatfual wùrd az he hat ben tot, dat he ma be ab'l bj ssnd doctrin bot tu egzòrt and tu convìns de gánsaerz.

10 For dar qr meni unruli and van tæcerz and deseverz, spefali dá ov de sereusìgun: 11 huuz mædz must be topt, hu subvèrt hòl hszcz, tæcìj tìnz hwìq da et not, for fìlti 12 luecrz sac. Wun ov demælvz, [ev'n] a profet ov dar on, sed, Dè Crefianz [qr] 13 olwa ljerz, ev'l bests, slø beliz. His wìtnes iz trui. Hwarfor rebùc dem fqrpli, dat da 14 ma be ssnd in de fat: not givìj hed tu Jujì fab'lz, and comqndments ov men, dat 15 turn from de trut. Untu de pur òl tìnz [qr] pur: but untu dèm dat qr dèfìld and unbelevìj [iz] nutìj pur; but ev'n dar 16 mìnd and consens iz dèfìld. Dà profès dat da no God, but in wures da denì [hìm], beìj abòminab'l, and disobedient, and untu everi gad wure réprobet.

2 But spec d's de tìnz hwìq bæúm ssnd doctrin: (2) dat de ajed men be sòber, grav, temperet, ssnd in fat, in qariti, in 3 pafens. Dè ajed wimen liewìz, dat [da be] in behavyur az bæúmet hòlines, not fòls acùzzerz, not giv'n tu muq wìn, tæcerz ov 4 gad tìnz; dat da ma tæc de yup wimen tu be sòber, tu luv dar huzbundz, tu luv dar 5 gildren, [tu be] discrèt, çast, ceperz at hòm, gad, obedient tu dar on huzbundz, 6 dat de wùrd ov God be not blastémd. Yup 7 men liewìj egzòrt tu be sòber mìnded. In òl tìnz fòj d'sèl a patern ov gad wures: in doctrin [fòj] uncorùptnes, graviti, sin- 8 scriti, ssnd speg, dat canot be condémd; dat hè dat iz ov de contreri part ma be ajámnd, havìj no ev'l tìj tu sa ov ù.

11 For de gras ov God dat brìget salvafun 12 hat apèrd tu òl men, tæcìj us dat, denìj ungodlines and wùrldli lusts, we sud liv sòberli, rìjyusli, and godli, in dis prezènt 13 wùrld; luecìj for dát blesed hòp, and de gloriùs aperìj ov de grat God and sr Savyur 14 Jezus Crìst; huì gav hìmsèlf for us, dat he mjt redém us from òl inìcwiti, and purìfj untu hìmsèlf a peculìer pep'l, zelus ov gad 15 wures. Dèz tìnz spec, and egzòrt, and rebùc wìd òl otoriti. Let no man despìz dè.

3 Put dèm in mìnd tu be subject tu prin- cipaliti and psycz, tu obá majistrets, tu 2 be redi tu everi gad wure, tu spec ev'l ov no man, tu be no brolerz, but jent'l, fòj 3 òl meenes untu òl men. For we srselfz elso wer sumtìj fulìf, disobedient, desèvd, servìj djevz lusts and plezurz, livìj in malis and envi, hatfual, [and] hatìj wun anúder.

4 But qfter dat de cìndnes and luv ov God 5 sr Savyur tord man apèrd, not bj wures ov rìjyusnes hwìq we hav dun, but acording tu hiz mersi he savd us, bj de wosìj ov rejen- 6 erafun, and renùj ov de Hòli Gøst; hwìq he sed on us abundantli truì Jezus Crìst 7 sr Savyur; dat beìj justìfj bj hiz gras, we sud be mad arz acording tu de hòp ov etérnal lìf.

8 [His iz] a fatfual saìj, and dèz tìnz ì wìl dat d's asèrm constantli, dat dá hwìq hav belévd in God mjt be carful tu mentán gad 9 wures. Dèz tìnz qr gad and pròfitab'l untu men. But avòd fulìf cwestyunz, and jenìclojiz, and contensunz, and strìvjz abòt dè lø; for da qr unpròfitab'l and van. 10 A man dat iz an hèretic, qfter de fèrst and 11 secund admonìfùn rejéct; noìj dat hè dat iz suq iz subvèrted, and sinet, beìj condémd ov hìmsèlf.

12 **HWEN** ì sal send Artemas untu dè, er Tìcieus, be dilìjent tu eum untu me tu Nìcopolis: for ì hav détermind dar tu 13 winter. Brìj Zenas de leyer and Apòlos on dar jurni dilìgentli, dat nutìj be wontìj 14 untu dèm. And let srz elso lern tu men- tán gad wures for nésèseri qsz, dat da be 15 not unfrutful. DE JENERAL EPIS'L OV JAMZ.

1 **JAMZ**, a servant ov God, and ov de Lord Jezus Crjst, tu de twelv trijz hwiq qr scaterd abróð, gretij.

2 Mj bredren, esnt it el jø hwen ye fel 3 intui diverz temtafunz; noijp [dis], dat de 4 trijij ov ur fat wurcet pafens. But let pafens hav [her] perfect wure, dat ye ma be perfect and entjr, wontij nutij.

5 If eni ov y lac wizdum, let him qse ov God, dat givet tu el [men] liberali, and 6 upbradet not; and it fal be giv'n him. But let him qse in fat, nutij waverij. For hé 7 dat waveret iz lje a wav ov de se driv'n wid 7 de wind and tost. For let not dát man tige dat he fal resév eni tij ov de Lord. 8 A dub'l mįnded man [iz] unstab'l in el hiz waz.

9 Let de bruder ov lo degré rejós in dat he 10 iz egzeltd: but de rig, in dat he iz mad 10 lo: becóz az de flser ov de grqs he fal pqs 11 awá. For de sun iz nō suner riz'n wid a burnij het, but it wideret de grqs, and de flser 12 daróf folet, and de gras ov de fafun ov it périfet: so also fal de rig man fad 13 awá in hiz waz.

12 Blesed [iz] de man dat endúret tem- 13 tafun: for hwen he iz trijd, he fal resév de 14 ersn ov hf, hwiq de Lord hat promist tu 15 dém dat luv him. Let no man sa hwen he 16 iz temted, T am temted ov God: for God 17 cannot be temted wid ev'l, neder temtet he 18 eni man: but everi man iz temted, hwen 19 he iz dren awá ov hiz on lust, and entjst. 20 Den hwen lust hat consévd, it brijet fort 21 sin: and sin, hwen it iz finist, brijet fort det.

12 Du not er, mj belúved bredren. (17) Everi 13 gud gift and everi perfect gift iz from 14 abúv, and cumet dsn from de Fqder ov 15 ljts, wid hum iz nō váriab'lacs, neder fado 16 ov turnij. Ov hiz on wil begát he us wid 17 de wurd ov trut, dat we fud be a ejnd ov 18 ferstfruits ov hiz eretjrz.

19 Hwarfor, mj belúved bredren, let everi 20 man be swift tu her, slo tu spee, slo tu 21 ret: for de rot ov man wurcet not de 22 rijtusnes ov God. Hwarfor la apárt el 23 fittines and superfluiti ov notines, and 24 resév wid meenes de engrafted wurd, hwiq 25 iz ab'l tu sav ur solz.

22 BUT be ye dmerz ov de wurd, and not 23 hererz onli, desevij ur on selvz. For if 24 eni be a herer ov de wurd, and not a duer, 25 he iz lje untu a man beholdij hiz natural 26 fas in a glqs: for he beholdet himsél, and 27 goet hiz wa, and stratwa forgétet hwot 28 maner ov man he woz. But huso luccet 29 intui de perfect le ov liberti, and continjet 30 [darin], he beij not a forgétful herer, but 31 a duer ov de wure, dis man fal be blest in 32 hiz ded.

1 26 If eni man amún y sem tu be reljús, 2 and brjdet not hiz tuj, but desevet hiz 27 on hqrt, dis manz reljún [iz] van. Pjr 28 reljún and undesfld befór God and de 29 Fqder iz dis, Tu vizit de fqderles and 30 widóz in dar afflicfun, [and] tu cep him- 31 sélf unspóted from de wurd.

2 Mj bredren, hav not de fat ov tr Lord 3 Jezus Crjst, [de Lord] ov glori, wid respéct 4 ov persunz. For if dar cum untu ur 5 asémbli a man wid a gold rij, in gudli 6 apárel, and dar cum in also a pur man in 7 vl rament; and ye hav respéct tu him dat 8 waret de ga cloðij, and sa untu him, Sit 9 ds her in a gud plas; and sa tu de pur, 10 Stand ds dar, or sit her under mj futsstul: 11 A qz ye not den pqrjal in ursélvz, and qz 12 becúm jujez ov ev'l tots. Hqre'n, mj belúved 13 bredren, Hat not God goz'n de pur ov dis 14 world rig in fat, and arz ov de ejndum hwiq 15 he hat promist tu dém dat luv him. But 16 ye hav despjzd de pur. A Du not rig men 17 oprés y, and dre y befór de jujment sets. 18 A Du not da blasfém dát wurdí nam bj de 19 hwiq ye qr celd. If ye fulfil de roal le 20 acording tu de Scriptur, ds salt luv dj 21 nabur az disélf, ye du wel: but if ye hav 22 respéct tu persunz, ye comit sin, and qr 23 convinst ov de lo az transgrésérz.

10 For husoéver fal cep de hol le, and yet 11 ofénd in wun [pont], he iz gilty ov el. For 12 hé dat sed, Du not comit adulteri, sed 13 also, Du not cil. Ns if ds comit nō 14 adulteri, yet if ds cil, ds qrt becúm a trans- 15 grésér ov de lo.

12 So spee ye, and so du, az dá dat fal be 13 jujd bj de lo ov liberti. For hé fal hav 14 jujment widst mersi, dat hat fod nō mersi; 15 and mersi rejóset agénst jujment.

14 A Hwot [dut it] profit, mj bredren, de a 15 man sa he hat fat, and hav not wures; 16 A can fat sav him. If a bruder or sister be 17 naced, and destitút ov dali fud, and wun 18 ov y sa untu dem, Depárt in pes, be [ye] 19 wermd and fild; notwidstándij ye giv dem 20 not doz tijz hwiq qr nedful tu de bodi; 21 A hwot [dut it] profit. Ev'n so fat, if it 22 hat not wures, iz ded, beij alón. Ya, a 23 man ma sa, ds hast fat, and j hav wures: 24 so me dj fat widst dj wures, and j wil so 25 de mj fat bj mj wures. ds belevet dat dar 26 iz wun God; ds duet wel: de dev'lz also 27 belév, and trembl. But A wilt ds nō, 28 o van man, dat fat widst wures iz ded. 29 A Woz not Abraham tr fqder justifjd bj 30 wures, hwen he had oferd tzac hiz sun 31 upón de olter. A Seest ds hs fat ret wid 32 hiz wures, and bj wures woz fat mad 33 perfect. And de Scriptur, woz fulfid hwiq 34 set, Abraham belévd God, and it woz

2 impitēd untu him fer riȳusnes : and he woz cōld de Frend ov God. (24) Ye se den h̄s dat bi wures a man iz justifiȳd, and not bi fat onli. 13 Submit ȝrsélvz tuu everi ordinans ov man fer de Lordz sac: hweder it be tuu de eȝ, 14 az supréim; or untuu guvernerz, az untuu dēm dat qr sent bi him fer de puniȝment ov ev'l duerz, and fer de praz ov dēm dat duu 15 wel. Fer so iz de wil ov God, dat wiȝ wel duuȝ ye ma put tuu sȝlens de ignorans ov 16 fulȝf men: az fre, and not ȝȝȝ [qr] liberti fer a cloc ov malifusnes, but az de servants 17 ov God. Onur el [men]. Luv de bruder-
 18 hud. Fer God. Onur de eȝ.

18 Servants, [be] subject tuu [qr] mȝsterz wiȝ el fer; not onli tuu de gud and jent'l, 19 but also tuu de frowerd. Fer dis [iz] tȝge-

Fer i hwot glóri [iz it], iȝ, hwen ye be bufeted for yr felts, ye 21 fal tac it paȝentli; but iȝ, hwen ye duu wel, and sufer [for it], ye tac it paȝentli, dis [iz] 22 acceȝtabl' wiȝ God. Fer ev'n heruntuu wer ye celd: becȝz Crȝst also suferd for us, levȝ 23 us an egȝzamp'l, dat ye Ʒud folo hiz steps: .huu did no sin, neder woz ȝil fȝnd in hiz 24 mȝt: huu, hwen he woz revȝld, revȝld not agén; hwen he suferd, he trefnd not; but coméȝd [himsélf] tuu him dat juȝet rȝtyusli: 25 .huu hiz on self bar ȝr sinz in hiz on bodi on de tre, dat we, beȝn duu tuu sinz, Ʒad liv untuu rȝtyusnes: bi huz strips ye wer held.

3 Lȝewȝz, ye wȝvz, [be] in subȝeȝfun tuu yr on huzbundz; dat, iȝ eni obá not de wurd, 2 da also ma wiȝst de wurd be wun bi de 2 conversafun ov de wȝvz; hwiȝ da behóld yr 3 ȝast conversafun [cup'ld] wiȝ fer. Huuȝ adernȝ let it not be dát stwerd [adernȝ] ov platȝ de har, and ov warȝ ov gold, or 4 ov putȝ on ov apárel; but [let it be] de hid'n man ov de hȝrt, in dát hwiȝ iz not corruptib'l, [ev'n de ornament] ov a mee and ewȝet spirit, hwiȝ iz in de sȝt ov God ov 5 grat prȝs. Fer aȝter dis maner in de old tȝm de holi wimen also, huu trusted in God, adérnd dēmsélvz, beȝn in subȝeȝfun untuu 6 dar on huzbundz: ev'n az Sara obád Abrahā, celȝn him lerd: huuȝ doterz ye qr, az loȝ az ye duu wel, and qr not afráȝ wiȝ eni amazment.

3 8 Fȝnali, [be ye] el ov wun mȝnd, haviȝ compaȝun wun ov anáder, luv az brēȝren, 9 [be] piȝifal, [be] cȝrtȝus: not renderiȝ ev'l, fer ev'l, or raliȝ for raliȝ: but cȝnterewȝz, blesȝn; noȝȝ dat ye qr daruntuu celd, dat 10 ye Ʒud inherit a blesȝn. Fer hé dat wil luv liȝ, and se gud daz, let him refrán hiz tȝȝ from ev'l, and hiz lips dot da spec no ȝil: 11 let him eȝȝu ev'l, and duu gud; let him sec 12 pes, and eȝȝu it. Fer de iz ov de Lord [qr] over de rȝtyus, and hiz erz [qr op'u] untuu dar prarz: but de fas ov de Lord [iz] 13 agénst dēm dat duu ev'l. And i huu [iz] hé dat wil hȝrm u, iȝ ye be fóloerz ov dát hwiȝ 14 iz gud. But and iȝ ye sufer for rȝtyusnes sac, hapi [qr ye]: and be not afráȝ ov dar 15 terur, neder be trub'ld; but ȝaȝetȝȝ de Lord God in yr hȝrts: and [be] redi elwaz tuu [ȝȝȝ] an qȝser tuu everi man dat qȝset 16 u a rez'n ov de hȝp dat iz in u wiȝ meenes 17 and fer: haviȝ a gud consens; dat, hwarás da spec ev'l ov u, az ov ev'l duerz, dá ma be aȝámȝ dat fȝlsli acȝȝ yr gud conversafun 17 in Crȝst. Fer [it iz] betȝr, iȝ de wil ov God be so, dat ye sufer fer wel duuȝ, dan fer ev'l duuȝ.

18 Fer Crȝst also hat wuns suferd fer sinz, de ȝust for de unȝust, dat he mȝt briȝ us tuu God, beȝȝ put tuu det in de fleš, but ewiēnd 19 bi de Spirit: bi hwiȝ also he went and preȝt 20 untuu de spirits in priz'n; hwiȝ sumtȝm wer disobedient, hwen wuns de loȝ suferiȝ ov God wated in de daz ov Noa, hwiȝ de qre woz a-preparȝ, hwarin fȝȝ, dát iz, at solz 21 wer savd bi weter. De hȝe fȝȝȝ hwaruntuu [ev'n] baptȝz'm dat also nȝ sav us (not de putȝ awá ov de filȝt ov de fleš, but de qȝser ov a gud consens tord God,) bi de rezureȝfun 22 ov Jezus Crȝst: huu iz gen intuu hev'n, and iz on de rȝt hand ov God; anȝelz and otoritiz and pȝrȝz beȝȝ mad subject untuu him.

4 Ferazmȝȝ den az Crȝst hat suferd fer us in de fleš, arm ȝrsélvz lȝewȝz wiȝ de sam mȝnd: fer hé dat hat suferd in de fleš hat 2 sest from sin; dat he no loȝȝer Ʒad liv de rest ov [hiz] tȝm in de fleš tuu de lusts ov 3 men, but tuu de wil ov God. Fer de tȝȝ pȝst ov [ȝr] liȝ ma suȝȝ us tuu hav rȝt de wil ov de Jentilz, hwen we weȝt in lasȝivusnes, lusts, eȝes ov wȝn, revelȝȝȝ, bȝȝewetȝȝȝ, 4 and abȝminab'l idolotriz: hwarin dá tȝȝe it stranȝ dat ye run not wiȝ [dēm] tuu de sam 5 eȝes ov rȝȝt, speȝȝ ev'l ov [u]: huu fal ȝȝȝ acȝnt tuu him dat iz redi tuu juȝ de ewiē and 6 de ded. Fer fer dis eȝȝ woz de Gȝspel preȝt also tuu dēm dat qr ded, dat da mȝt be juȝd acerdȝȝ tuu men in de fleš, but liv acerdȝȝ tuu God in de spirit.

7 But de end ov el tȝȝȝ iz at hand: be ye 8 darȝor sober, and wȝȝ untuu prar. And abáȝ el tȝȝȝ hav fervent ȝariti amún ȝrsélvz: fer ȝariti fal eȝȝer de multitȝd ov 9 sinz. Uȝ hospitaliti wun tuu anáder wiȝst 10 ȝȝȝȝȝ. Az everi man hat reséȝȝ de ȝiȝt, [ev'n so] minister de sam wun tuu anáder, az gud stȝerdz ov de manifold gras ov 11 God. Iȝ eni man spec, [let him spec] az de orac'ȝ ov God; iȝ eni man minister, [let

DE FERST EPIS'L JENERAL OV JON.

1 **W**AT hwiq woz from de beginij, hwiq we hav herd, hwiq we hav sen wid sr iz, hwiq we hav luct upón, and sr handz hav hand'ld, ov de Wurd ov ljf; (for de ljf woz mánifested, and we hav sen [it], and bar witnes, and so untu u dat etérnal ljf, hwiq woz wid de Fqder, and woz mánifested untu us;) dat hwiq we hav sen and herd declár we untu u, dat ye also ma hav félo-sip wid us: and truuli sr félo-sip [iz] wid de Fqder, and wid hiz Sun Jezus Crjst. And dez tijz rjt we untu u, dat q'r jø ma be ful.

5 His den iz de mesej hwiq we hav herd ov him, and declár untu u, dat God [iz] ljf, and in him iz no dqrenes at el. If we sa dat we hav félo-sip wid him, and wee in dqrenes, we lj, and duu not de trut: but if we woe in de ljf, az he iz in de ljf, we hav félo-sip wun wid anúder, and de blud ov Jezus Crjst hiz Sun clenzet us from ol sin.

8 If we sa dat we hav no sin, we desév srscélvz, and de trut iz not in us. If we confés sr sinz, he iz fatfal and just tu fergiv us [sr] sinz, and tu clenze us from ol unrihtyusnes. If we sa dat we hav not sind, we mae him a ljer, and hiz wurd iz not in us.

2 **M**i lit'l gildren, dez tijz rjt i untu u, dat ye sin not. And if eni man sin, we hav an ádvocet wid de Fqder, Jezus Crjst de rjtyus: and he iz de propis'iajun for sr sinz: and not for srz onli, but also for [de sinz ov] de hol wurd.

3 And herbj we duu no dat we no him, if **4** we cep hiz comqndments. Hé dat set, **5** no him, and cepet not hiz comqndments, iz a ljer, and de trut iz not in him. But huso cepet hiz wurd, in him virili iz de luv ov God perfected: herbj no we dat we **6** q'r in him. Hé dat set he abidet in him ot himself also so tu woe, ev'n az he woe.

7 Bredren, i rjt no nu comqndment untu u, but an old comqndment hwiq ye had from de beginij. De old comqndment iz de wurd hwiq ye hav herd from de beginij.

8 Agén, a nu comqndment i rjt untu u,

2 hwiq tijz iz tru in him and in u: becóz de dqrenes iz pøst, and de tru ljf nx sjnet. **9** Hé dat set he iz in de ljf, and hatet hiz **10** bruder, iz in dqrenes ev'n until nx. Hé dat luvet hiz bruder abidet in de ljf, and **11** dar iz nun ocazum ov stumblig in him. But hé dat hatet hiz bruder iz in dqrenes, and woeet in dqrenes, and noet not hwider he goet, becóz dat dqrenes hat bljnded hiz iz.

12 **I**f rjt untu u, lit'l gildren, becóz ur sinz **13** q'r fergiv'n u for hiz namz sac. **I**f rjt untu u, fqderz, becóz ye hav non him [dat iz] from de beginij. **I**f rjt untu u, yuþ men, becóz ye hav overeum de wiced wun. **I**f rjt untu u, lit'l gildren, becóz ye hav non de **14** Fqder. **I**f hav rit'n untu u, fqderz, becóz ye hav non him [dat iz] from de beginij. **I**f hav rit'n untu u, yuþ men, becóz ye q'r stron, and de wurd ov God abidet in u, and ye hav overeum de wiced wun.

15 Luv not de wurld, neder de tijz [dat q'r] in de wurld. If eni man luv de wurld, de **16** luv ov de Fqder iz not in him. For el dat [iz] in de wurld, de lust ov de flef, and de lust ov de jz, and de prid ov ljf, iz not ov **17** de Fqder, but iz ov de wurld. And de wurld pøset awá, and de lust daróf: but hé dat duet de wil ov God abidet for ever.

18 Lit'l gildren, it iz de lqst tjm: and az ye hav herd dat anticrjst jal eum, ev'n nx q'r dar meni anticrjsts; hwarbj we no dat it **19** iz de lqst tjm. **I**fa went st from us, but da wer not ov us; for if da had ben ov us, da wud [no dst] hav continuð wid us: but [da went st], dat da mjt be mad manifest **20** dat da wer not ol ov us. But ye hav an ugefun from de Holí Wun, and ye no el **21** tijz. **I**f hav not rit'n untu u becóz ye no not de trut, but becóz ye no it, and dat no **22** lj iz ov de trut. **I**Huú iz a ljer but hé dat denjet dat Jezus iz de Crjst. Hé iz anticrjst, dat denjet de Fqder and de Sun.

23 Husoéver denjet de Sun, de sam hat not de Fqder: [but hé dat acnoletet de Sun hat de Fqder also.]

24 Let dat darfor abjd in u, hwiq ye hav

2 herd from ðe beginiŋ. If ðát hwiġ ye hav herd from ðe beginiŋ sal remán in ȳ, ye elso sal continu in ðe Sun, and in ðe Fqder.
 25 And ðis iz ðe promis ðat he hat promist
 26 us, [ev'n] etérnal lif. ðez [tinȳ] hav i rit'n untu ȳ consérniġ ðém ðat sedȳs ȳ.
 27 But ðe anontin hwiġ ye hav resévd ov him abidet in ȳ, and ye ned not ðat eni man teg ȳ: but az ðe sam anontin teġet ȳ ov el tinȳ, and iz truit, and iz nō lȳ, and ev'n az it hat tet ȳ, ye sal abjd in him.

28 AND n̄s, lit'l gildren, abjd in him; ðat, hwen he sal apér, we ma hav confidens, and not be afámd befór him at hiz eumiŋ.
 29 If ye nō ðat he iz rȳtus, ye nō ðat everi wun ðat duet rȳtusnes iz bern ov him.

3 (1) Behóld, hwot maner ov luv ðe Fqder hat bestóvd upón us, ðat we s̄ad be cold ðe sunz ov God: ðarfor ðe wurld nōet us
 2 not, becōz it nȳ him not. Belúvd, n̄s qr we ðe sunz ov God, and it dut not yet apér hwot we sal be: but we nō ðat, hwen he sal apér, we sal be lȳ him; for we sal se him az he iz.

3 And everi man ðat hat ðis hop in him
 4 púrifiġet himsél, ev'n az he iz púr. Huso-
 5 óver comitet sin transgréset elso ðe lō; for
 6 sin iz ðe transġreŋ ov ðe lō. And ye nō ðat he woz mánifested tu tae awá ȳr sinȳ; and
 6 in him iz nō sin. Husoóver sinet hat not sen him, neder nōn him.

7 Lit'l gildren, let nō man desévd ȳ: hé ðat
 8 duet rȳtusnes iz rȳtus, ev'n az he iz
 8 rȳtus. Hé ðat comitet sin iz ov ðe dev'l; for ðe dev'l sinet from ðe beginiŋ. For ðis
 9 purpus ðe Sun ov God woz mánifested, ðat
 9 he mȳt destré ðe wures ov ðe dev'l. Huso-
 10 óver iz bern ov God dut not comit sin; for hiz sed remanet in him: and he canot
 10 sin, becōz he iz bern ov God. In ðis ðe
 11 gildren ov God qr manifest, and ðe gildren
 12 ov ðe dev'l.

Husoóver duet not rȳtusnes iz not ov God, neder hé ðat luvet not hiz bruder.

11 For ðis iz ðe meseġ ðat ye herd from ðe beginiŋ, ðat we s̄ad luv wun anúder.

12 Not az Can, [hu] woz ov ðát wiced wun, and slui hiz bruder. And ȳ hwarfor slui he him. Becōz hiz on wures wer ev'l, and
 13 hiz bruderȳ rȳtus. Mqrvel not, mȳ brēdren,
 14 if ðe wurld hat ȳ. We nō ðat we hav pqst from ðet untu lif, becōz we luv ðe brēdren. Hé ðat luvet not [hiz] bruder abidet in ðet.

15 Husoóver hatet hiz bruder iz a murderer: and ye nō ðat nō murderer hat etérnal lif abidiŋ in him.

16 Herbj persévd we ðe luv [ov God], becōz he lad d̄sn hiz lif for us: and we et tu la
 17 d̄sn [ȳr] livȳ for ðe brēdren. But huso hat ðis wurldȳ gud, and seet hiz bruder hav ned, and s̄utet up hiz bselȳ ov [com-
 18 pasun] from him, ȳ h̄s dwelet ðe luv ov
 18 God in him. Mȳ lit'l gildren, let us not luv in wurd, neder in tȳȳ: but in ðed and in truit.

19 And herbj we nō ðat we qr ov ðe truit,
 20 and sal aȳur ȳr harts befór him. For if

3 ȳr hqrt condém us, God iz grater ðan ȳr hqrt, and nōet el tinȳ. (21) Belúvd, if ȳr hqrt condém us not, [ðen] hav we confidens
 22 tord God. And hwotsoéver we q̄se, we resévd ov him, becōz we eġp hiz comqnd-
 23 ments, and du doȳ tinȳ ðat qr pleziŋ in
 23 hiz sȳt. And ðis iz hiz comqndment, ðat we s̄ad belévd on ðe nam ov hiz Sun Jezus Crȳst, and luv wun anúder, az he gav us
 24 comqndment. And hé ðat eġet hiz comqndments, dwelet in him, and he in him. And herbj we nō ðat he abidet in us, bȳ ðe Spirit hwiġ he hat giv'n us.

4 BELUVED, belévd not everi Spirit, but
 1 trȳ ðe spirits hweder ða qr ov God: becōz
 2 meni fols profets qr gon st intu ðe wurld.
 2 Herbj nō ye ðe Spirit ov God: Everi spirit
 3 ðat confésat ðat Jezus Crȳst iz eum in ðe
 3 f̄lef iz ov God. And everi spirit ðat con-
 4 fésat not ðat Jezus Crȳst iz eum in ðe f̄lef
 4 iz not ov God: and ðis iz ðát [spirit]
 5 ov antierȳst, hwaróf ye hav herd ðat it
 6 s̄ad eum; and ev'n n̄s elrēdi iz it in ðe
 7 wurld.

4 Ye qr ov God, lit'l gildren, and hav
 5 overeim ðem: becōz grater iz hé ðat iz in
 5 ȳ, ðan hé ðat iz in ðe wurld. ða qr ov ðe
 6 wurld: ðarfor spee ða ov ðe wurld, and ðe
 6 wurld heret ðem. We qr ov God: hé ðat
 7 nōet God heret us; hé ðat iz not ov God
 8 heret not us. Herbj nō we ðe spirit ov
 9 truit, and ðe spirit ov erur.

7 Belúvd, let us luv wun anúder: for luv
 8 iz ov God; and everi wun ðat luvet iz bern
 8 ov God, and nōet God. Hé ðat luvet not
 9 nōet not God; for God iz luv. In ðis woz
 10 mánifested ðe luv ov God tord us, becōz
 11 ðat God sent hiz onli begót'n Sun intu ðe
 12 wurld, ðat we mȳt liv trui him. Herin iz
 13 luv, not ðat we luvd God, but ðat he luvd
 14 us, and sent hiz Sun [tu be] ðe propiȳs̄am
 15 for ȳr sinȳ. Belúvd, if God so luvd us,
 16 we ot elso tu luv wun anúder. Nō man
 17 hat sen God at eni tȳm. If we luv wun
 18 anúder, God dwelet in us, and hiz luv iz
 19 perfectet in us. Herbj nō we ðat we dwel
 20 in him, and he in us, becōz he hat giv'n us
 21 ov hiz Spirit.

14 And we hav sen and du testifiġ ðat ðe
 15 Fqder sent ðe Sun [tu be] ðe Saryur ov ðe
 16 wurld. Husoóver sal confés ðat Jezus iz
 17 ðe Sun ov God, God dwelet in him, and he
 18 in God. And we hav nōn and belévd ðe
 19 luv ðat God hat tu us. God iz luv; and
 20 hé ðat dwelet in luv dwelet in God, and
 21 God in him. Herin iz ȳr luv mad perfect,
 22 ðat we ma hav boldnes in ðe ða ov jȳj-
 23 ment: becōz az he iz, so qr we in ðis
 24 wurld. ðar iz nō fer in luv: but perfect
 25 luv eq̄stet st fer: becōz fer hat torment.
 26 Hé ðat feret iz not mad perfect in luv.
 27 We luv him, becōz he ferst luvd us. (20) If
 28 a man sa, I luv God, and hatet hiz bruder,
 29 he iz a lȳer: for hé ðat luvet not hiz bruder
 30 humi he hat sen, ȳ h̄s can he luv God humi
 31 he hat not sen. And ðis comqndment hav
 32 we from him, ðat hé hui luvet God luv hiz
 33 bruder elso.

5 **H**USOEVER belevet dat Jezus iz de
Crist iz born ov God: and everi wun dat
luket him dat begat luket him also dat iz
2 begot'n ov him. Bi dis we no dat we luv
3 eep hiz comqndments. For dis iz de luv ov
God, dat we eep hiz comqndments: and
4 hiz comqndments qr not grevus. For
hwotsœver iz born ov God overcûmet de
5 de wurd, [ev'n] sr fat. † Hû iz hé dat
overcûmet de wurd, but hé dat belevet dat
Jezus iz de Sun ov God.
6 Dis iz hé dat eam bi woter and blud,
[ev'n] Jezus Crist; not bi woter onli, but
bi woter and blud. And it iz de Spirit dat
7 baret witnes, becôz de Spirit iz trut. For
dar qr tre dat bar record [in hev'n, de
Fqder, de Wurd, and de Holi Gêst: and
8 dez tre qr wun. And dar qr tre dat bar

de blud: and dez tre agré in wun.
9 If we resév de witnes ov men, de witnes
ov God iz grater: for dis iz de witnes ov
10 God hwiç he hat testifjd ov hiz Sun. Hé
dat belevet on de Sun ov God hat de
witnes in himsêlf: hé dat belevet not God
hat mad him a ljer; becôz he belevet not
11 de record dat God gav ov hiz Sun. And
dis iz de record, dat God hat giv'n tui us

5 etérnal lif, and dis lif iz in hiz Sun. (12) Hé
dat hat de Sun hat lif; [and] hé dat hat
not de Sun ov God hat not lif.
13 I EZ tiçz hav i rit'n untu u dat belév on
de nam ov de Sun ov God; dat ye ma no
dat ye hav etérnal lif, and dat ye ma belév
14 on de nam ov de Sun ov God. And dis iz
de confidens dat we hav in him, dat, if we
qse eni tiç acording tui hiz wil, he heret us
15 .and if we no dat he her us, hwotsœver we
qse, we no dat we hav de petifunz dat we
dezjrd ov him.
16 If eni man se hiz bruder sin a sin [hwiç
iz] not untu det, he sal qse, and he sal giv
him lif for dém dat sin not untu det.
Dar iz a sin untu det: i dui not sa dat he
17 sal pra for it. Ol unriçusnes iz sin: and
dar iz a sin not untu det.
18 We no dat husoever iz born ov God
sinet not; but hé dat iz begot'n ov God
cepel himsêlf, and dat wiced wun tuget him
19 not. [And] we no dat we qr ov God, and
20 de hol wurd ljet in wicednes. And we no
dat de Sun ov God iz eum, and hat giv'n us
an understándij, dat we ma no him dat iz
tru, and we qr in him dat iz tru, [ev'n] in
hiz Sun Jezus Crist. Dis iz de tru God,
and etérnal lif.
